ASSHOLE OF THE MONTH

DRUDGE PACKS FUDGE

****Exclusive****

****Must Credit****

****Contains Graphic Description****

Matt Drudge, the 31-year-old Internet gossip columnist best known for his widely documented fixation on President Bill Clinton's semen, has been disclosed by sources in Washington, D.C., and New York City to be a "closet case" homosexual! Drudge, coincidentally HUSTLER's Asshole of the Month for the Holiday Issue of 1998, failed to contact HUSTLER and deny the outing. Phone calls for comment from Drudge were placed to three glory-hole bars, the Spike, the Rusty Nail and the Dirty Prong, and to the men's room at the West Hollywood, California, Greyhound bus station, locations where insiders speculate that Drudge is most likely to be on his knees in pursuit of a scoop.

EVIDENCE MOUNTS THAT MEN MOUNT DRUDGE

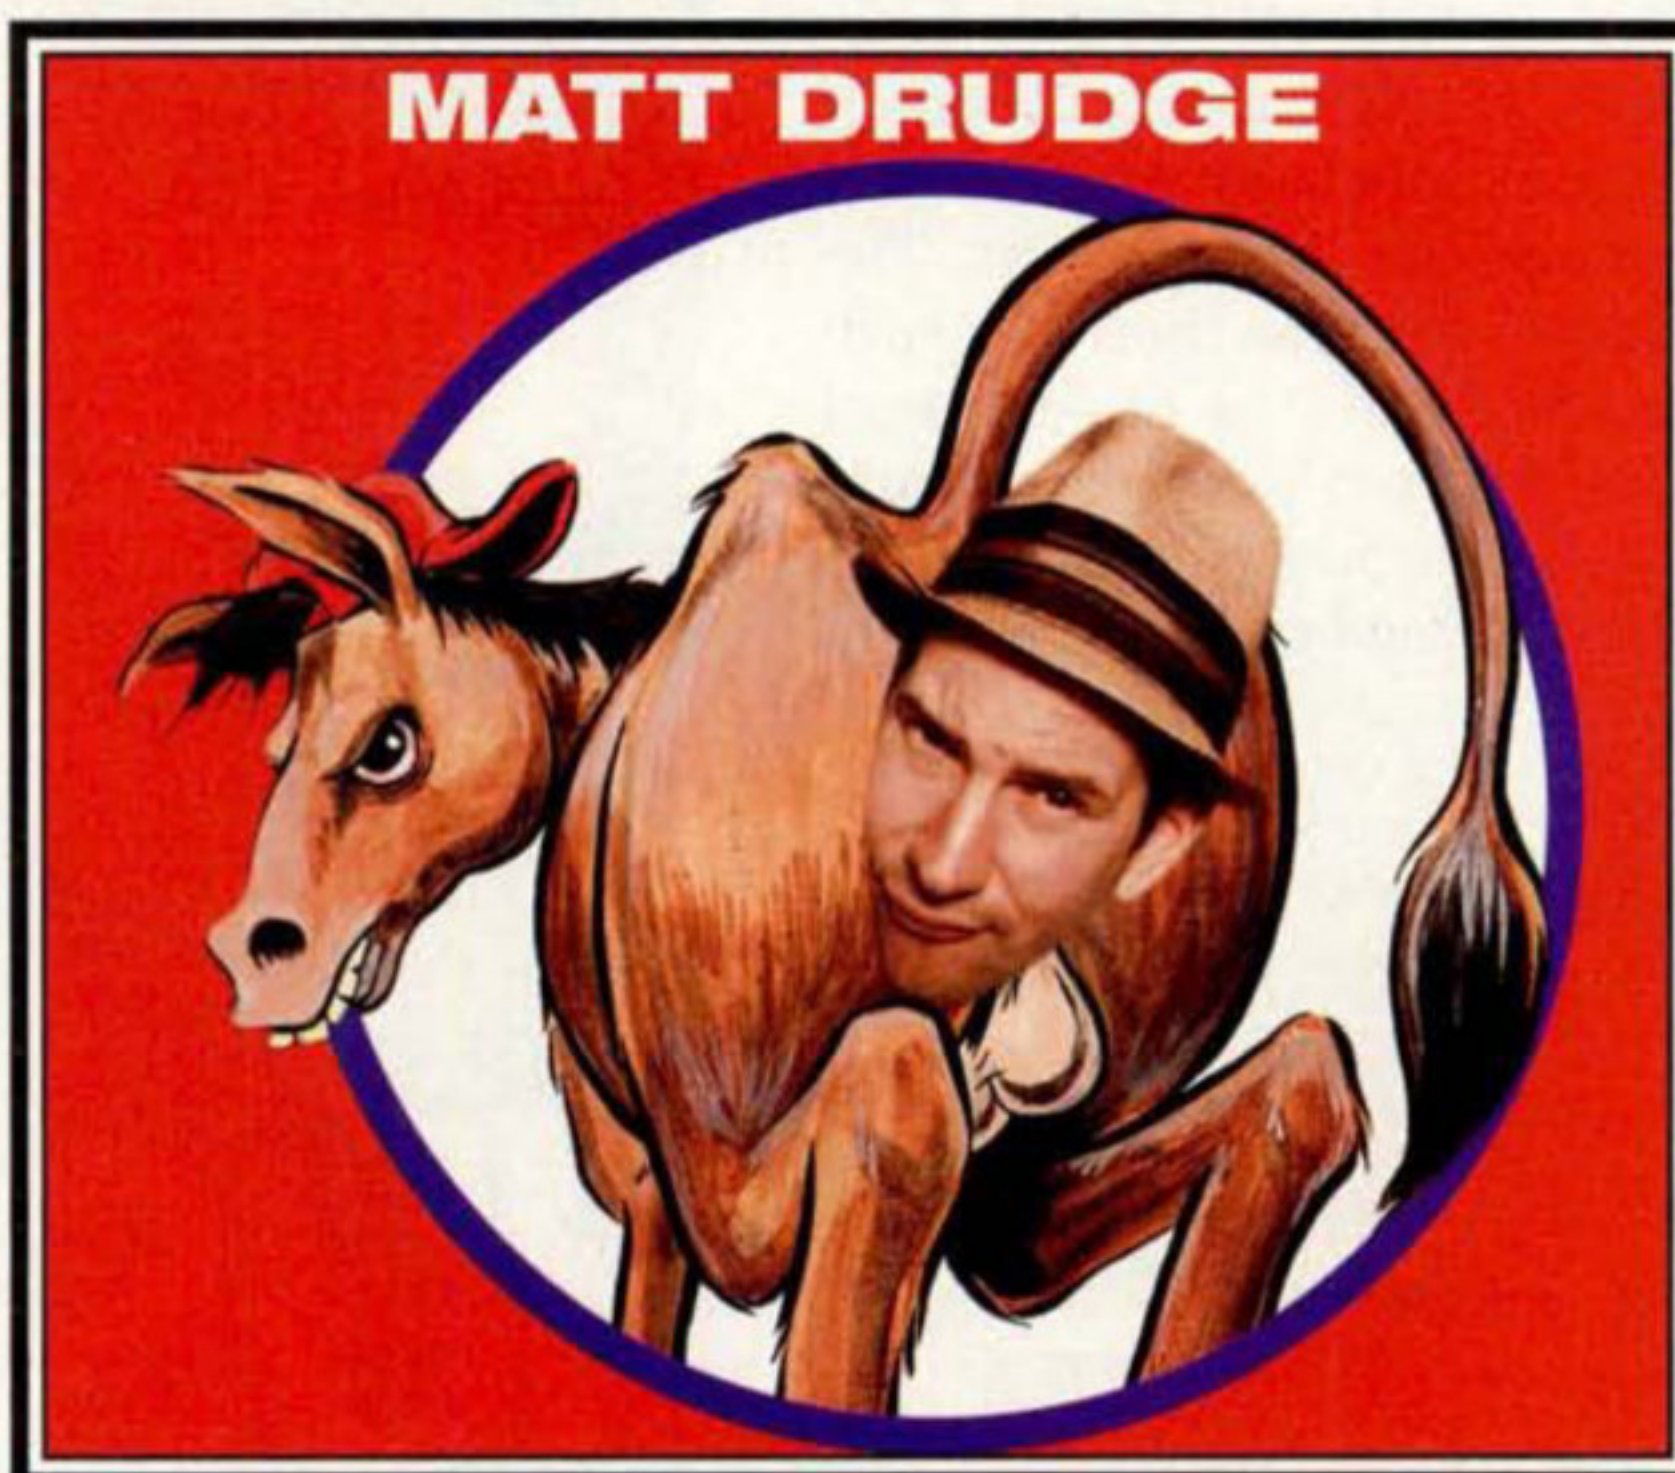

****Flash****

****Must Credit****

According to eyewitness accounts obtained by HUSTLER, cybernews scavenger Matt Drudge looks like a man who is bent over by homoerotic leanings! Says one top-placed male hairdresser, "That hat doesn't fool anybody. Martha might as well be wearing a bonnet."

Leaks from two in-the-know swishers near the Barney's New York cosmetics counter confirm Drudge's gay mien! "The tweaking eyebrows? The prissy carp lips? Sister, please. The man squats to pee."

Drudge has been quoted as say-

ing, "Having someone ugly like me...could be funny." Observers on the scene feel that Drudge is desperately fishing for compliments with that "ugly me" business, a tactic used by every other insecure girl.

HOMO TENDENCIES ROOTED DEEP IN DRUDGE YOUTH

****Flashback****

In his own words, Matt Drudge describes a childhood that informed homosexual members interpret as a basic queer upbringing: "I was a stutterer. I had a twitch inside all the time—a lot of raw energy. I was lonely." Drudge remembers having no girlfriends! He fondly recalls "hours spent doing puppet shows under the sheets when I was a kid."

As of this printing, no female has come forward to claim that she attended a Drudge puppet show.

FAGS LIKE HAGS: MORE PROOF DRUDGE TAKES IT UP THE MATT

****Alert****

Lucianne Goldberg is a notorious hag, aptly described as "a 63-year-old sack of pus." No straight man will ever want to fuck Lucianne Goldberg. Goldberg is quoted as saying that to see Matt Drudge typing his *Drudge Report* "is like watching Chopin at the piano."

Haggy Lucianne was Miss Matt's first guest when his *Drudge* talk show premiered in June!

Drudge has also expressed fondness for sex-change-impersonator

Linda Tripp. If the queer shoe fits!

DRUDGE VICTIM OF GAY BASHING?

****Exclusive****

****Must Credit****

"I get the eggs thrown at me," says Matt Drudge. Informed residents of the seedy Hollywood, California, neighborhood that Drudge calls home have confided to HUSTLER that the area's homosexuals are often targets of flung eggs and other abuse, including physical attacks. "I have the kind of face that looks like it's been beaten up," says Drudge, fanning fears of well-placed informants that the online gossip has suffered antiqueer violence!

DRUDGE LOVES CAT, SHUNS PUSSY

****Break****

Matt Drudge drives a Geo Metro and has no girlfriend, although he considers having one "a nice idea." Drudge is world-famous, resides in the entertainment capital of America, and he lives with a cat!

Hello, trills a chorus of male insiders familiar with the situation.

CLINTON'S PENIS PENETRATES DRUDGE BRAIN; RECTUM NEXT?

****Code Red****

****World Exclusive****

****Must Credit****

"I've got...Clinton's anatomy, his penis size," slurps Drudge. "I've had it; I've held it back."

Sources confirm that the dimensions of the President's penis are exactly right for penetrating the Drudge Asshole cavity! Is the perfect fit a coincidence, or is it another sign of Matt Drudge butt love?

The Discover Card: What kind of credit card refuses business from adult-book stores? Jeff Belcher, of Discover's corporate office, claims that the discrimination was from economical motives, due to a high rate of "charge backs" associated with porn services. If the policy was economics, why did Discover

FARTS IN THE WIND

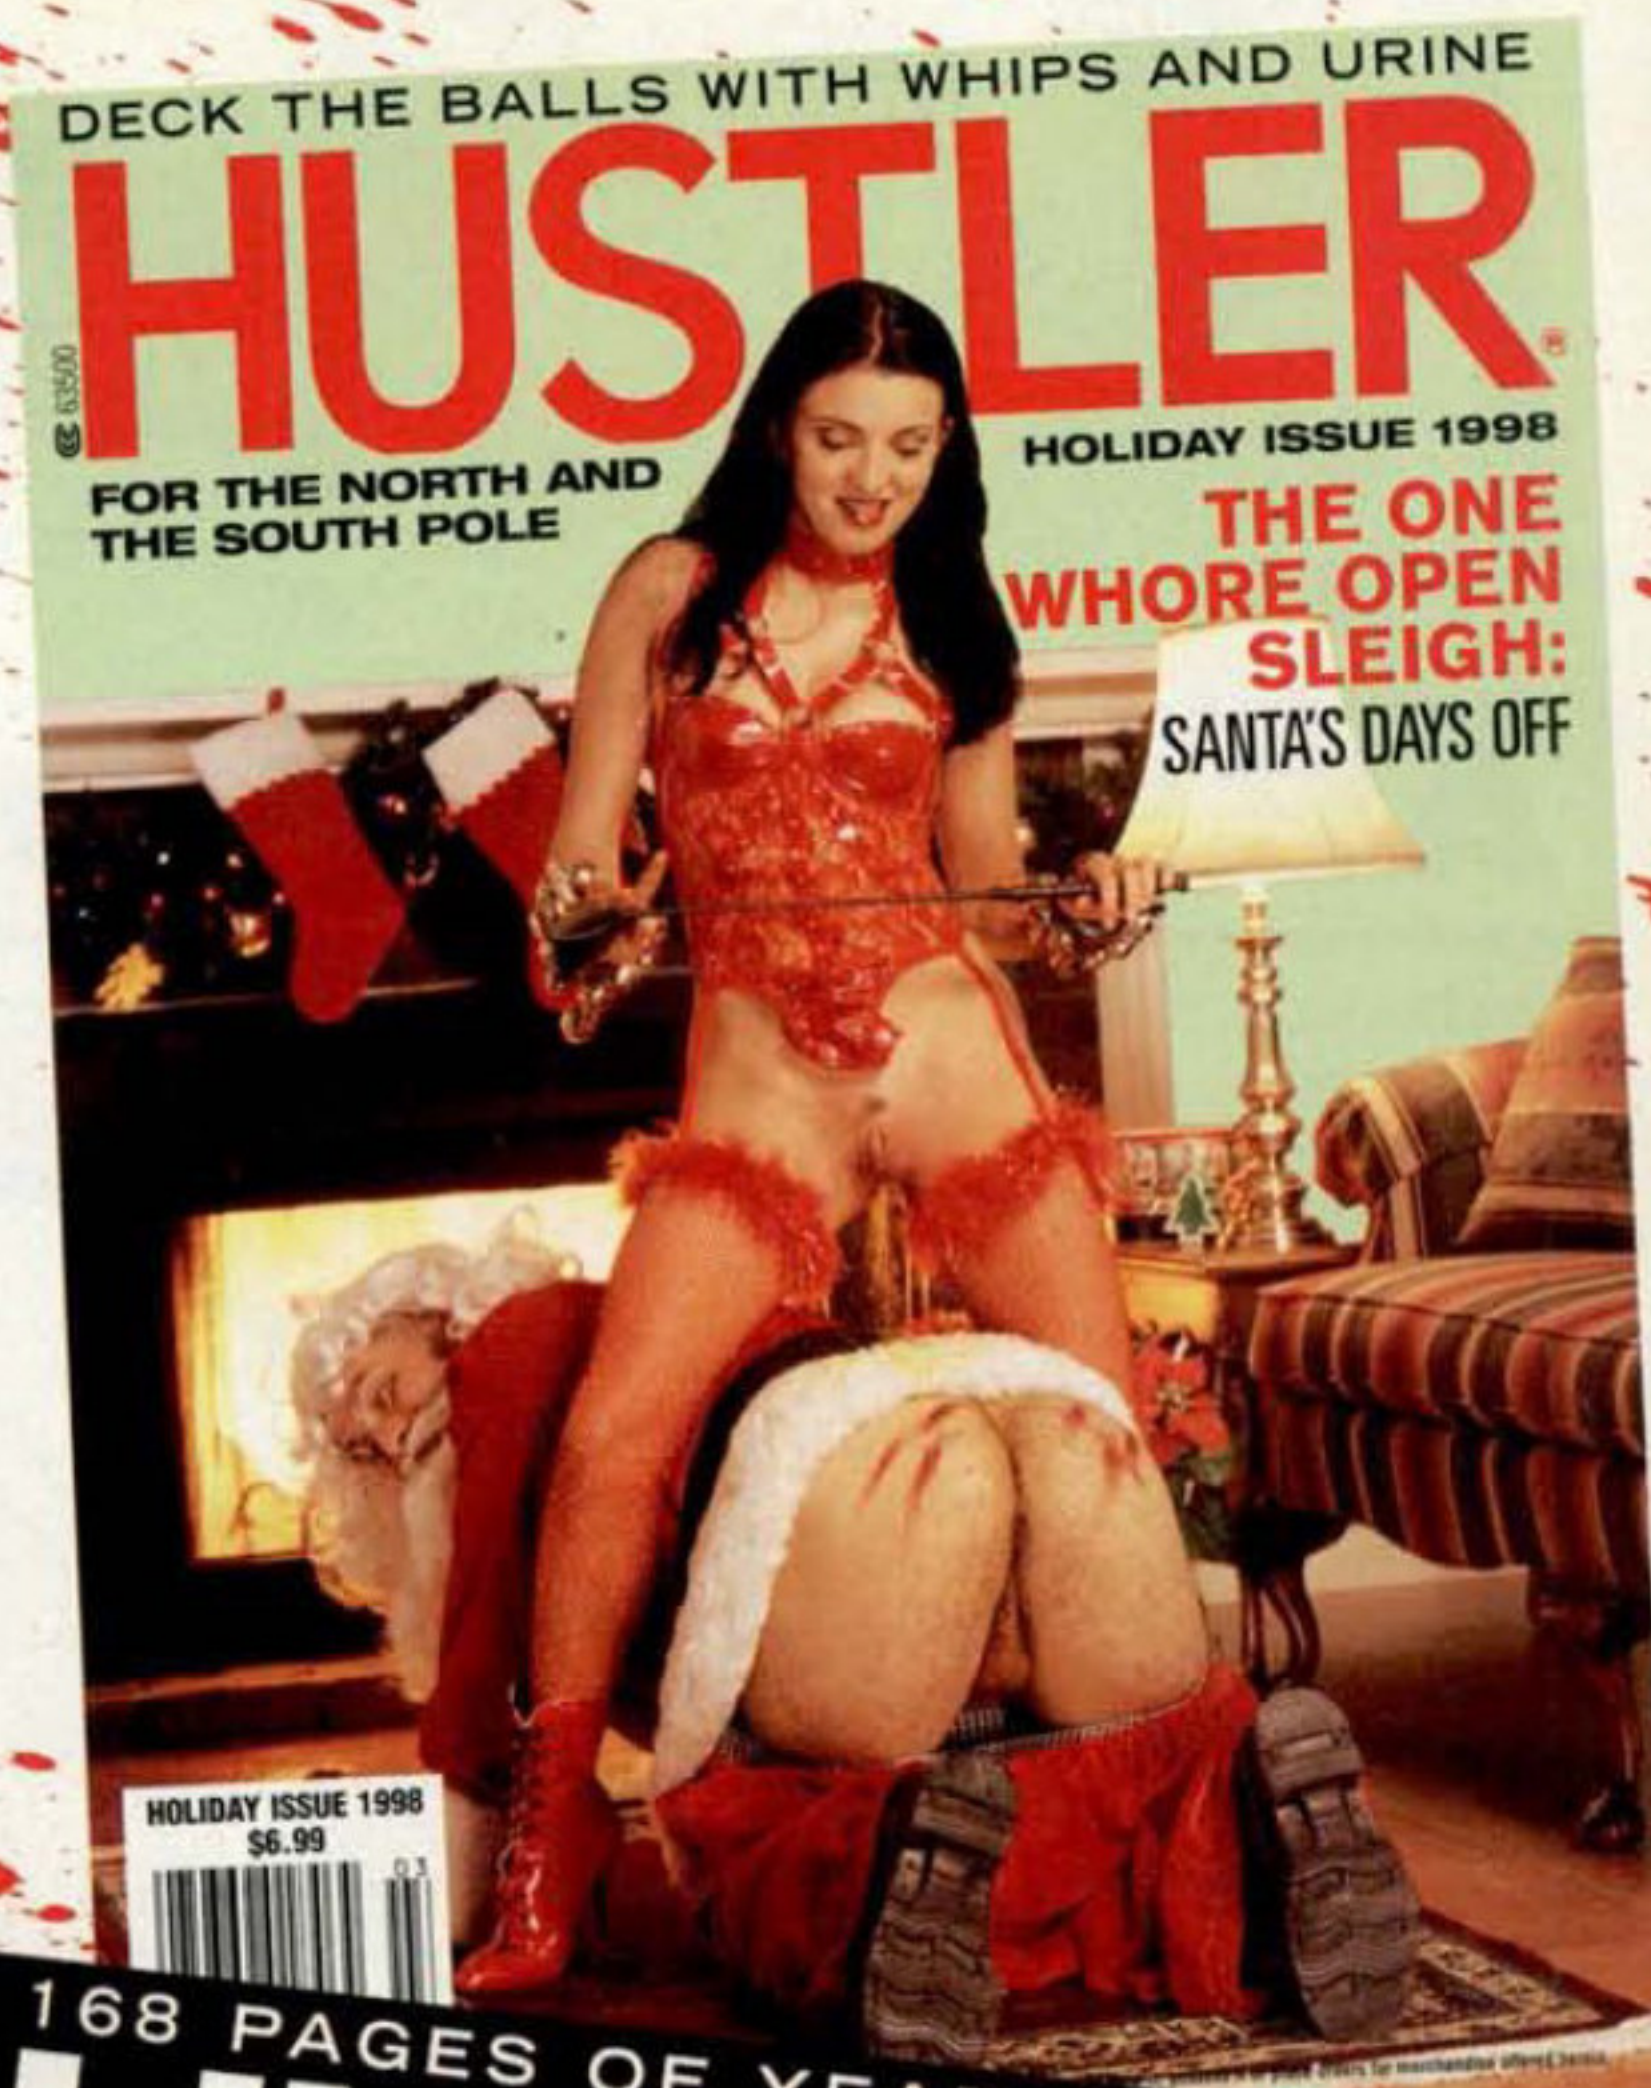

reverse that policy after receiving several calls from HUSTLER asking who is the Asshole in charge?

Douglas Dials: Douglas Dials owes \$39,000 in child support. His son, Charles, was murdered by a Franklin County, Ohio, escapee. The county paid Charles's family \$1.3 million.

Douglas Dials, in prison for trafficking in stolen property, wants some of the dead son's settlement. According to Charles's mother, Dials abandoned his family more than ten years ago. Dials claims his ex-wife could have gone to his parents when she needed money. They raised an Asshole; she only married one.

Gone Down by Law: HOLIDAY COVERS OUR LAWYERS KILLED

HUSTLER always makes the cover of its Holiday Issue extra special. To thank our readers for buying 12 mind-blowing issues every year, we make the 13th one our *coup de grâce*, our *pièce de résistance*, our *ho de phone*. The Holiday cover goes through more revisions than the truth about Bill Clinton's private life. According to our Legal Department, there's a thin line between extra special and criminal. Here are a few of our attorney-rejected efforts that, for one reason or another, crossed the line from bad taste to jail bait:

HELLO, MISS AMERICAN PIE! REACQUAINT YOURSELF WITH...

HUSTLER's 1998 **Beaver Hunt** Grand Prize Finalists

Who needs American electronics and cars? The U.S. manufactures the world's finest snatch. So it's no surprise that all four finalists in this year's HUSTLER *Beaver Hunt* are domestic models. You've been road testing each girl's pussy pics all year, under a variety

of real-world conditions. Now make up your mind, and award one of these flowers of muffdom the *Beaver Hunt* Grand Prize: a trip to a glamour capital for an extensive HUSTLER photo shoot and a grand \$5,000 payday!

Bobbie

(Grand Prize Finalist #1, *First in Class*, April 1998)

Sophisticated, yet full of country charm, 22-year-old Bobbie's classroom pictures sent readers on an imaginary pilgrimage to her native Huntsville, Alabama, to brush up on the three Rs—and brush up against a sweet C. Can the Grand Prize photo shoot bring the dream any closer? Find out.

Kitty

(Grand Prize Finalist #2, *Too Good to Forget*, August 1998)

Remember the sweater? Remember the fur rug? Remember the leggings? St. Louis, Missouri's Kitty does! Her August pictorial brought the 20-year-old BARELY LEGAL Beaver Scout alumna as much pleasure as it brought you. Will this latter-day pinup girl with the all-day snatch take you to the next level? She can, with your vote.

Claire

(Grand Prize Finalist #3, *Triple Feature*, September 1998)

A curvy 26, Claire spent some time at the movies for her September appearance. Everybody who saw it was Coming Soon. The L.A. native has had offers from a number of local skin mags, but only HUSTLER readers can bestow upon her the coveted title of Grand Clam.

Kally

(Grand Prize Finalist #4, *Four-Star Nymphet*, December 1998)

If you missed last issue's layout with Kally, you missed a lot. Wearing nothing but white socks and two smiles, the young Phoenix native captured hearts and hard-ons. Can her opening open the door to \$5,000? Your vote could make all the difference.

Comfortable with third-rate countries, such as France and Israel, having nuclear arsenals? Good! Now get used to third-rate wanna-bes India and Pakistan testing nukes to lob at each other. How did these towelheads ever develop the bomb?

A man wearing a blue short-sleeved shirt, light-colored shorts, and a white turban is smiling while serving a green sludgie from a large, silver, cylindrical machine. The machine has a sign on top that says "SLUDGIE" in a stylized font. The stand is decorated with various snacks, including bags of Fritos and Doritos, and a bowl of popcorn. The background features horizontal stripes in orange, white, and green.

FEED BACK

Bottles Up

I've been a big fan of HUSTLER for about 22 years now. In your November issue, *Claude and Yvette: Command Performance* was right on the money. The only pictorial that might have been hotter was that sexy Catholic schoolgirl Kat (*Kat: Sermon on the Mound*, November 1998), who had that big bottle in her pussy. She would look good with my big cock up her ass and that bottle in her pussy at the same time, followed by a hot facial cum-shot. —T. C.
Denver, Colorado

Glad you enjoyed Kat, T. C. Your vision of a bottle-assisted DP is an admirable one, but be careful not to ram your cock home too hard if you ever fulfill it. Slamming a piece of ass is a wonderful thing; slamming a piece of glass isn't.

The Few, The Loud, The Marines

I'm writing about the "Boot-Camp Blues" letter that was in the August 1998 *Feedback*. I've been in the Corps for a little more than two years, and nothing has ever made me this sick. I know this Marine is receiving at least \$350 every two weeks, with no expenses. So I'm sending this message to R. M.: Quit blowing your cash at strip clubs, save up for a couple of months, and fly your fiancée there your own damn self.

—S. T.
Cherry Point, North Carolina

Solid, pull-yourself-up-by-the-bootstraps advice, S. T. Or maybe the military could quit blowing cash on \$500 hammers for a couple of months and initiate a tour of booty for its horny young troops.

Shirt Stuff

In HUSTLER LIMITED EDITION #23 there was an ad for HUSTLER T-shirts. Am I still able to order them? I'm an avid reader and would love to have some of those shirts.

—D. G.
Indianapolis, Indiana

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

You're in luck, D. G. HUSTLER T-shirts are available for \$14.95 plus \$3.95 postage and handling. You can make this handsome addition to your wardrobe through the HUSTLER Web site (<http://www.hustler.com>), or by writing to

HUSTLER, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211, Attention: Customer Service. Congratulations on possessing a superior fashion sensibility.

Buttman's Blunder

What's up with John "Buttman" Stagliano? If he wants to deny screener copies of his videos to HUSTLER, that's his business; but now he's saying that HUSTLER is degrading to women? In the meantime, Evil Angel Productions' main specialty is screwing girls up the ass! With him and his Italian butt buddy Rocco Siffredi spitting in women's buttocks, who is Stagliano, of all people, to say anything about defiling women?

—A. J.
Houston, Texas

We can only imagine that Stagliano's unwarranted attacks on America's Magazine are the result of hissy, homo dementia. Your attempt to equate anal sex with degradation is troubling though. As long as the shit chute being plundered isn't your own under the attack of a transsexual Brazilian prostitute, heterosexual ass-fucking is an act of beauty, not degradation.

Fan Male I

I love the entertainers of the adult-film business. I am presently incarcerated; so I see very little of them, except for what

FEEDBACK

I catch in magazines. I'd like to know how and where a person can find adult entertainers' addresses. For the past several years, I have been collecting autographed photos, but I'm having trouble locating addresses for the XXX entertainers. Can you help? —T. B. Greencastle, Indiana

Fan Male II

Perhaps you can help me out. I'm looking for the fan-mail addresses for the following adult-film stars: J. R. Carrington, Rebecca Wild, Dominique Simone and Asia Carrera. —G. H. Arlington Heights, Illinois

In addition to enlightening readers with no-bull reviews of the latest blue-screen releases, HUSTLER EROTIC VIDEO GUIDE provides a comprehensive list of porn starlets' fan-club addresses in each issue. Ask nicely, and maybe your favorite video vixens will respond with an autographed pic, suitable for framing in living rooms and jail cells alike.

You Oughta Know

A pissed-off ex-girlfriend took a restraining order out on me after a verbal altercation. I was reading HUSTLER when I came across your parody of Alanis Morissette whining ("Jagged Little Shriek Bitch," March 1997 *Bits & Pieces*). I ripped out the page and stapled the lyrics to the topless girl with braces giving head to a man ("Spewar's," *ibidem*). Even though it said "parody, not to be taken seriously," the prosecutor for Lafayette County, Kentucky, did take it seriously. I'm currently serving a ten-year sentence in a medium-security prison for stalking, due in large part to my mailing that page to my ex. Can you warn your readers not to do this?

—W. W. Burgin, Kentucky

Being supporters of the arts, W. W., we are impressed by your deconstructionist efforts. Nonetheless, your vengeful collage indicates a serious lack of judgment. Readers, consider yourselves warned: Don't try this at home, unless you want your next home to be the local lockup.

Beaver Bitch

Come on now, guys—what is going on? How in the world did Michelle, *Beaver Hunt* Finalist #3 (November 1997 HUSTLER) lose the Grand Prize? You used to have a great magazine. Now it's

just like stinking *Playboy*! Larry, don't let the magazine slip!

—F. S. Via Internet

The Beaver Hunt contest is a democratic process, F. S. Michelle didn't win the Grand Prize because she didn't receive enough votes from HUSTLER's readership. Unlike Playboy, we reflect our audience's wishes accurately; so watch the half-assed comparisons.

New York Shitty

I'm writing about the recent ruling in New York City on the closing of sex shops. By closing down all sex shops within 500 feet of schools and churches, hizzoner Rudy Giuliani is imposing his own political agenda on those who do not conform to his way of thinking. Please inform other HUSTLER readers about this decision and what dreadful consequences it will have. By allowing Big Brother to choose our Constitutional freedoms, we are allowing the death of the United States of America. —C. G. New Paltz, New York

We too are saddened by the recent rotten developments in the Big Apple with regard to sex shops. Remember: Like the Beaver Hunt contest, our government is

democratically driven. If you don't like your elected officials' antiperversity tactics, let them know the next time you're in the voting booth.

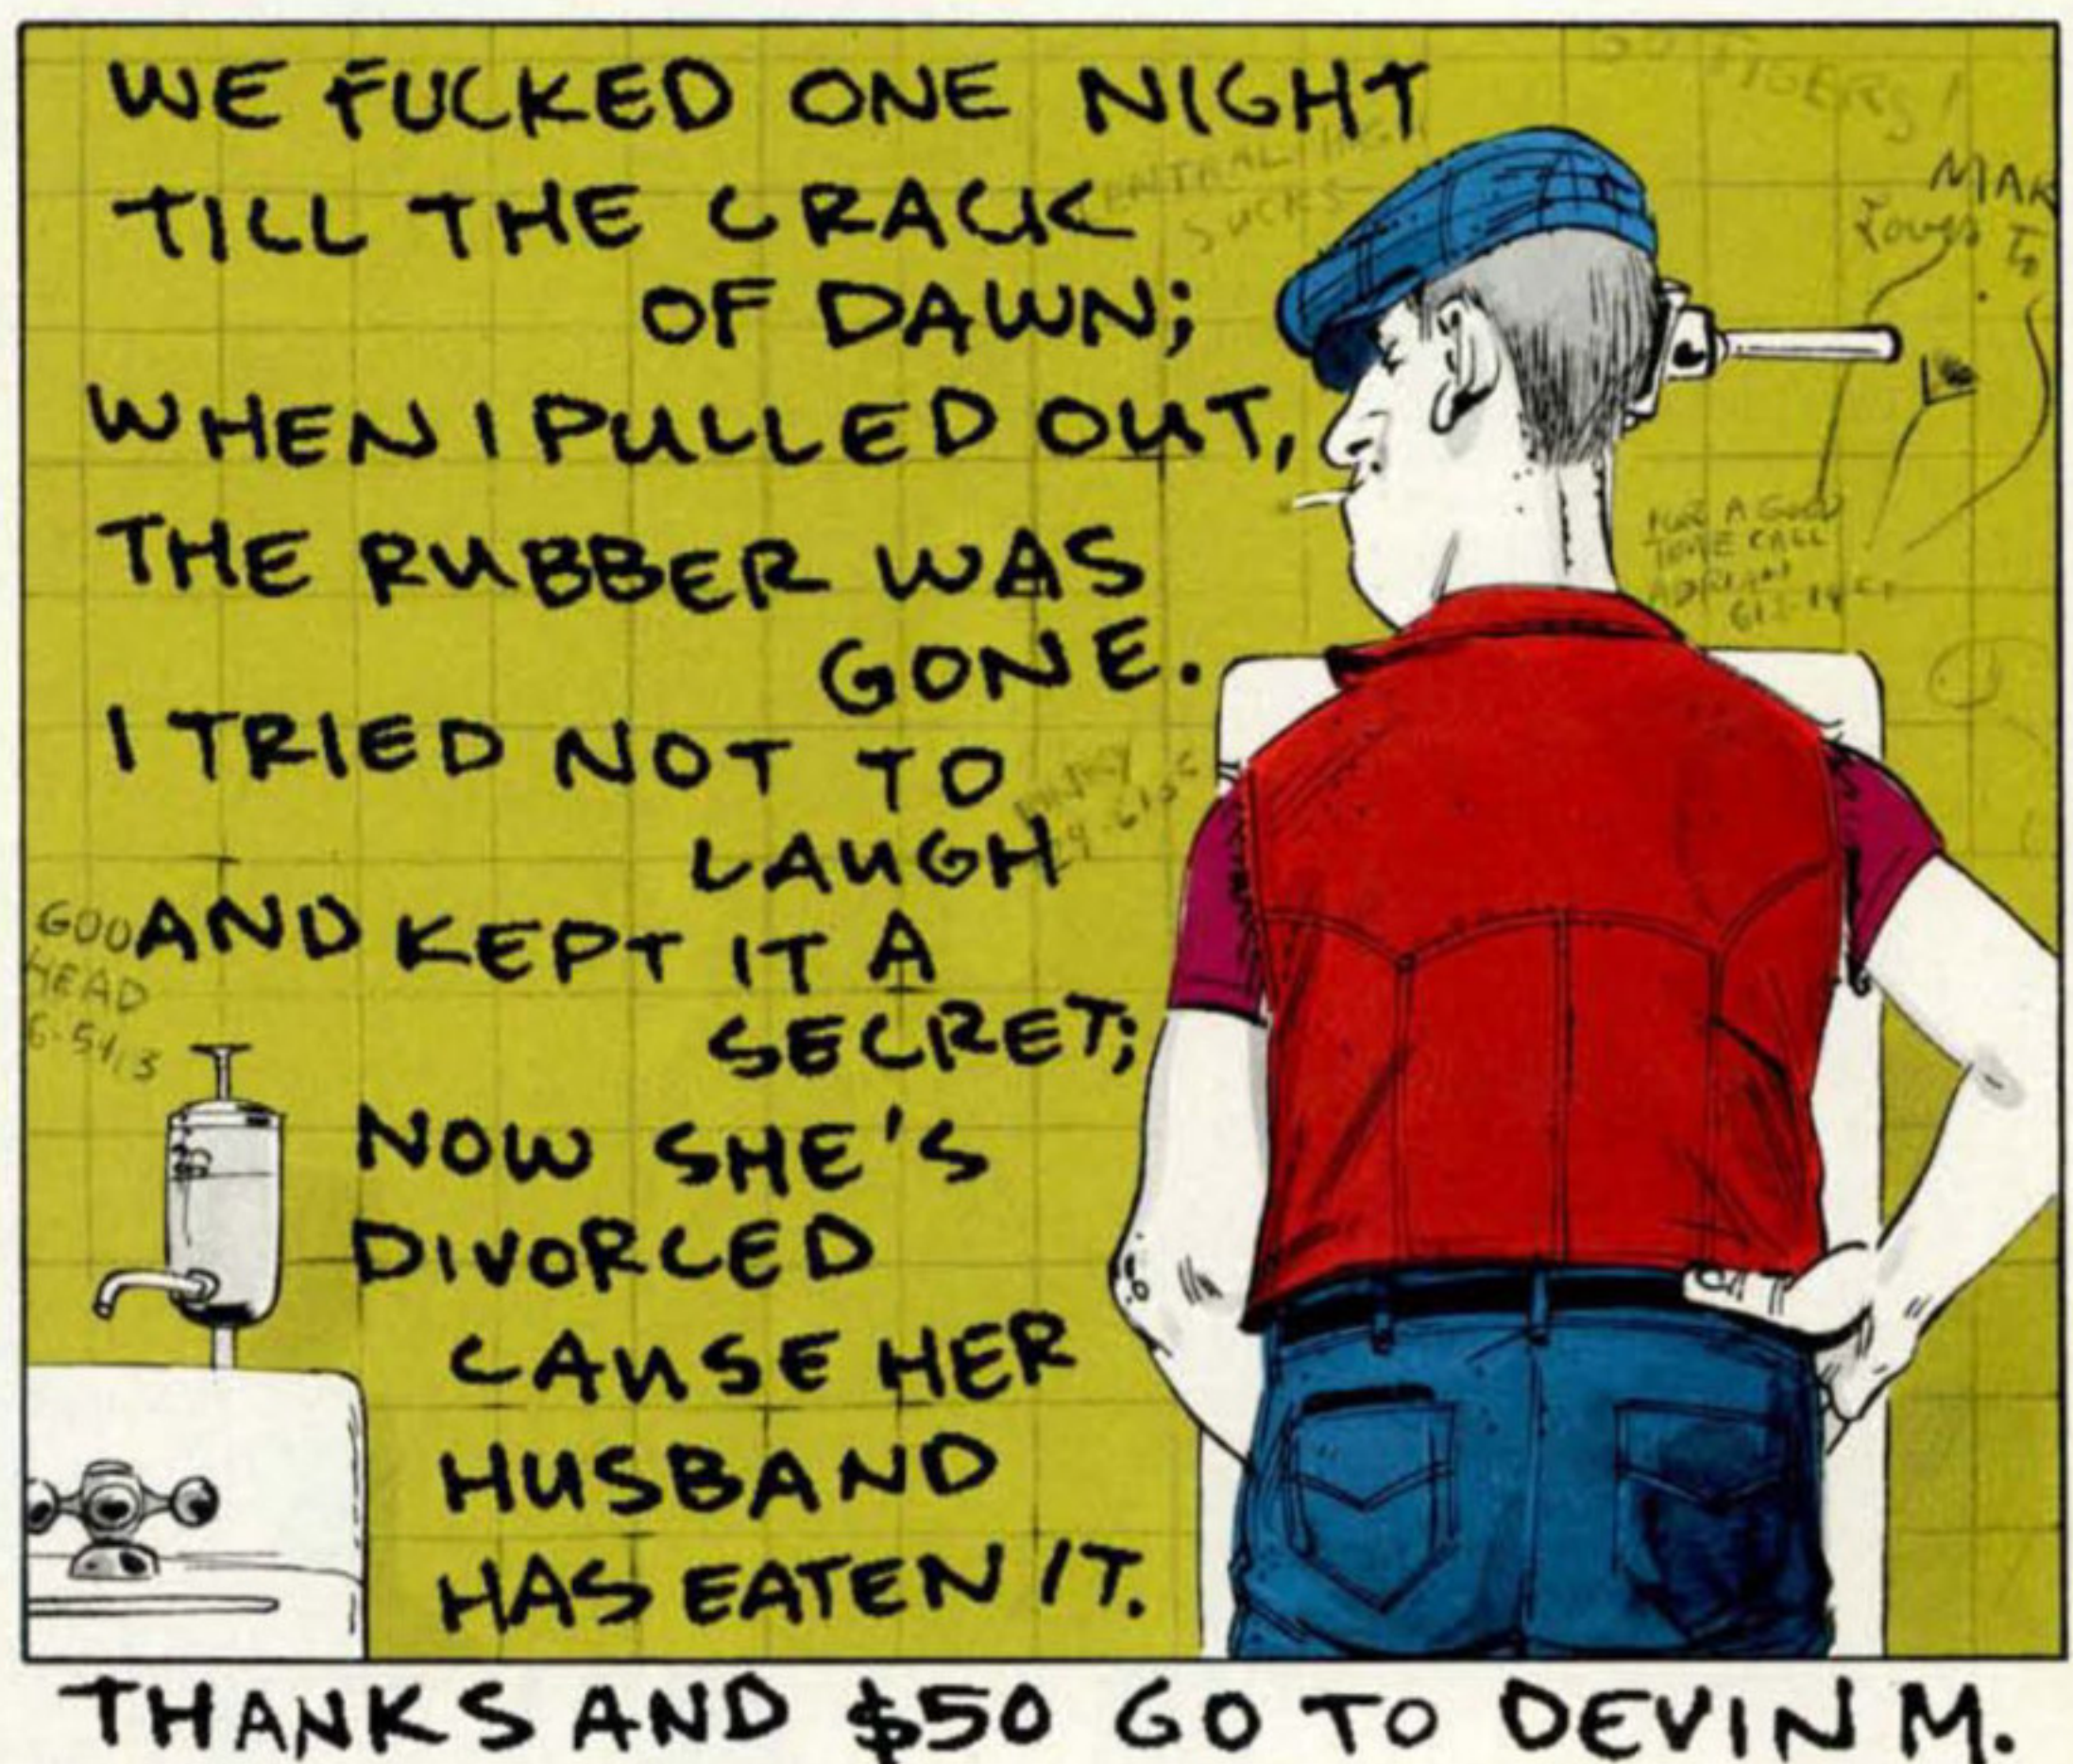

Fear of a Black Penis

This is in response to "Rainbow Copulation" in the October 1998 *Feed-back*. First of all, fuck you to HUSTLER for being a racist-ass magazine, with all your fucking black-slave jokes. Now to this little-dick, fucking cracker N. H. from Jacksonville, Florida, and the rest of you little-dick white boys out there, this is a fact: It's a white woman's fantasy to fuck a big black man's dick. I can see why you say that black males screw up America, N. H.: It's because you and the rest of the white-male race fear the black man and the black man's big black dick, and your white women love us. So fuck you, N. H., and I will fuck your white wife. Now print that in your racist-ass magazine, HUSTLER.

—D. W. Pittsburgh, Pennsylvania

HUSTLER racist? If you look carefully, D. W., you'll see that we exploit the comic elements of all races, creeds and colors with equal fervor. Your own race-

THE JERKOFF PAPERS

HUSTLER'S UNBIASED REV

The sex section of newsstands nationwide has erupted into a chaos of fragmentation. An array of niche titles confounds the sex-literature consumer: young girls, big boobs, legs, asses, Asians, black chicks, fetish—each competes for the particularizing perv. But what of the general-interest connoisseur of skin? Is his all-purpose wank mag on the wane? HUSTLER picked up a load of old-school men's magazines that have survived the specialty shakeout. Some deserve to live on, others do not.

PLAYBOY

(\$4.95*, Playboy, 680 North Lake Shore Drive, Chicago, IL 60611)

Perhaps the world's most recognizable magazine, *Playboy*, as guided by Hugh Hefner, pioneered naked women as a mainstream-publishing genre. *Playboy's* paper and printing quality are the best in the field, but the magazine has steadily backed away from the sexual content that is the only real reason for buying it. *Playboy* wraps its few girl sets in stories on sports, politics and entertainment, subjects that receive far more timely and incisive coverage elsewhere.

THE GOOD: Great graphics, some good cartoons, impossibly attractive women.

THE BAD: Two tons of superfluous editorial, and *Playboy's* models never show their fuck holes.

PENTHOUSE

(\$6.99, General Media Communications Inc., 277 Park Avenue, New York, NY 10172-0003)

Many years ago, *Penthouse* was the upstart that spurred *Playboy* to show bush. *Penthouse* later entered competition with HUSTLER for open-pink shots. *Penthouse's* pretensions to being a legitimate newsmagazine are more ludicrous than *Playboy's*, but Guccione's rag is running neck and neck with Larry Flynt's HUSTLER in pushing the boundaries of acceptable newsstand photos.

THE GOOD: Hard-core shots.

THE BAD: Terrible time-warp styling, takes itself way too seriously, stupid soft focus.

HUSTLER

(\$6.99, Larry Flynt Publications, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211)

America's Magazine will not shy away from controversy. Along with *Penthouse*, Larry Flynt's flagship is placing hard-core penetration-shots, real cum-shots and actual piss photos on everyday newsstands across America. HUSTLER offers the

nation's most inclusive, most objective coverage of the X-rated-film industry. HUSTLER's cartoons are the strongest of any men's title.

THE GOOD: Humor, raunch, Larry Flynt's guiding hand.

THE BAD: Has been perceived as mean-spirited, gross-out factor, an occasional model should have been left at the kennel.

CLUB

(\$5.99, Paragon Publishing Inc., P.O. Box 380, Sandy Hook, CT 06482)

Club has abandoned its oversize format and now appears in a package with little to differentiate it from everybody else. Originating in England, *Club* used to have girls who couldn't be

seen in any other Stateside publication, but British photographers now sell direct to the United States markets, and *Club's* girls are all sure to show up elsewhere.

THE GOOD: High quantity of photo-sets, girls are usually pretty, printing is adequate.

THE BAD: The photos are comparatively soft, and the magazine has only photos to recommend it.

THE JERKOFF PAPERS

HUSTLER'S UNBIASED REVIEWS

GENESIS

(\$6.99, Genesis Publications Inc., 210 Route 4 East, Paramus, NJ 07652-5116)

A slightly oversize format allows *Genesis* to bill itself as "The Biggest Sex Mag!" The large rag contains reviews of straight films, videos and records, coverage of sports, zines and the Web,

and an interview with Howard Stern, all of which is material handled better elsewhere. The Big Sex photos have a stilted, '80s feel, with similar lingerie and poses recurring to the point of boredom. A girl's skin may be red on one page and yellow on the next.

THE GOOD: *Somebody is making a living.*

THE BAD: *Somebody else is paying too much for what they're getting.*

VELVET

(\$6.99, Velvet Publications Inc., 40 Violet Avenue, Poughkeepsie, NY 12601)

Velvet has been a sleazy piece of shit for years, which is why it has survived so long. The package is chock-full of scum. Eliminate all anticipation of seeing anyone really pretty or any

photography or layouts that are crisp or imaginative. The writing is subliterate, and the quality of the color on the skin tones can be alarmingly sporadic, but every female in the pages of *Velvet* is a pure, guaranteed slut and nothing more.

THE GOOD: *Chicks all look like cum sponges.*

THE BAD: *No penetration, no real cum.*

OUI

(\$5.99, Princeton Publishing Inc., 14411 Commerce Way, Suite 420, Miami Lakes, FL 33016)

In the 1970s, *Oui* was a classy offshoot of *Playboy*, with world-class art, writing and photos. *Oui* is remembered as a hip, attractive, smart and sexy production with fine entertainment and jerkoff value. The name *Oui* was long ago sold off by Hefner and has passed through increasingly grubby hands. The current product has no resemblance whatsoever to the *Oui* of fond memory.

THE GOOD: *Has gone pink with the October 1998 issue, facial cum-shots.*

THE BAD: *A lot of that pink looks pretty brown.*

VIEW OF MEN'S MAGAZINES

CHIC

(\$6.99, Larry Flynt Publications, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211)

CHIC has labored in the shadow of HUSTLER, but lately this sister publication has branched out on its own. Photos are being commissioned from top photographers throughout Europe and the United States to bring the best girls the world has to offer. Writing is imaginative and humorous.

THE GOOD: No silicone, plenty of girls, excellent layouts.

THE BAD: Needs to go more hard-core and develop a defining personality.

GALLERY

(\$5.95, Montcalm Publishing Corporation, 401 Park Avenue South, New York, NY 10016-8802)

Gallery tries to emulate Playboy and Penthouse with its array of nonsex editorial features, but without the budget or the copy editors and with even less imagination. Every girl appearing in

Gallery will be seen in two or three other magazines. The girls are usually pretty and show open pink, though no insertion. The quality of the printing is relatively high.

THE GOOD: Extensive amateur section, a few decent shots of pussy.

THE BAD: Too few decent shots of pussy, many pages wasted on ill-advised editorial, such as an article on men's breasts.

HIGH SOCIETY

(\$6.99, The Crescent Publishing Group Inc., 801 Second Avenue, New York, NY 10017)

High Society has hung around for years in the second tier of jerkoff fodder. High Society's former pose as a porn-star insider sheet has given way to augmenting their basic-slut photo-sets with blurry shots of TV and movie actresses who were hungry enough to show tits or bush early in their careers. Don't expect any decent art direction or signs of creativity.

THE GOOD: Celebrity peek-shots.

THE BAD: Attempts at satire and commentary are flat, stupid or both.

SWANK

(\$6.99, Swank Publications Inc., 210 Route 4 East, Paramus, NJ 07652-5116)

Swank has gone through a number of incarnations during its long history, and it must go through at least one more if it intends to compete with the full-penetration pictorials being pushed by HUSTLER and Penthouse. The feature articles are accompanied by much better illustrations than you would expect from a pure jerkoff production, which is what Swank is.

THE GOOD: Lots of girls, many of them quite fuckable.

THE BAD: Printing quality is spotty, couples sets shy from hard-core.

VIEW OF MEN'S MAGAZINES

NEW RAVE

(\$5.99, Hemisphere Publishing Inc., 8693 Wilshire Boulevard, Suite 150, Beverly Hills, CA 90211)

New Rave trumpeted itself as a new breed of jerkoff magazine—a reinvention of the genre. The results have been one continuous disaster. No one at *New Rave* seems to know the

difference between an attractive woman and a fucked-out hag with 20 pounds of cancer sacks hanging from her chest. Did the art director learn his craft during occupational therapy at the Braille Institute?

THE GOOD: Only comes out once every other month.

THE BAD: Still comes out once every other month.

FOX

(\$5.95, Montcalm Publishing Corporation, 401 Park Avenue South, New York, NY 10016-8802)

In an attempt to be more than a crappy *Velvet* imitation, *Fox* has followed *HUSTLER*'s lead and begun showing finger insertion

and a dollop of semen on a model's face. However, some of the girls are openly ugly, and much of the photography verges on insipid. Huge, scarred breasts are presented as an asset. The magazine is chopped up and jumbled.

THE GOOD: Provides a home for photo-sets rejected by almost everybody else.

THE BAD: Hard to look at.

STAG

(\$6.99, Stag Publications Inc., 210 Route 4 East, Paramus, NJ 07652-5116)

Anything as old as *Stag* deserves some sympathy. Now published as a quarterly, *Stag* is a thin collection of standard girl-sets. If a *Stag* model seems overly familiar, it's because her photos appeared elsewhere two years ago. Chances are, she looked sexier in the other magazine.

THE GOOD: Won't take much time to look through.

THE BAD: Not a single arresting page.

*Prices may vary with specials and holiday issues.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

TONGUE-TIED

My boyfriend and I have been together for six months, and all he wants to do is give me oral sex. He refuses to have intercourse and insists that what turns him on is sucking me off. I realize that for many women, this all-he-can-eat deal would be a dream, but he's yet to have an orgasm in front of me. I'm starting to wonder what's wrong. Any ideas on why he prefers the appetizer to the main course?

—P. G.

Aberdeen, Washington

I suspect that your boyfriend's a virgin and hasn't told you. If that's so, he's probably not ready for the pressure of performing as a woodsman. Instead of burying his head in the sand, he's avoiding the situation by burying his face in your mound. It's time to talk to him. Be as nonconfrontational as possible. Try to coax the truth out of him, and tell him that you want to pleasure him. If he still clams up, relax, and enjoy his tongue until he's ready to splooge. He can't hold out forever.

DOUBLE DIPPING

In adult videos, I often see the actors alternating from vaginal to anal sex and back again. My wife, however, balks whenever I try this maneuver, claiming it's not sanitary. Can you give us the low-down on whether slipping dick between ass and pussy is a safe practice or not?

—E. H.

Riverside, California

Never, ever go from back to front! Little girls are taught from potty-training

days to always wipe from front to back, and there's a reason for this: booty cooties. What you're seeing in adult videos is smooth editing. Whenever there's an anal-to-vaginal transition, the camera stops rolling while the woodsman runs to the restroom and washes up for the vaginal insertion. Unless you make a pit stop for hygiene, your wife's nether regions are a one-way street.

IMPLANT UPROOT

When I was 19, I got a boobjob, and five years later I find myself regretting the operation. I'd like to have the implants removed. Will my renaturalized tits be saggy from having their skin stretched? Is it safe to keep the implants around in case I change my mind again?

—M. B.

Cheyenne, Wyoming

If your breasts ballooned from an A cup to a D cup, and you reverse the changes, it makes sense that some sagging will occur. I'm sure there's a cosmetic-surgery procedure that can prevent your breasts from resembling a pair of shar-peis if you decide to go through with the procedure. I wouldn't recommend storing your implants for further use; it would be unsanitary, and implants change their molecular structure after

being in your body. You might be able to recycle your fake tits as paperweights, but their bra-bursting days will be over.

TALKING TRASH

My girlfriend likes to talk dirty in bed, and I've agreed to return the favor. The problem is, all I've managed are comments like, "Faster, slut!" and "suck that cock!" No complaints yet, but I don't want her to think, literally, that I'm a fucking cliché. Should I be bringing HUSTLER to bed so I can whisper a more elaborate brand of filth in my filthy slut's ear while we play stroke and poke?

—L. S.

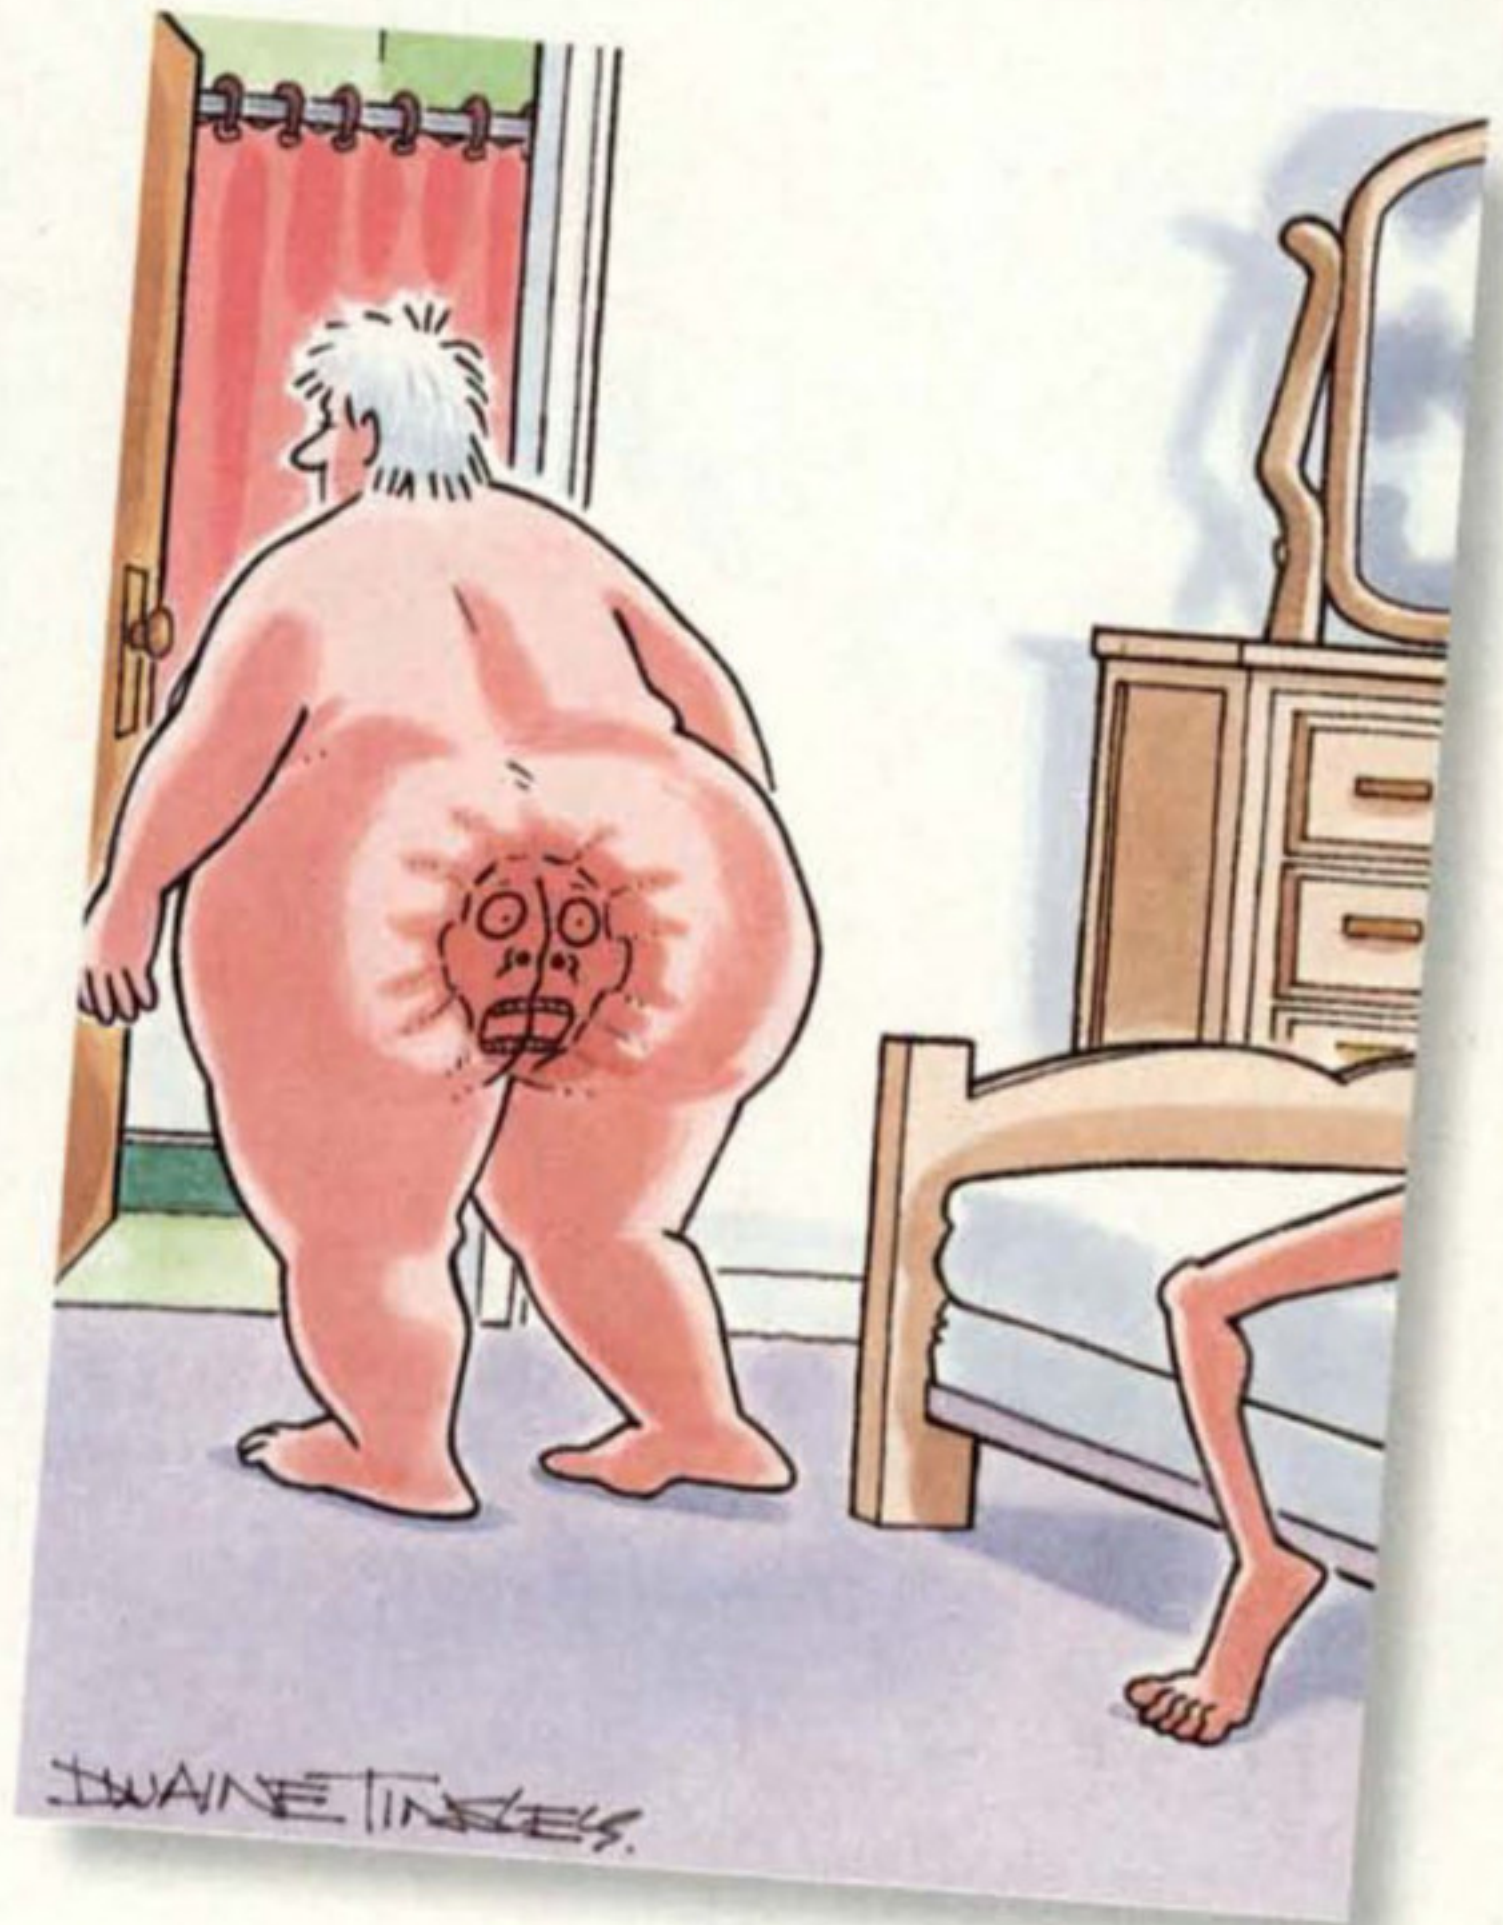

Brooklyn, New York

Excellent idea! You can't go wrong taking a HUSTLER or a Jeanna Fine video to bed with you for mental stimulation. I would recommend immersing yourself in back issues of HUSTLER (Call 1-815-734-1142 if your library's incomplete). Memorize any and all comments written by Christian Shapiro.

"Whose pussy?" Zoe demands, grabbing her incorrigible slave by the collar.

"Your pussy," Lilith cries, offering Zoe her wet mound.

"Your punishment," the heartless dominatrix whispers, "is my pleasure."

Dear Slut

Has your girlfriend ever strapped on a dildo and fucked you in the ass? If so, you know that anal penetration requires sensitivity, time and foreplay.

He is the master trash talker, and I myself have picked up many hints from him. Pretty soon you'll be whispering things in your loved one's ear that would make a drunken sailor blush.

PILEDRIIVER

My girlfriend won't let me fuck her in the ass. She says anal sex causes hemorrhoids. I say she's full of shit when she should be full of my cock. What's the real deal on the effects of poop-chute plundering?

—S. L.
Detroit, Michigan

Has your girlfriend ever strapped on a dildo and fucked you in the ass? If so, you know that anal penetration requires sensitivity, time and foreplay. Anal sex can cause hemorrhoids when done too frequently. All kinds of ripping and tearing can occur. At the other extreme, too much vigorous anal sex can gape your girlfriend's butthole, and she'll be shopping for Depends. Your opening statement leads me to believe that you lack the sensitivity to engage in injury-free ass-fucking. Your girlfriend has a valid reason for not letting you near her ass. I wouldn't either.

THREE'S A CROWD

When my girlfriend told me she's bisexual, I was naturally overjoyed. Over time, however, it's become obvious that she has no intention of bringing her female lovers into our sex life. I thought love meant sharing everything. Is she turning dyke on me?

—S. W.
Des Moines, Iowa

Love also means accepting that everybody needs to have a little something for themselves, sweetie. Your girlfriend's probably not turning dyke on you, but she definitely isn't ready to share this portion of her sex life with you. You're probably better off. Unless you have a 100% jealousy-free relationship, adding a third partner can only bring heartache. If you really need to satisfy your curiosity, ask your girlfriend if you can watch her play with her gal pals. Sitting back without touching may require more willpower than you have; so incorporate S&M into your voyeurism by asking the ladies to tie you up.

BLOW YOUR OWN

At my girlfriend's request, I've discovered that I can stick about half of my own cock into my mouth. With the help

of her stroking hand, I can fire off a load into my piehole and swallow it. I don't mind doing it, but it turns her on so much that lately I blow myself and eat my own cum more than anything else. Is this a common turn-on for women, or is she taking advantage of a unique situation?

—C. J.
via Internet

I'm having a hard time believing your story to be true. I'd like to verify this phenomenon myself. Could you please videotape yourself next time and send a copy to my fan-club address (Another Fine Mess, 306-N West El Norte Parkway, Suite 454, San Diego, CA 92026)? I'll get back to you in a month or so, after I've carefully examined this video several times a day. Yes, your lover may be taking advantage of your extraordinary ability, but I can't blame her.

MOTHER'S LAY

My wife is five months pregnant with our first child, and my dick isn't interested in plugging her bloated bod. I told her that I'm concerned about the baby's safety, which I kind of am. Please tell me if it's dangerous to fuck during preg-

nancy so I'll know if I'm lying to her or if I have a valid argument.

—J. F.
Baltimore, Maryland

First of all, I must say that you're an insensitive pig. This woman is about to give birth to your offspring, and if she's anything like me when I was pregnant, she's extremely horny right now. I was a walking clitoris in the last trimester of my pregnancy. In fact, I think I induced my labor two weeks early when I sank a very large dildo home for an hour! Sex, as long as you're not pounding your wife's pelvis to bits, will not harm the baby. It wouldn't hurt for your wife to talk to her ob-gyn, but unless there's an unforeseen problem, I'm afraid she's entitled to tell you to pull out your selfish schlong and service her.

FEEDBACK

(continued from page 13)

related generalizations aside, we appreciate the fact that you took time out from fucking all those white women to provide your input.

Fan of a Black Penis

I would like to respond to the letter in the October 1998 HUSTLER regarding interracial pictorials ("Rainbow Copulation," October 1998 *Feedback*). I am a white male and find no problem with these layouts. In fact, I enjoy them immensely and would suggest more, not less. After all, we are buying your magazine for entertainment and fantasy. If you aren't mature and open-minded enough to handle the provocative nature of HUSTLER, don't buy it, and don't whine.

—R. B.
Belleville, Michigan

Testify, Brother R. B.! You show remarkable insight for a little-dick white boy. You don't happen to have a wife that D. W. can fuck, do you?

Toeing the Line

I read HUSTLER regularly, and I love it! I can only voice one complaint: You never feature enough barefoot women! I have a tremendous foot fetish and would love to see more of that in your pages. I'm writing in hopes that you have some photos of barefoot models, where their toes and toenails are clearly visible, that I may purchase.

—M. J.
Atmore, Alabama

We have plenty of them, M. J.—in the pages of HUSTLER'S LEG WORLD. While HUSTLER strives to strike a balance between covered and uncovered peds, HUSTLER'S LEG WORLD features a bounty of barefoot beauties.

Limey Lament

As a British reader and subscriber to your magazine, I would first like to say well done. The issues so far this year have been superb. Unfortunately, October's issue did not reach me because it was seized by British customs, who promptly sent me a letter telling me it was "obscene material." Obviously, the fight against hypocrisy and narrow-mindedness is far from over.

—R. S.
Via Internet

The blokes at customs are probably still bitter over that Revolution thing, and naturally wish to prevent America's Magazine from crossing the pond.

Scout Shout

I've been buying HUSTLER'S BARELY LEGAL for some time, hoping that you will publish winners from your Beaver Scout amateur photo contest. I have not seen anything yet. I also noticed that Bobbie of Huntsville, Alabama, was in BEST OF BEAVER HUNT when she had been in BARELY LEGAL's amateur contest. Are we going to get amateur-photo-contest winners in BARELY LEGAL, or is BARELY LEGAL simply a recruiting ground for HUSTLER? What gives?

—C. N.
New Ulm, Minnesota

We feature Beaver Scout amateur-photo-

contest winners in HUSTLER layouts in order to spread the wealth of nubility to as many readers as possible and to acknowledge the inevitable transition from postadolescence to full-blown adulthood. The sad truth is, beautiful girls grow up. The good news is, they usually grow up to be beautiful women.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

OH, CHRISTMAS THREWAY

My lady gave me the best Christmas gift ever—her girlfriend's twat! With, of course, my lady's gleet-glistening face plastered on top.

Each year, Kris battles to find me the perfect present. And each year, she fucks up. I've received clothes that were too small, a watch that didn't work and a pocket television that only picked up Mexican stations. Being an incredibly considerate, sensitive type of guy, I try not to let the dumb cunt know how useless her efforts are. It's the thought that counts, right?

Well, this year she must have found her thinking cap, because Kris dreamed up a doozy. She's seen me checking out her best gal pal, Alex, for months. Alex is a six-foot bombshell with major bazooms and long, chestnut hair. The booming bitch moonlights as some kind of stripping telegram girl; I'm not really sure about the details, as I tend to lose my mind when Alex talks about peeling off her clothes.

Keep in mind that Kris is also one hell of a fucking knockout. Her small frame and oversize chest make for a hot little package. People on the street say she looks like Jerry Seinfeld's ex-jizz jar Shoshanna Lonstein. Except Kris is not Jewish—and her mams are even more awe-inspiring.

I woke up Christmas morning to an empty bed. Not a surprise, really; Kris is usually so excited to present her season-

al abomination, she can hardly sleep. Filled with dread, I threw on a robe and plodded downstairs. The sound of moaning floated from my living room. Had Kris made a decent choice and purchased a porn tape for me? If so, the title was probably *Ron Jeremy's Greatest Self-Cocksucking Scenes, Volume 23*.

When what to my wondering eyes should appear, but Kris with her tongue jammed up Alex's rear! The tall goddess propped herself against the wall next to our Christmas tree; Kris plunged Alex's plumbing in a noisy manner. Both girls had taken the extra effort to tie green and red bows around their waists. I reeled back from the sight and took a second to catch my breath.

Alex, alerted by my heavy breathing, turned to face me. "Happy holidays, you horndog."

"Same to you," I replied, dropping my

bathrobe faster than the Virgin Mary squeezed out Jesus in the manger. "And as for you, Krissy baby...." I lifted her fair bottom, still allowing the bent-over babe to taste her best friend's charms. Kris's poon was overheated, and a doggy-style entry was slick and easy.

"Yesss," hissed Kris, her ecstasy muffled by the meaty labes that draped over her lips. My hands gripped my honey's bum; I intended to fuck the shit out of Alex, but I had to show some appreciation first.

Shoving deeper and deeper into the depths of Kris caused Alex to moan ever more wildly. Every stroke and parry brought out the closet lesbian in my significant other. I've heard her call out names of supermodels and soap actresses in her sleep, but I never suspected Kris would actually bring home the pink

Max World #14

THREE-QUARTERS
ERECT

Directed by Max Hardcore;
starring Zina Fox, Andrea O., Donna,
Gerry Lee and Max Hardcore.
Videocassette: Filmwest.

Mixing dark humor with utter crassness, Max Hardcore makes the viewer shudder, laugh and come at the same time. Debasement is Hardcore's art, and he paints with hilariously broad strokes in *Max World #14*. Playing drill sergeant, Hardcore puts filthy words and his spit-soaked cock into the mouth of Zina Fox, a 21-year-old and engaged-to-be-married Utahan. "Sorry, dear, I'm gonna be a little late tonight," the slim, brunet Fox tells her fiancé as Hardcore's spuzz drips from her chin. Goose-stepping to *der Deutschland*, Hardcore celebrates Teutonic tart Andrea O.'s 18th birthday by ravaging her virgin shit-pit. No cake and candles here; Hardcore slaps the palpably frightened blonde's face and hawks loogies into her open piehole. Pigtailed English *kinder* tramp Donna receives a dick-and-dildo anal DP before the wild-eyed director rains nut paste onto Donna's pudgy face and sardonically growls, "You're special." *Max World #14* is more than special—it's downright demented.

Directed by Wesley Emerson; starring Kelly O'Dell, Nico Treasures, Alexis Dane, Caresse Savage, Malina, Micky, Cori Kase, Monique DeMoss, Kristi Mace, Summer Cummings, Skye Blue, Tony Tedeschi, Michael J. Cox, Dave Hardman, Mike Homer, Alex Sanders, Vince Vouyer, Justin Myers, Frank Zee, Mickey G., Jon Dough, Justin Ninn, George Kaplan and Talliesia. Videocassette: VCA.

REVIEW

In *Raw Footage*, monstrosities of unfunny dialogue flow from porn-actor lips like a flood of raw sewage from a broken main. The laboriously developed plot is a story-within-a-story about a lunatic screenwriter's attempt to make a futuristic XXX drama. Promising glimpses are shown of a bright future that abounds with plastic-boobed bimbos who dress vaguely like Nazis and boast imitation grins and legs that spread easy. The scene in which the teen-timed sex deviants Skye Blue and Summer Cummings sodomize each other with a dildo speared on the tip of a police baton like a hotdog is inspired. Unfortunately, lively fuck scenes are put to death by the unrelentingly dumb inside jokes about other XXX directors. *Raw Footage* is rotten.

Cop Sucker II

TOTALLY LIMP

Directed by Joe D'Amato; starring Christi Lake, Kimberly Jade, Alexandra Silk, Mila, Mercedes, Oliver Sanchez, Vince Vouyer, Kyle Stone, Nick East and Dave Hardman. Videocassette: Moonlight Entertainment.

Veteran skanks Christi Lake and Alexandra Silk commence *Cop Sucker II* with sapphic gymnastics in a jail cell. A uniform dick enters, pries apart the limb-locked lesbians and drills for turds in Lake's back spread. Extracting his wiener from Lake's posterior, the dick sprays skanks with scum. Lesbo, anal, facial. It seems *Cop Sucker II* will be a routine tour of familiar triple-X territory. The arrival of blond butt freak Mila portends danger. Mila quickly hijacks the routine production into the realm of the bizarre. Grunting like an ass-raped trucker, Mila thrashes wildly as Dave Hardman plunges her anal sinkhole. Hardman discharges his load in Mila's colon, then steps back as her turd rings wriggle and squirm. Mila's shitter spits out a dribble of spent jizz, then begins to hiss. Goopy bubbles form over her butt lips. In a horrifying instant, Mila's rectum plops inside out, bringing to mind the exploded intestines of a run-over opossum. Mila grins, the proud owner of a deformed butt-hole. The visual atrocities of *Cop Sucker II* should be avoided like a stay on Death Row.

I Luv Asians #4

HALF ERECT

Directed by Don Fernando; starring Mia Smiles, Ami, Osama, Lani Reyes, Lee Von, Almond Joy and Don Fernando. Videocassette: Hollywood Video.

Ever go into a Chinese restaurant and yearn to plant your fleshy egg roll in the cashier's yellow yoni? If so, *I Luv Asians #4* satisfies. Director Don Fernando doesn't always pick the ripest cherries on the tree—full-figured Filipina Lani Reyes resembles a

sumo wrestler—but what these Far East cock eaters sometimes lack in physical perfection, they make up for with a genuine thirst for dick. Tokyo transplant Amy, 22, backs her drum-tight, pink lily onto Fernando's spuzz stick and bucks with joyful abandon. Compact, Indonesian cum guzzler Osama moans and writhes like a woman possessed when treated to Fernando's vaginal visitation. *Asians* would be a more spunk-worthy stroke flick if it weren't for Fernando himself. Fernando sabotages his own efforts with insipid commentary. He deflates the viewer's interest with lectures on cultural anthropology. Worse, he tends to blow his batter early, which is almost a relief when it cuts his monologues short. Fernando breeds contempt, but *I Luv Asians #4* is lovable. —S.A.

Angels' Quest

TOTALLY LIMP

Directed by Carolyn Monroe; starring Carolyn Monroe, Dolly Golden, Jennifer Dior, Chip Marlow, Angel de Amore, Gina Rome, Tina Burner, Chris Charming, Kimi Ji, Marc Barrow, Steve Marlow, Jean Philip Demont, Claudio, Don Fernando, Ramon Fernandez and Dave Hardman. Videocassette: VCA Pictures.

Anyone unlucky enough to know the pain of having a chick scamper off in the middle of a blowjob to answer the phone, sulk or paint her toenails will understand how annoying *Angels' Quest* is. *Angels' Quest*; a takeoff on *Charlie's Angels*, surpasses the original in dumbness of plot and stupidity of dialogue. Dumbest of all is the director's choice to cut away from critical copulation scenes before climax is achieved. An implant blonde with kooky nipples is boned in a cheap motel by an old bald guy and a young sidekick. The potentially so-so scene is destroyed by repeated jump cuts to shots of fully clothed cunts yammering to each other at various unconnected locations. Each truncated humping that ensues relies on the jerk-away editing technique, leaving the viewer with a shriveling putz in his angry fist. Show some respect to the jackoff laboring to pull his own load. *Angels' Quest* fails. —M.A.

COP SUCKER II: Silk chokes Stone's bat.

Hard to Swallow Volume 2

THREE-QUARTERS
ERECT

Directed by Rodney Moore;
starring Stephanie Kane, Casey,
Shea Roberts, Tangerine, Bobbie Bliss,
Goggle Girl and Rodney Moore.
Videocassette: X-Traordinary.

In the opening scene of *Hard to Swallow*, porn-vérité auteur Rodney Moore slurps the toes of sleepy-eyed *über* tramp Bobbie Bliss, suggesting that *Swallow* may be a foot-fetish vid. This false impression lasts only until Moore whips out his mammoth tongue depressor and probes the tonsils of fresh-faced nubile who possess cum-guzzling skills far beyond their years. Moore has done an admirable job in collecting a gaggle of spuzz-worthy ginches. Bliss, apparently born with extra salivary glands and no gag reflex, convincingly imitates a rabid dog as Moore fucks her face into a gloriously frothy, drool-dripping mess. Sassy gamine Tangerine, looking almost underage, swallows Moore's sword to the hilt and demands, "You gonna come on my face?" If Moore's you-are-there camera angles didn't put the viewer squarely in the action, intense jealousy would be in order. *Hard to Swallow* is easy to stroke to.

Sexual Outlaw

ONE-QUARTER
ERECT

Directed by Cleo Edwards;
starring Lexus, Daisy Love, Ruby,
Katie Gold, Chandler, Shane Tyler,
Alex Sanders, Brad Armstrong and
Joel Lawrence.
Videocassette: Vivid.

Deviating from the standard porn template, *Sexual Outlaw* employs poor sexual performance as its central plot element. A limp-noodled milquetoast is dumped by his wife, Lexus. Milquetoast attempts to slice into a pair of willing vixens, but can't keep his blade up. When Milquetoast finally achieves tumescence, he oozes a pathetically premature dribbling of dick sauce. The twist? Milquetoast's floppy fuck pole only responds to the verbal abuse. The problem? His libidinal lethargy is contagious. *Sexual Outlaw* is loaded with quality quim—a Ginger Spice-gone-bad, reform-school type here, a shit-hot, muff-sucking redhead in a maid's uniform there. Unfortunately, the comely displays make the rote rutting even more frustrating. Blond, buff and beautiful, Lexus is aesthetically worthy of her box-cover status. On tape, she takes labia licking and doggy-style boning alike with the enthusiasm of a coma patient. *Sexual Outlaw* should remain outlawed. —S. A.

ANGELS' QUEST: Dior laps Monroe's snizz.

HARD TO SWALLOW VOLUME 2: Bliss begs for a blood bone.

SEXUAL OUTLAW: Gold offers Sanders a rump ride.

Dark & Dirty Triple X

On the Set of Gregory Dark's *Psycho-Sexuals 2*

Porn director Gregory Dark's left biceps is inked with an image of Satan that bears a likeness to Dark's own face. Dark's similarity to the Evil One is only skin-deep. Beelzebub was banished to hell, where he is lord of the damned; Gregory Dark is a free man in the earthly paradise of Southern California, where he is the prince of porndom. Satan burns in eternal flames; Dark basks in his recent MTV-award nomination for directing a Cherry Poppin' Daddies video. By several counts, Gregory Dark outshines the Prince of Darkness.

Dark has become the only triple-X director to achieve recognition in the world of blue movies and mainstream music videos.

Dark's videos for Sublime, Onyx, Mo Thugs, Tha Alkaholiks and Ice-Cube have earned top positions on play lists for MTV and BET. More recently, Dark has been hard at work on the sequel to 1997's hard-core *Psycho-Sexuals*, for which he won Best Video Feature from the X-Rated Critics Organization.

On the set of *Psycho-Sexuals 2*, Dark paces impatiently as Shelby Myne and Shayla LaVeaux delay shooting to apply

gobs of anal lube to each other's sphincters.

"It would be infinitely better if girls had naturally greasy bunnies," Dark observes. "Except, they'd squish noisily when they walked in the supermarket."

"We've got the dildos," a production assistant announces, breaking Dark's reverie on self-lubricating turd rings.

"Oh, goody! I want the big one," Shayla LaVeaux shouts, grabbing a large, chrome cunt pounder.

"Action!" calls Dark.

Myne and LaVeaux grapple on the floor as they make tongue-and-groove joinings and impale each other's pink with digits, tongues, toes and dildos. The scene neatly encapsulates a variety of sins, each of which has its place in hell. In addition to female homosexuality, oral and anal sodomy, adultery comes into play with the arrival of Pat Myne, real-life husband of Shelby Myne.

"Jack off, and drool on yourself," Dark orders Pat, who drops onto a couch and complies. LaVeaux crawls between his legs and licks his nuts. Pat's wife, Shelby, squeezes into the fray. She sucks her husband's cock, then pops it into LaVeaux's mouth.

Dark shoots for hours, covering every angle and position with a variety of cameras and lenses. Satisfied, he allows Pat to perform the climactic cornholing of Shelby.

"I'm tired," Dark murmurs as Pat pistons Shelby's shit cylinder. "As soon as I wrap this, I start shooting my Xzibit video on Monday."

There is no rest for the wicked.

*The sickness to come in *Psycho-Sexuals 2*: Inari poses with the wrapping from her master's bone.*

Red Vibe Diaries 2

THREE-QUARTERS
ERECT

Directed by James Avalon; starring Stacy Valentine, Petra Sexton, Misty Rain, Holli Woods, Alyssa Allure, Clarke Irving, Ian Daniels, Julian, Sean Rider, Chad Thomas, Peter North, Marc Wallace, Vince Vouyer and Tony Tedeschi.

Videocassette: Metro Home Video.

Anyone who says fat is bad for you hasn't enjoyed jacking off to Stacy Valentine's abundantly appealing, porcine rump sizzling on a poker as she squeals with delight. Valentine is a whore in *Red Vibe Diaries 2* married to lunkhead doctor Tony Tedeschi. Tedeschi is too busy to pork Valentine; so she sells her expansive ass for kicks at a Beverly Hills trick pad, prowled by well-dressed scumbags like Vince Vouyer. Baby-faced strumpets Holli Woods and Alyssa Allure liven up the whorehouse by bobbing and gurgling on a john's vein pole; Allure gobbles it whole in her hungry crap mouth. Valentine happily plays rent-a-fuck-pig for several bonemen. Vouyer turns psycho and sends her trotting home to Tedeschi's jumbo schwanz. Is there a moral? *Red Vibe Diaries 2* suggests there's no whore like a married whore.

Black Label

THREE-QUARTERS
ERECT

Directed by Pierre Woodman; starring Bagheera, Anita, Wanda, Susan Nilsen, Katja Kean, Kiki, Anastasia, Theodora, Eva Roberts, Carla, Claudia, Gabriella Wolf, Henriett, Monika, Sofia, Mira, Alain Deloin, Francesco, Tibor, Tony Banana, Tony Toscani, Richard Langin, Andrew Youngman, David Perry and Jean-Yves le Castel.

Videocassette: Private.

What is the most beautiful site on Earth? The Grand Canyon, a Tahitian beach at sunset or Bagheera's French-chocolate face stuffed with cock? Viewers of *Black Label* quickly eliminate the Grand Canyon and Tahiti, but choosing the most beautiful remains a tough call. *Black Label* is loaded with prime cunt. Alain Deloin plays a French working schlub, a postal worker married to

a hot piece of ass played by Anita. Anita has black hair, witchy green eyes, uplifting tits and ass globes like ripe, equatorial melons. The problem is, Anita is a nymphomaniac, and Deloin is sick of fucking the bitch ten times a day. After slapping the morning's post-fornicate ball slop onto Anita's kisser, Deloin goes to work, buys a lottery ticket, makes a special delivery to a tartish customer's rearend, comes home, force-feeds his wife's insatiable bunghole, wins 65 million francs in the lottery, dumps his wife, goes to the office, tells his blond cunt boss he's quitting his shitty job, punks her out on the desk, DP's champagne-drenched whores with a buddy and flies to Bora Bora in search of tropical sluts. All of life is beautiful in *Black Label*.

Hardcore Hotel

TOTALLY
LIMP

Directed by Kovi; starring Helen Duval, Katerina Rinaldi, Frank Gunn, John Walton, Niki Black, Tunde, Simona Osborn, Wanda, Shinella, Krisztina, Yogi Bear and John Lenin.

Videocassette: VCA Pictures.

A classic example of porn taking itself too seriously, *Hardcore Hotel* features a laughably lousy storyline, stiff acting and limp sex. Helen Duval, looking like a cross between Marilyn Monroe and Phyllis Diller, is locked in her Budapest hotel room while her betrothed attends a "meeting" at the local strip club. A helpful, horny handyman liberates her, and a shopping excursion/three-way ensues. The maintenance stud shoves his wrench down Duval's throat as a borderline-elderly clerk pierces her pink purse with his sexagenarian sausage. Returning to find Duval missing, hubby summons a buxom, blond cop. He faints with relief when a fresh-plugged Duval arrives, and the pair of fair-haired fuckbots administers mouth-to-dick resuscitation. Passionless hump scenes dissolve to matrimonial squabbles to a dangling robbery subplot to disjointed couplings across Budapest's rotten core. Confused? Your dick will be too. *Hardcore Hotel* should be condemned.

Jill Kelly, Brooke Lane, Liza Harper,
Ashley Renee, Raylene, Jeanna Fine,
Valentino, Eric Price, Billy Glide,
Brick Majors, Earl Slate, John West,
Colt Steele, John Decker, Peter Romero
and Roberto Rose.
Videocassette: VCA Pictures.

Forever Night is a cheesy, glammed-out, goth XXX vid that plays like *Dark Shadows* redone as an '80s heavy-metal video. "I curse people that mate," rails Roberto Rose, the misanthropic master of a fucker-filled castle at the start of *Forever Night*. Director Michael Ninn evinces a similar disdain for pornography. Ninn relies on slick, TV-commercial-grade techniques to gloss over the filth and dress up the sleaze to look like outtakes from a *Victoria's Secret* catalog. Stacy Valentine serves pork pie and brown winker for a double penetration that Ninn's polished style renders as hard-core as a Hallmark card. Valentino burns rubber down Jeanna Fine's Lincoln Tunnel vage, but Ninn makes it look as dull as a Sunday drive to Grandma's. *Forever Night* induces sleep. —M.A.

BLACK LABEL: Perry eases into Sofia's rearend.

Sodomania 24: Tease Me...Please Me!

THREE-QUARTERS ERECT

Directed by Patrick Collins; starring Raylin, Erika Bella, Taylor Moore, Jessica Darlin, Ashley Renee, Ashley Dawn, Tiffany Mynx, Jessica, Raquel, Vince Vouyer, Peter North and Earl Slate. Videocassette: Elegant Angel.

Does the absence of pop-shots make the dick grow harder? That's what Patrick Collins bets on in *Sodomania 24: Tease Me...Please Me!*, a well-lensed exercise in delayed gratification. Spuzz does fly, but the vid's pork-happy players inch their way toward the old lick-and-stick via prolonged dry-humping and heavy-petting sessions. Wide-eyed blonde Raylin, who looks like Tori Spelling after a very productive day at the plastic-surgeon's office, is denied dick by Vince Vouyer. After a little sole kissing and a lot of whining by Raylin, Vouyer pistons her turd tunnel and blasts her honey-colored ass cheeks with pearl jam. In the vid's scrote-bloating, cunt-crammed finale, Vouyer pulls triple duty on Tiffany Mynx, Raquel and Jessica, stuffing their nine collective cock sockets in short order. Lined up like baby birds at feeding time, the sluts catch thick strands of Vouyer's silly string on faces and tongues. *Sodomania 24* satisfies—in its own sweet time. —S. A.

Broken Dreams

HALF ERECT

Directed by Frank Thring; starring Miralda, Goldie McHawn, Gabriella, Angelica Sin, Mike, John Walton, Rich Handsome, Nick Lang and Frank Gunn. Videocassette: Private.

Broken Dreams is mixed up. Scorching beauties from Europe are drilled in artfully depraved scenarios, but the exquisitely spuzz-worthy moments occasionally slip away as the lensman focuses on eye-polluting imagery. Svelte sleaze vixen Angelica Sin writhes, pinned to the floor with a cock nailing her keister. The viewer's hand beats furious approval. The camera cuts from Sin's pul-

SODOMANIA 24: Slate bitch-mounts Moore.

BROKEN DREAMS: Sin performs butthole gymnastics.

chritudinous bung porking to a close-up of a fat, bulging wiener bouncing toward the lens as if into the viewer's eye. The cavalcade of kink goddesses in rubber French-maid gear, garters, knee-high boots and latex is enticing, but closer examination reveals an irritating rash of bad cunt haircuts. Sickening views are presented of bald, pimple-pocked pussy folds that resemble uncooked chicken skin. One unfortunate beaver has been sheared down to a thin,

crooked swoop of bat wings across the pubic bone. Another lopsided, scraggly tufted muff looks like Willie Nelson's beard. The arrival of Miralda rescues *Dreams* from the doldrums. Miralda is tall and lean, with high, wide-apart whammies. Best of all, she is in a dog collar and available to the three dudes who lead her into a fuck chamber and gangbang her into a satisfying stupor. *Broken Dreams* looks pretty, but it's frequently out of order. —M. I've learned to deal with Eddie's anal fixation, but the discovery process was slow and messy. Of course, that's exactly how Eddie likes it.

bacon. Growing more appreciative—and erect—by the second, I wrecked the sweet, young thing's cute clam with devastating jabs.

"That looks good," purred Alex. "I can't wait until you do me like that...and I get to taste your girlfriend's fuckhole." The obscene exhortation caused me to pick up my pace. After all, I love Kris's clean-shaven scrunt and perfect, round fanny, but I could be porking those attributes for years. The main objective was to pop malt, watch the girls do each other for a while, then force myself onto Alex's bodacious bod.

"Shake that ass," I commanded, and Kris obeyed like an elf in heat. Her increased friction coaxed the best kind of electric tingling from my tool. Shouting, "Oh, *ohhh*, *yeahhh*, oh, yeah, baby," I unleashed a chum volley of stickily volcanic proportions. The remainder dribbled down Kris's leg, to be quickly slurped up by an attentive, hungry Alex.

Sounds perfect...but it wasn't. Kris never actually intended to let me bang her buddy. She sent Alex into the other room to dress, then asked if I enjoyed myself. For the umpteenth year, I thanked her for the gift through clenched teeth. The good news is, Alex was so impressed by my performance, she started fucking me behind Kris's back! It really is a wonderful life.

I SAW MOMMY PISSING ON SANTA CLAUS

People feel so sorry when they find out my eight-year-old son, Duncan, has leukemia. Never mind that Dunky has outlived the doctor's diagnosis by 14 months. All anyone can think about is the possibility of this being the cute moppet's final Christmas. I felt the same way last holiday season, and I ruined many festive moments with my uncontrollable crying jags. This year, however, a positive outlook has me spraying bodily fluid of a different color: piss yellow!

That's right...I'm creaming for a wet Christmas. Golden showers have given me a new release on life—and it's all thanks to Eddie. My pervy new boyfriend is the third guy I've shacked up with since my husband died (also, ironically, of leukemia). None of my previous lovers have possessed a kinky imagination to match Eddie's gift for fetish fun.

Take, for example, the night we decided to stay home and watch pay-per-view. The movie was an utter pile of shit titled

The Postman. After 20 mind-numbing minutes of watching Kevin Costner roll around in the dirt, Eddie angrily pushed me off the couch and wedged a spit-soaked finger up my old dirt trail.

"Fuck this boring crap," he grunted, burying a final knuckle in my bung. "I'll show you how to play postman." With the hand that wasn't violating my burning backside, Eddie grabbed a pen and paper from the coffee table. I had a bad feeling about his ballpoint intentions; sure enough, the bad feeling traveled quickly to my sphincters as they were forcefully wedged apart by the Bic's plastic intrusion.

"Woahhh," I huffed, trying not to tense up. I've learned to deal with Eddie's anal fixation, but the discovery process was slow and messy. Of course, that's exactly how Eddie likes it. With the pen protruding from my buttocks like a second tailbone, my sadistic master guided me into a squatting position.

Eddie leered, "I want you to write the word *slut* on this Christmas stationery. And you're not allowed to use your hands." The visibly erect bastard was totally humiliating me...and I loved it! My moist, exposed quim actually leaked a droplet of love juice onto the blank page. Mustering all the penmanship I

could manage in such an aroused state, I wiggled my inflamed lower regions to take a crack at Eddie's impromptu spelling test.

"Crossing the T is a bitch," I grouched. I stirred my stewy clam with my middle finger for writer's inspiration. The naughty grin that stretched across Eddie's sexily cruel face let me know I passed with flying, amber-tinted colors. He gently removed the inky invader from my raw shithole.

"What a beautiful message to send the relatives back home," beamed Eddie, admiring the sloppily scrawled expletive. Without further ado, he crumpled the paper into a ball, which was abruptly inserted into my sopping flue. "Special delivery!"

See what I mean? Eddie takes a bad situation—in this case, one of the most unwatchable turkeys ever to soil my television screen—and turns the evening into rough, nasty sex. That's the kind of optimistic outlook I try to emulate in my interactions with Duncan. When I realized the bedridden tyke was too sick to visit Santa this year, I didn't plunge into self-pitying depression. I took action. The inspiration struck me while sucking Eddie's fat cock on Christmas Eve.

Old guys in red uniforms with black-leather boots are hotter than hell. Keeping a list of who's naughty and nice means Santa is the ultimate dominating sadomasochist!

Even with my head bobbing on lap meat, I couldn't help noticing what a gut Eddie has grown. It's a solid, round paunch that nearly gets in the way of my aggressive fellatio technique. I find the extra baggage quite erotic because my father was also a big boy.

Studying Eddie's waistline, I was reminded of another corpulent fuck who always turned me on in my younger years: Santa Claus. Call me crazy, but while the other kids in school were drawing reindeer, I was molding a papier mâché replica of Saint Nick's prick. The school counselor claimed it had something to do with my aforementioned feelings about Dad. Whatever; all I know is, old guys in red uniforms with black-leather boots are hotter than hell. Keeping a list of who's naughty and nice means Santa is the ultimate dominating sadomasochist!

I pondered the similarities between Father Christmas and big fat Eddie. A plan exploded from the recesses of my brain—just as the throbbing tool in my throat was about to blow a gallon of ball sauce.

"Hold that nut," I ordered Eddie, painfully clenching his hairy sac to prevent an eruption of the goodies within. "There's an old, moth-eaten Santa suit in the closet. I want you to put it on and

wish Duncan a merry Christmas."

"Ahhh, Jesus," whined the rigid Grinch. "The brat probably won't live until tomorrow morning! Now, finish that hummer, and I'll treat you to a gutful of my homemade eggnog." Disgusted, I twisted the testicles in my palm and used the intimate oyster pair to lead Eddie toward the closet.

The suit was a perfect fit. Eddie actually seemed somewhat embarrassed. I, on the other hand, was so wet in the panties, I squished.

"Talk about a stocking stuffer," I vamped, tracing my fingers along the bulge beneath that vicious gold buckle. I recognized the importance of leading the man in the red suit into Duncan's room while Eddie was still game. Unfortunately, I couldn't resist giving my pussy a little present. Perhaps my judgment was a trifle off due to the entire bottle of cheap wine I guzzled before going down on my well-hung boff buddy.

I placed my hands on Eddie's shoulders, and he instantly dropped to his velvet-padded knees. One good thing about dating an utter pervert is the rare need for verbal communication. Giving Eddie an inch of kink means he'll take a filthy mile. Silently, he lifted the hem of my dress, pulled my panties to the side and

shoved his entire face into the uncovered thicket of dark pubes.

Glancing downward at the vertical rug munching, I commented, "My bush looks like a beard on you. I guess you don't need to put on the phony facial hair just yet." A few slurps and slobbers had Eddie's face completely drenched; when the time arrived to apply the white beard, at least I would provide a funky, musky glue.

Those big, rough hands—so often responsible for spanking my fanny to a stinging state—frigged my clit and parted the pink curtains to my womb. Three or four digits wiggled within my love canal simultaneously; I lost count due to the sheer electric thrill. Then an all too familiar burn overtook the clamping vage walls, somehow managing to drown out the orgasmic buzz of Eddie's tongue on my nubbin. I was badly in need of a pee. Nature must have called while the line was tied up in a cunnilingual frenzy. Whether or not I made it to the toilet, my bladder was about to demand satisfaction. Every damn time I get drunk, I ruin another pair of panties!

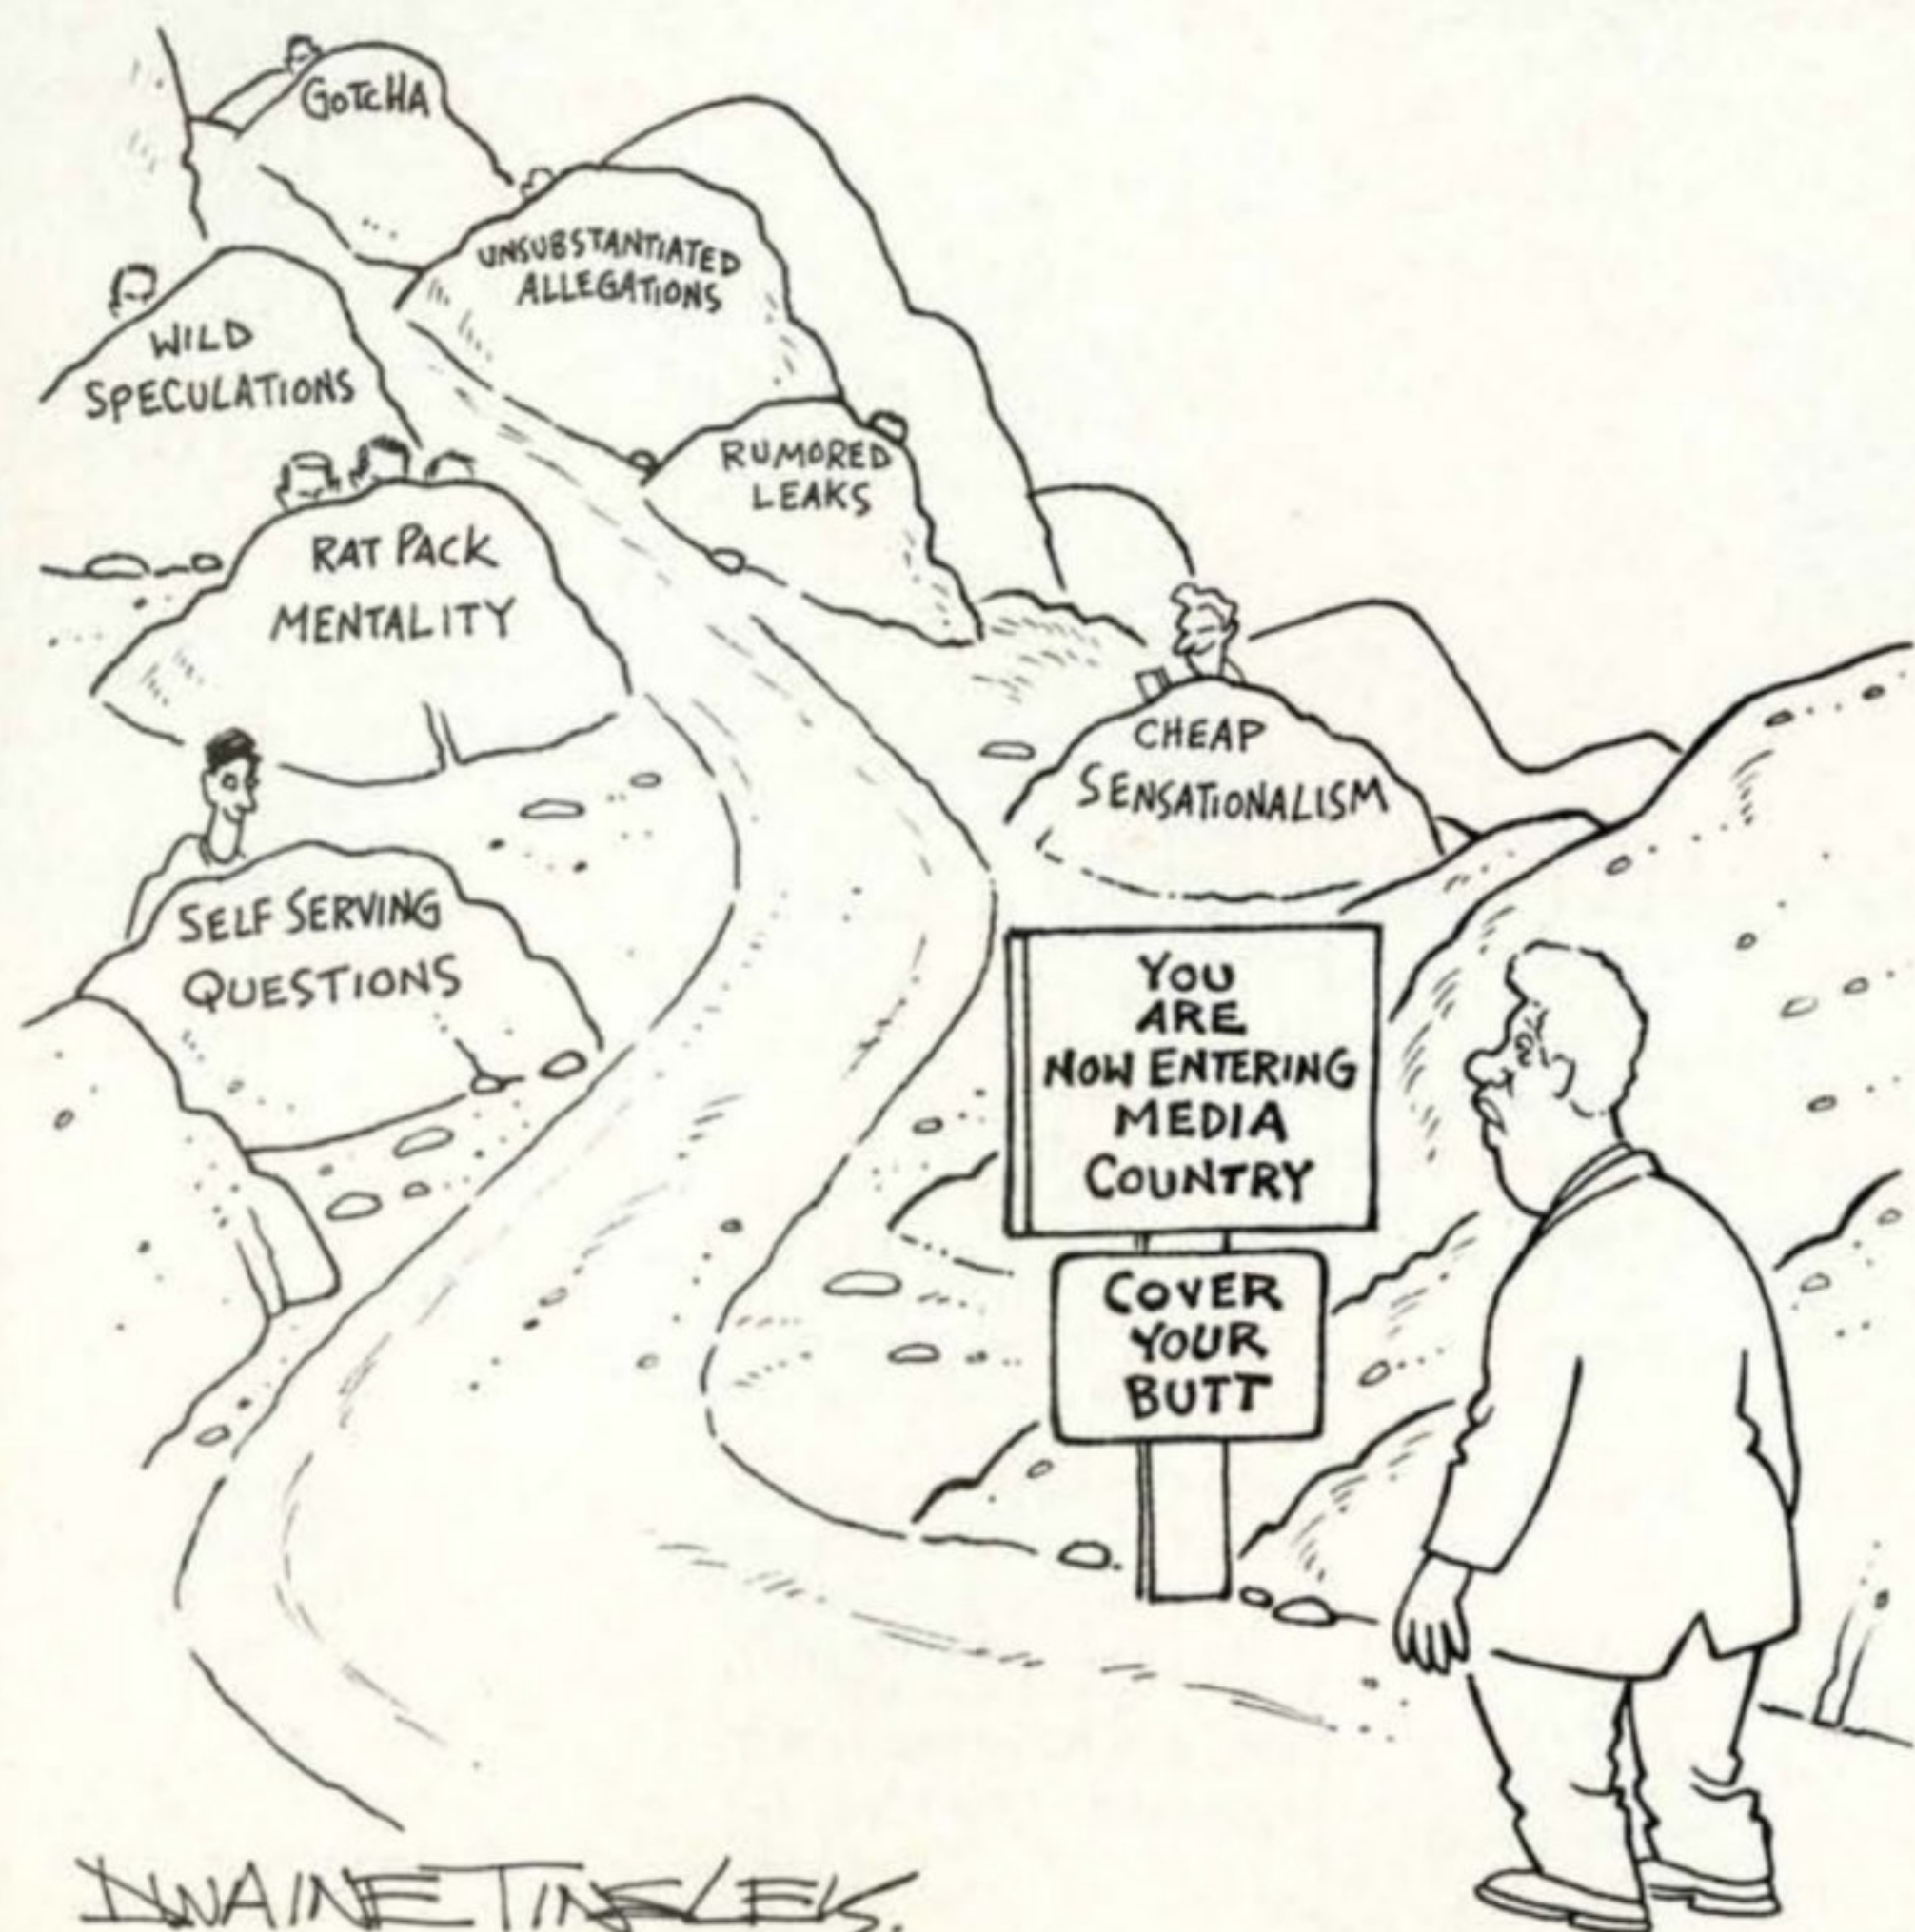

I pleaded, "Eddie," and even knocked off his red hat. "Eddie! You better stop. I'm about to piss all over the place!" Nothing distracted the muff-hungry mouth artist from his dining. Normally, I love Eddie's single-minded, deviant determination. But this could be a god-damned mess! If his lips continued to massage my mons in such an expert manner, I was sure to drop a golden load of the briny stuff.

Pressure screamed in my vino-bloated belly. A rush of heat traveled my screaming urethra. At the last possible moment, Eddie made eye contact with me...and winked.

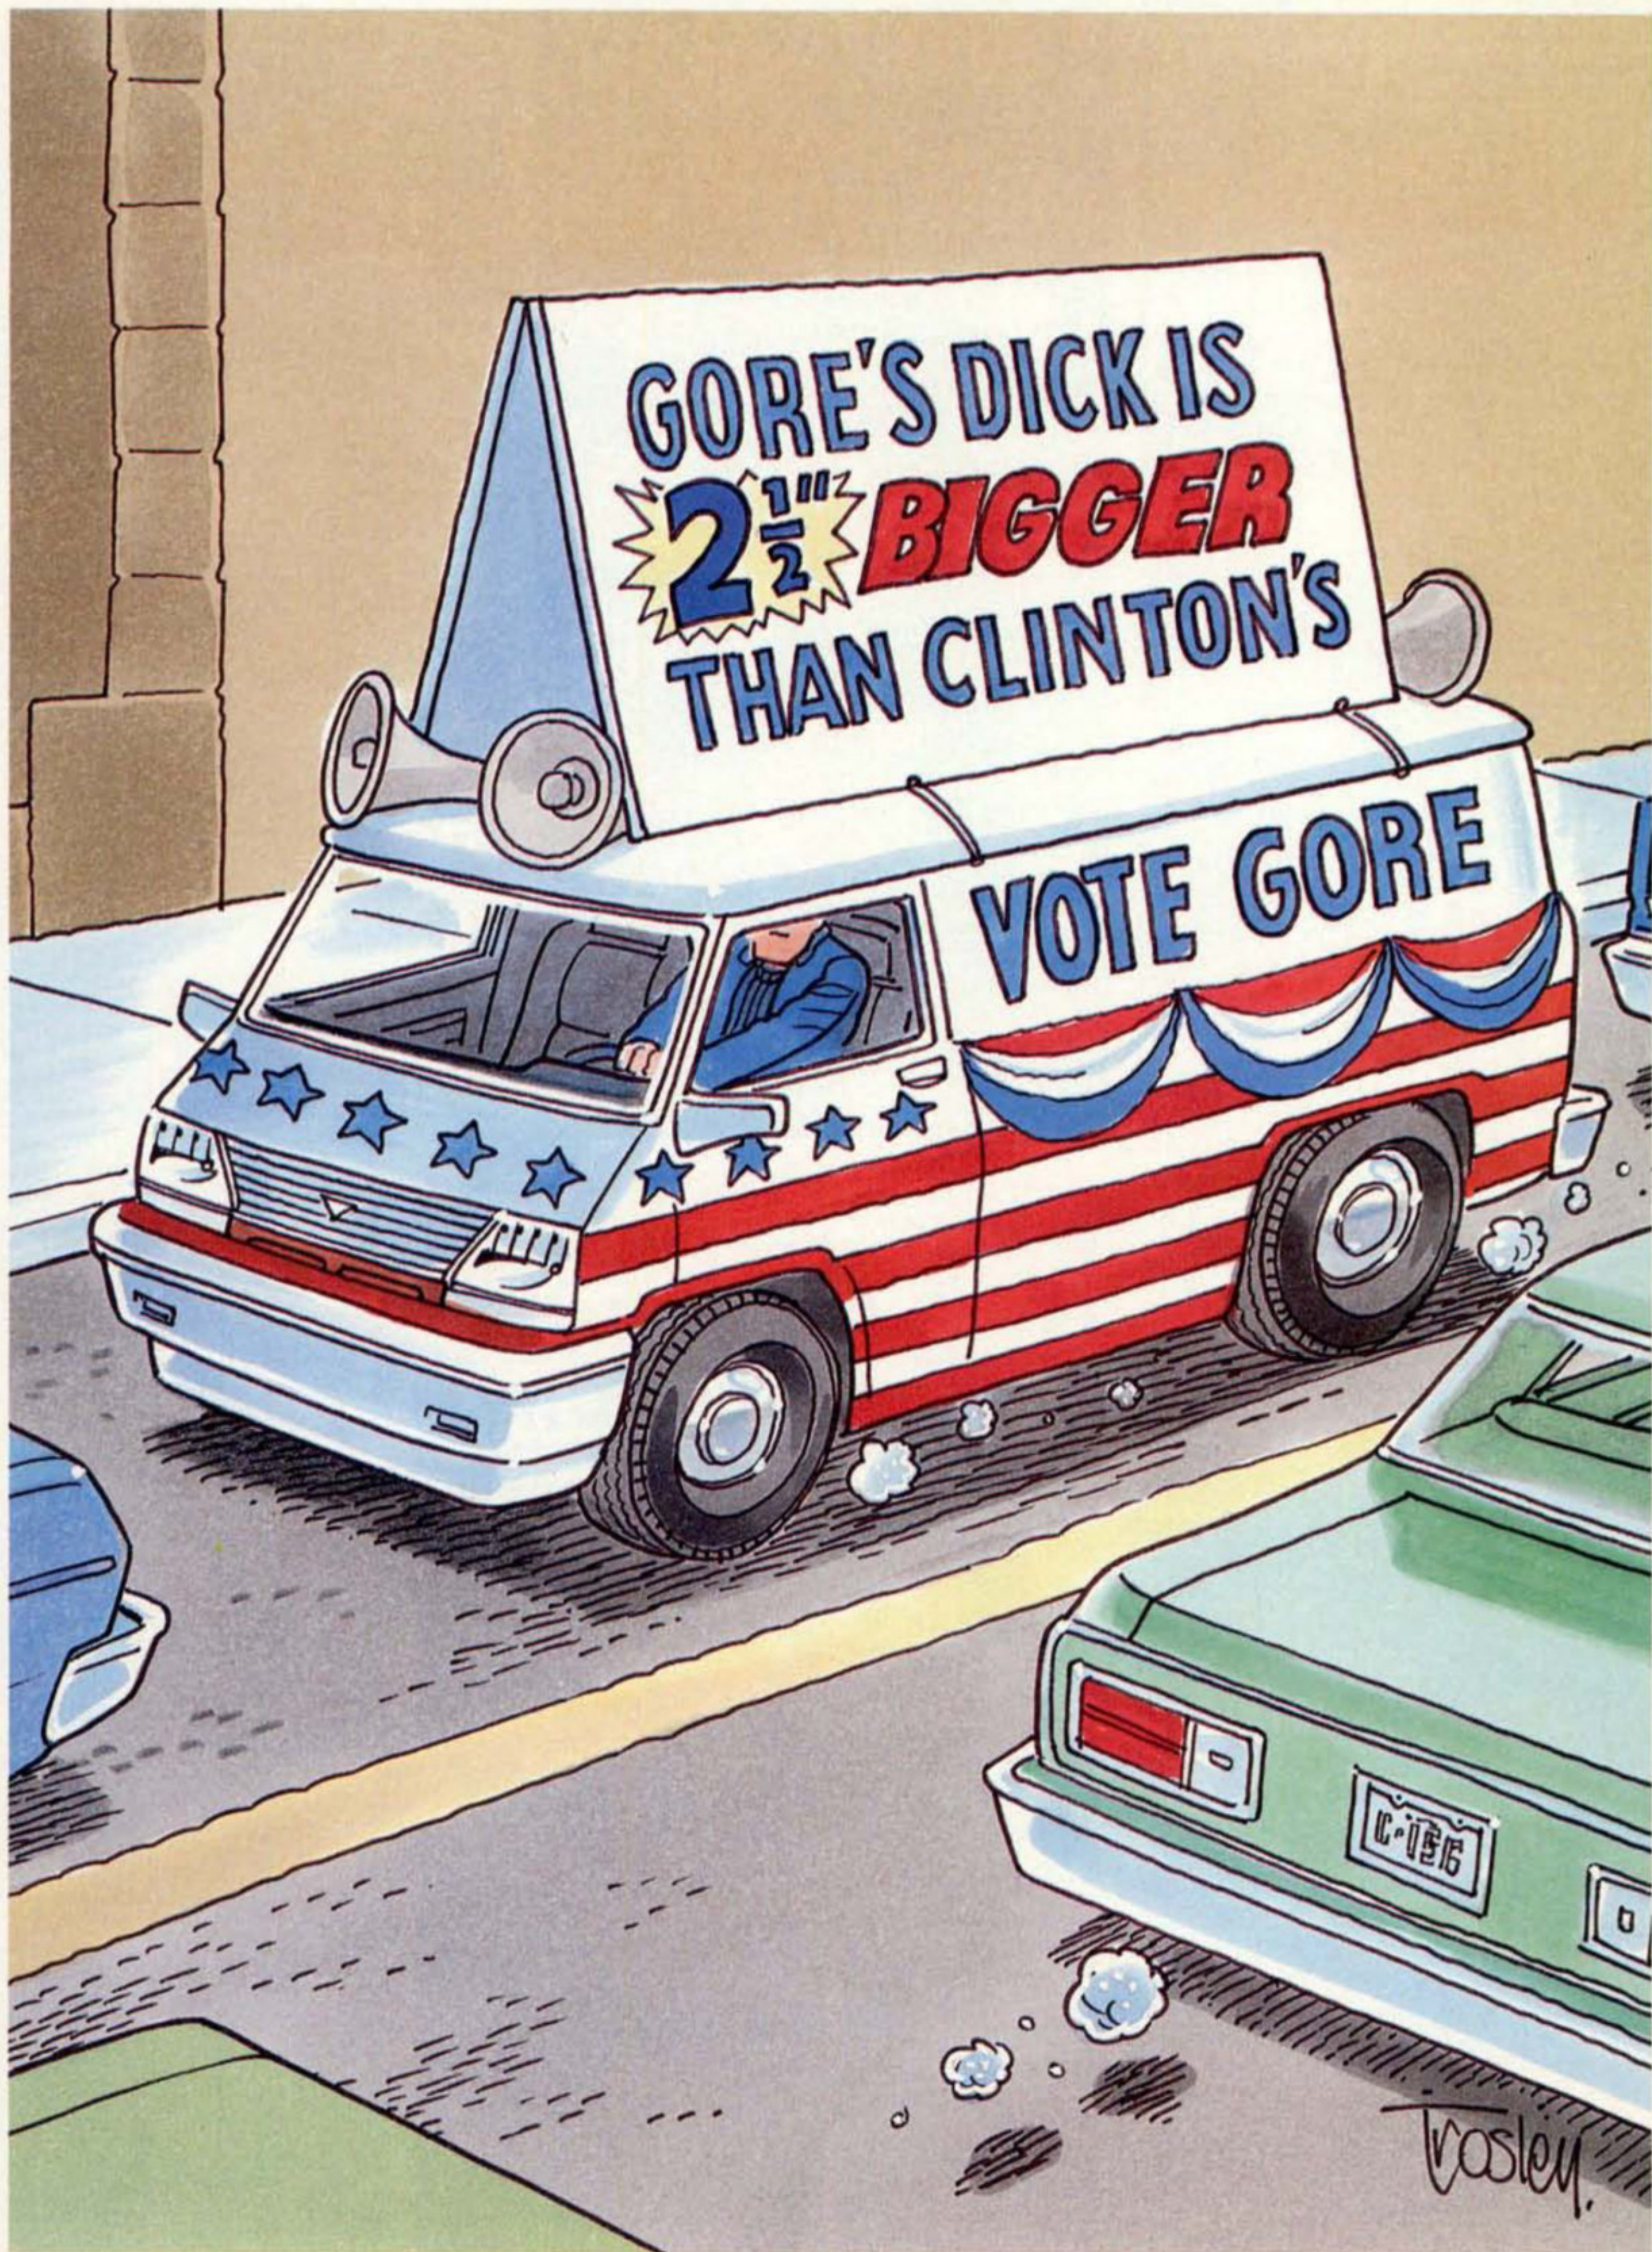

"Guh-uhh-uhhh," I babbled. The steaming spray was perfectly timed with the uncorking of Eddie's fingers from my flue. Urine bubbled over his lewdly flailing tongue and dribbled down his chin. The uncontrollable splatter soaked the red suit and collected in a pool beneath my feet. I've never felt such an intense relief—and detonation of pleasure—in my life! By twisting my hips, I was able to squeeze out a few more squirts before Eddie forced me into the piss puddle and entered me from behind.

"Merry fucking Christmas," he roared, shooting jizz deep within my dripping snatch. We collapsed on the floor together, baptized in the golden glory of the new fucking frontier.

Two minutes later, Eddie stumbled into Duncan's room and awakened the tot

SNOW BLOWER

Ever had your woman give you head in freezing temperatures? If not, you don't know what you're missing. Receiving a little snow skull is the most satisfying type of blueballs on Earth.

I was shoveling the walk when my wife, Lucinda, walked outside carrying a mug of hot chocolate. Sure, the steaming brew looked tasty, but I was a lot more interested in the two fluffy marshmallows underneath her parka.

"Honey," I panted, my heart racing from the ice-breaking labor. "If you really want to warm me up, how about a suck on this snowman's corncob pipe?" In reality, I was only joking. I like to see Lucinda's pale skin turn bright red when I whisper an utterly sick suggestion at an inappropriate moment. Like the time I mentioned doing her in the ass right before our wedding vows.

A spark in the foxy lady's eyes let me know her crotch took my frozen-fellatio request quite seriously. Any lingering doubt was quashed as Lucinda knelt behind a tree in our backyard, licking her lips with hungry anticipation.

I unzipped my pants in a frenzy, desperate to unleash wand before Lucinda came to her senses. Finding my member wasn't easy under the layers of long johns and boxers. Thankfully, the wife took matters into her own hands, stroking my semierect manhood into a raging meat monster.

Lucinda marveled, "Look. Steam is rising from your cock!" She thought the cold was responsible; I realized I was so horny, my prong would have smoked in any climate. The winter chill caused more blood to engorge my shaft than ever before. Groin pulsations throbbed at the same rate of my racing heart. Damn, shoveling snow is hard work! A blowjob could be the perfect way to unwind and bust a nut.

I immediately forgot about the bitter cold upon entering the tropic bliss of Lucinda's mouth. Her warm lips tugged and teased me to the wet interior. Wholly different chills shot up my spine. We've been together seven years, but I never get tired of Lucinda's cocksucking. Watching her blond head bob up and down my considerable length is still enough of a turn-

on to bring me off in seconds.

A winter blowjob was simply too fantastic to end so quickly. My head threw back as I battled not to blow sperm. Lucinda didn't make restraint an easy option by tickling just beneath the head with the tip of her tongue. Then came vicious sucking in pumping strokes. I grabbed the back of her head with one hand and used the other mitt to palm her down-encased mammary.

"Mmmf-rrrgh-wahhh," spat Lucinda, popping off my shank and jacking the nozzle toward her chin. "Keep playing with my nipple. Pinch it! I'll take my shirt off if I have to." Who was I to argue? We could deal with frostbite later. At the moment, I was watching her heavy floppers bounce out of a thick sweater, which was quickly cast into a snowdrift. Lucinda's flesh is so white, she nearly blended into the surroundings. Good thing there was no mistaking her pair of highly stimulated milk cannons.

I helped Lucinda lie on her back, which she first described as "too fucking freezing." Maybe the lure of public kicks won the war between her brain and loins; whatever the case, she stopped bitching and went back to deep-throating my dong. I was practically squatting over her face, thrusting my pelvis to root my

dick deep in her piehole.

"You did it, babe," I whispered. "You swallowed all 11 inches for the very first time. I think the cold air is good for your throat." My steady patter was accompanied by both hands tweaking her teats. I turned the tops in counterclockwise directions, fine-tuning her excitement to a point of orgasmic intensity.

To keep her own hands warm, Lucinda reached around and forced her arms between my legs. She fondled my gonads, reveling in the testicular warmth. The fiddling served to make me harder; I couldn't grow more wood without a major outburst.

I blasted, "Fuck, yeah! You're a good little cocksucker." A twitch of the old ramrod sent buckets of piping-hot, cummy goodness down Lucinda's gullet. Loudly, she choked the sticky stuff down. My wife's a waste-not, want-not kind of woman.

By the way—I actually did enjoy anal intercourse with Lucinda at our wedding. That's a letter for our anniversary.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

The Midlife Bonus

BETTER SEX FOR AGING MEN

BY KENT SMYTHE • ILLUSTRATION BY MARY TREAT

Twice married and divorced, a little soft around the middle, moody, a peaking forehead chasing a graying hairline: Blake is a 48-year-old landscaper feeling middle age.

Sex has been dreary for Blake. He chases women 15 years younger than himself. They fuck like impatient teenyboppers. Blake has trouble keeping up with them and worries that his sex life is over.

Tonight, Blake has a date with Gail, a 42-year-old community-college professor he met at the gym. After dinner and a play, Blake and Gail sip scotch at her apartment.

Light makeup incompletely hides wrinkle lines around Gail's mouth and on her neck, but she is tan and fit. Her sleeveless dress reveals taut arms and shapely legs and breasts. Blake sets down his glass and runs his hand down Gail's cheek. She purrs.

In Gail's bedroom, Blake slips her dress over her head and pushes the bra straps from her shoulders. Gail kicks her panties to the floor and attacks.

Gail's pussy is roomy and comfortable, the result of years of sex with an ex-husband and the birth of two kids. Blake screws Gail hard, then harder, then even harder. He feels as though he can fuck forever. Gail knows what she wants, and Blake enjoys being a stud, feeling her fire off orgasm after orgasm.

Shock waves travel up Blake's abdomen. Gail's snatch fits his cock like a favorite sweatshirt. He comes harder than he has since college.

Blake drifts off to sleep, relieved that his midlife crisis means only that he is older, but better. He decides to swear off trolling for younger snatch. He's found a sexual wellspring: older pussy. Who'd have imagined it? Blake knows his sex life is only beginning.

At some point between the ages of 40 and 50, Mother Nature brings the hammer down on male sexuality. Hormonal changes profoundly affect a man's sexual physiology. Testicle size and weight decrease, direct physical stimulation may be required to achieve

an erection, and the angle of erection lowers from slightly above horizontal to slightly below horizontal. The ejaculation of a man in his 50s is less forceful than that of a younger man, and some older men may not need to ejaculate at all during intercourse.

While these medical realities do not affect sexual performance, the disheartening changes can be alarming for aging men. Many look no further than to the denizens of our nation's senior-citizen homes for a nightmarish vision of their sexual future. Others turn to wonder drugs, such as Viagra, to chemically extend their sex lives into their 70s, 80s and 90s.

Shriveled geezers hopped up on Viagra form a disconcerting image, but a man can avoid the sexless-old-fogie fate by remaining sexually active as he approaches the twilight years. Sex can actually improve with age; quantity of ejaculations may suffer, but quality of climax can soar.

Some men who've slipped past 40 have already given up on everything but quick, poke-in-the-dark sex. "When it's just you and the old lady in the same bed night after night, it's tough to find motivation," says

Sammy, who has lived with the same woman for 25 years.

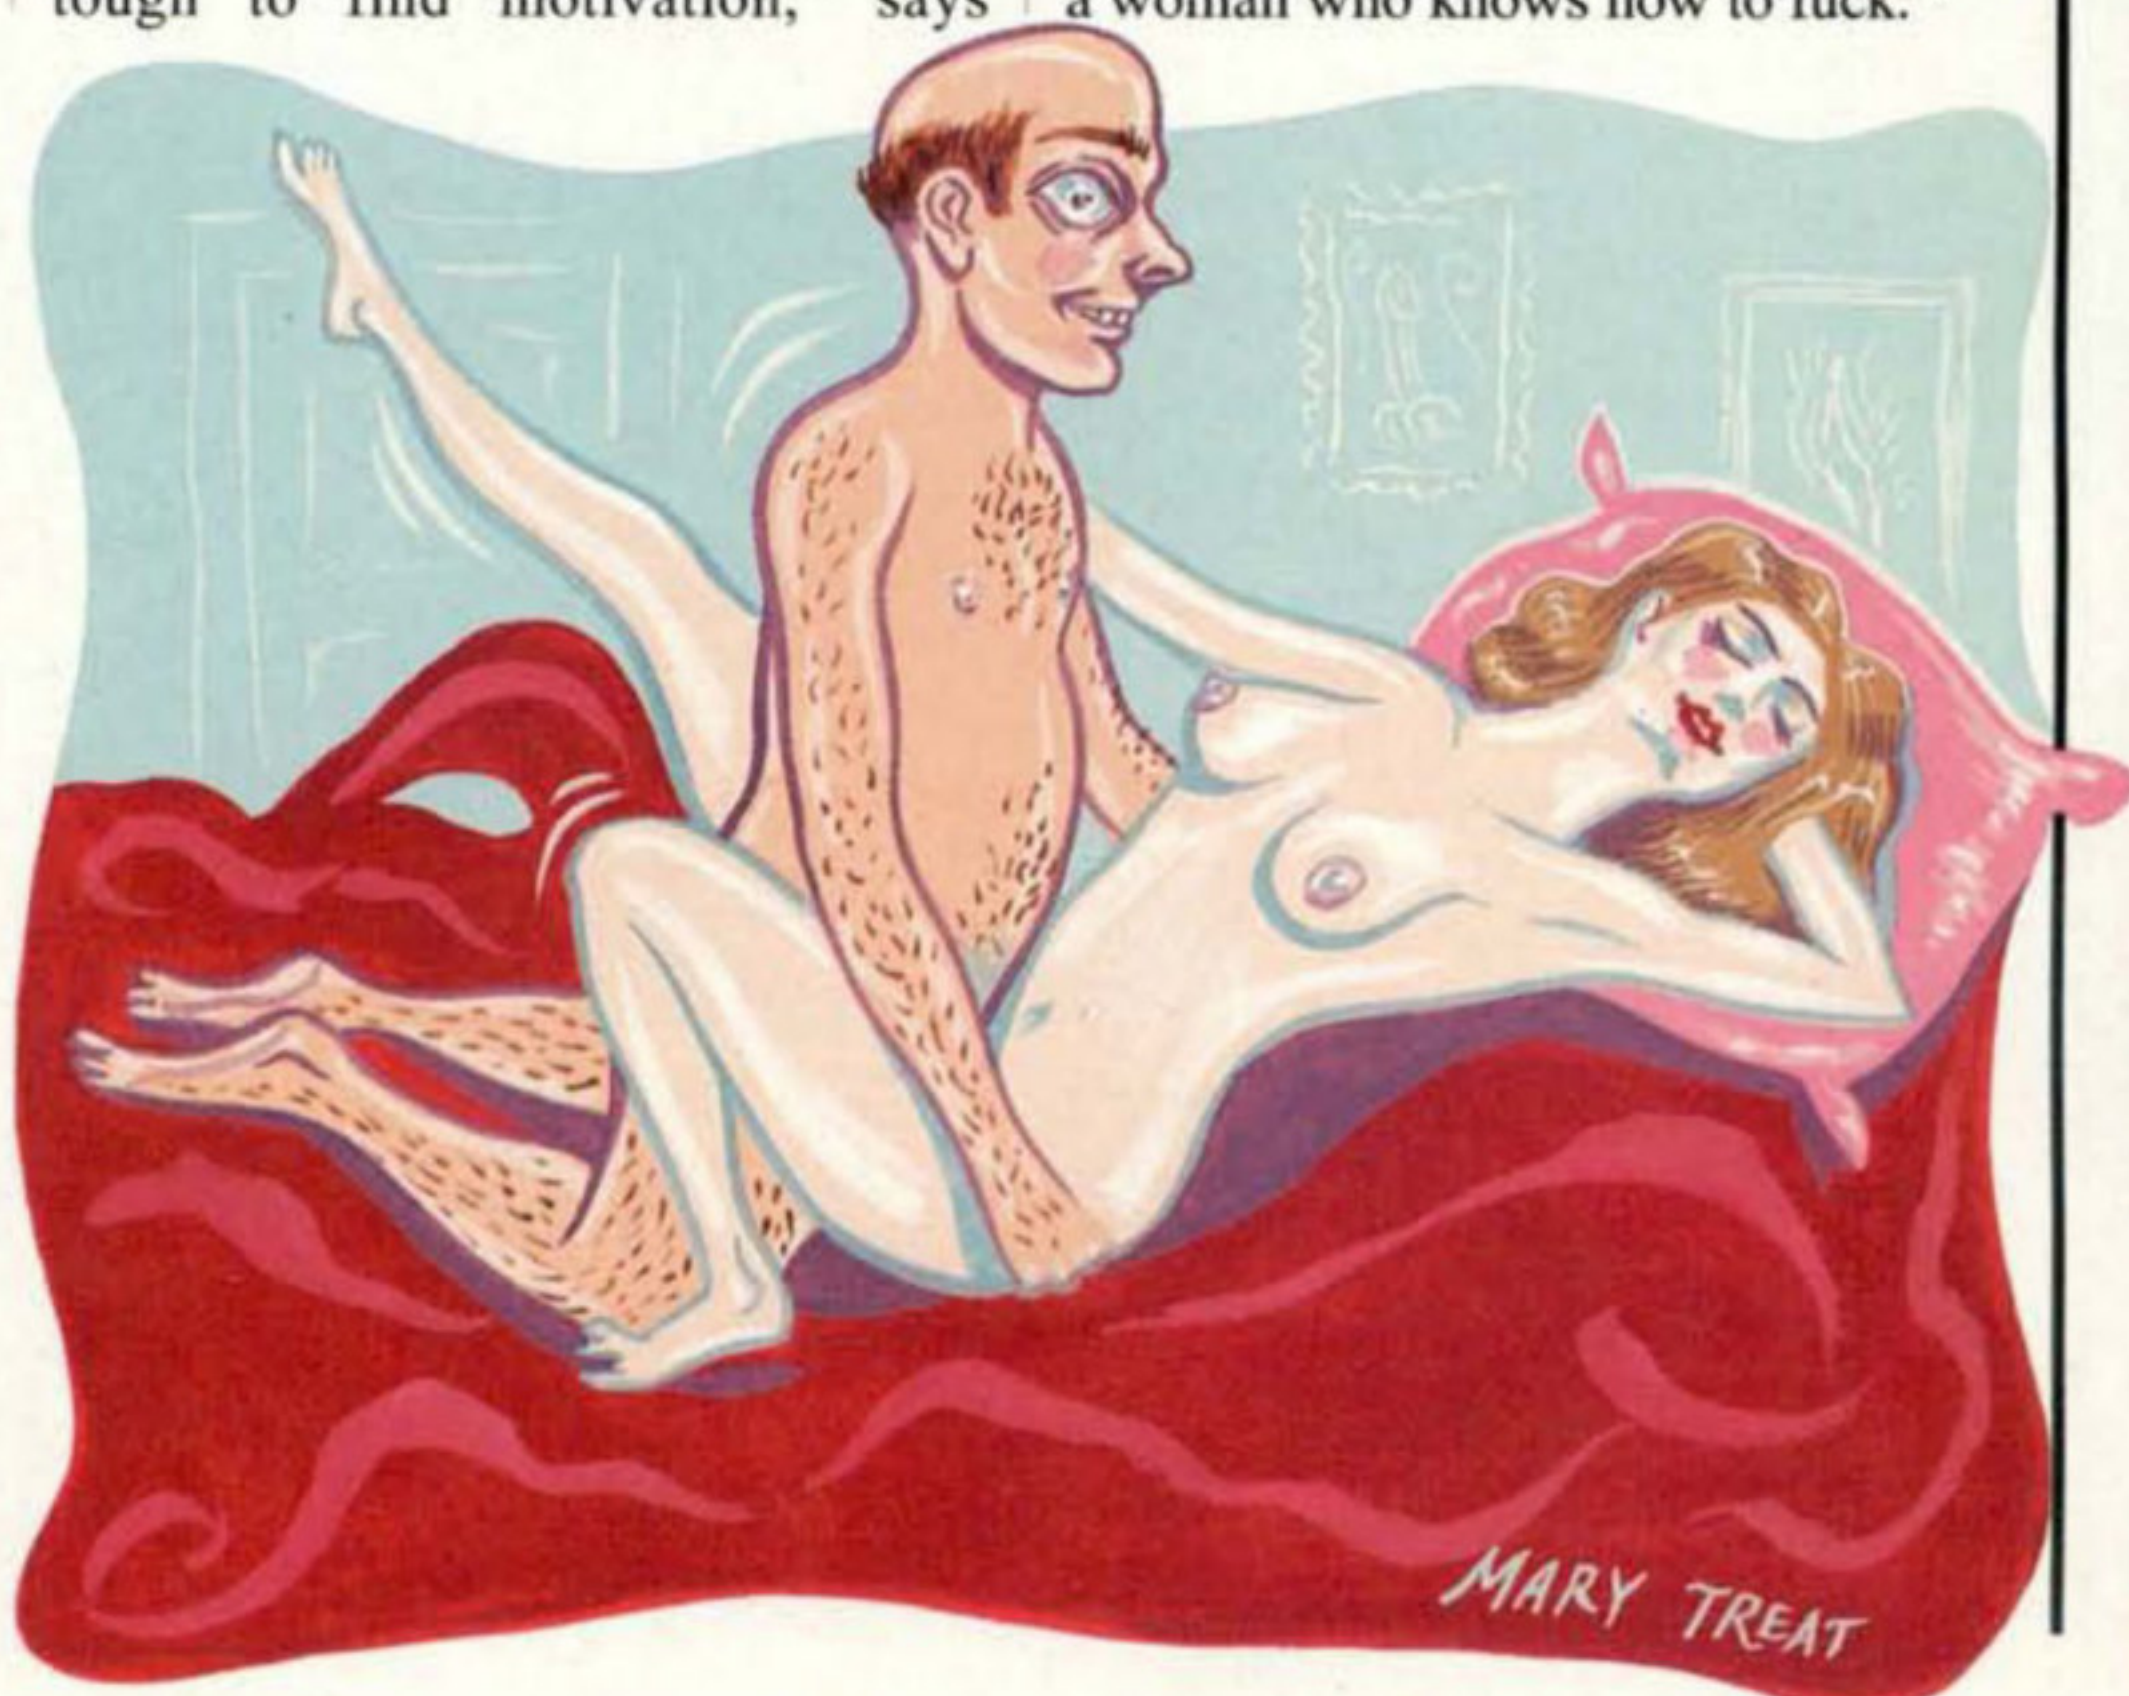

"If I'm with her for another 25," he adds, "I expect my dick will have shriveled up and be hangin' like some old bleached-out piece of driftwood."

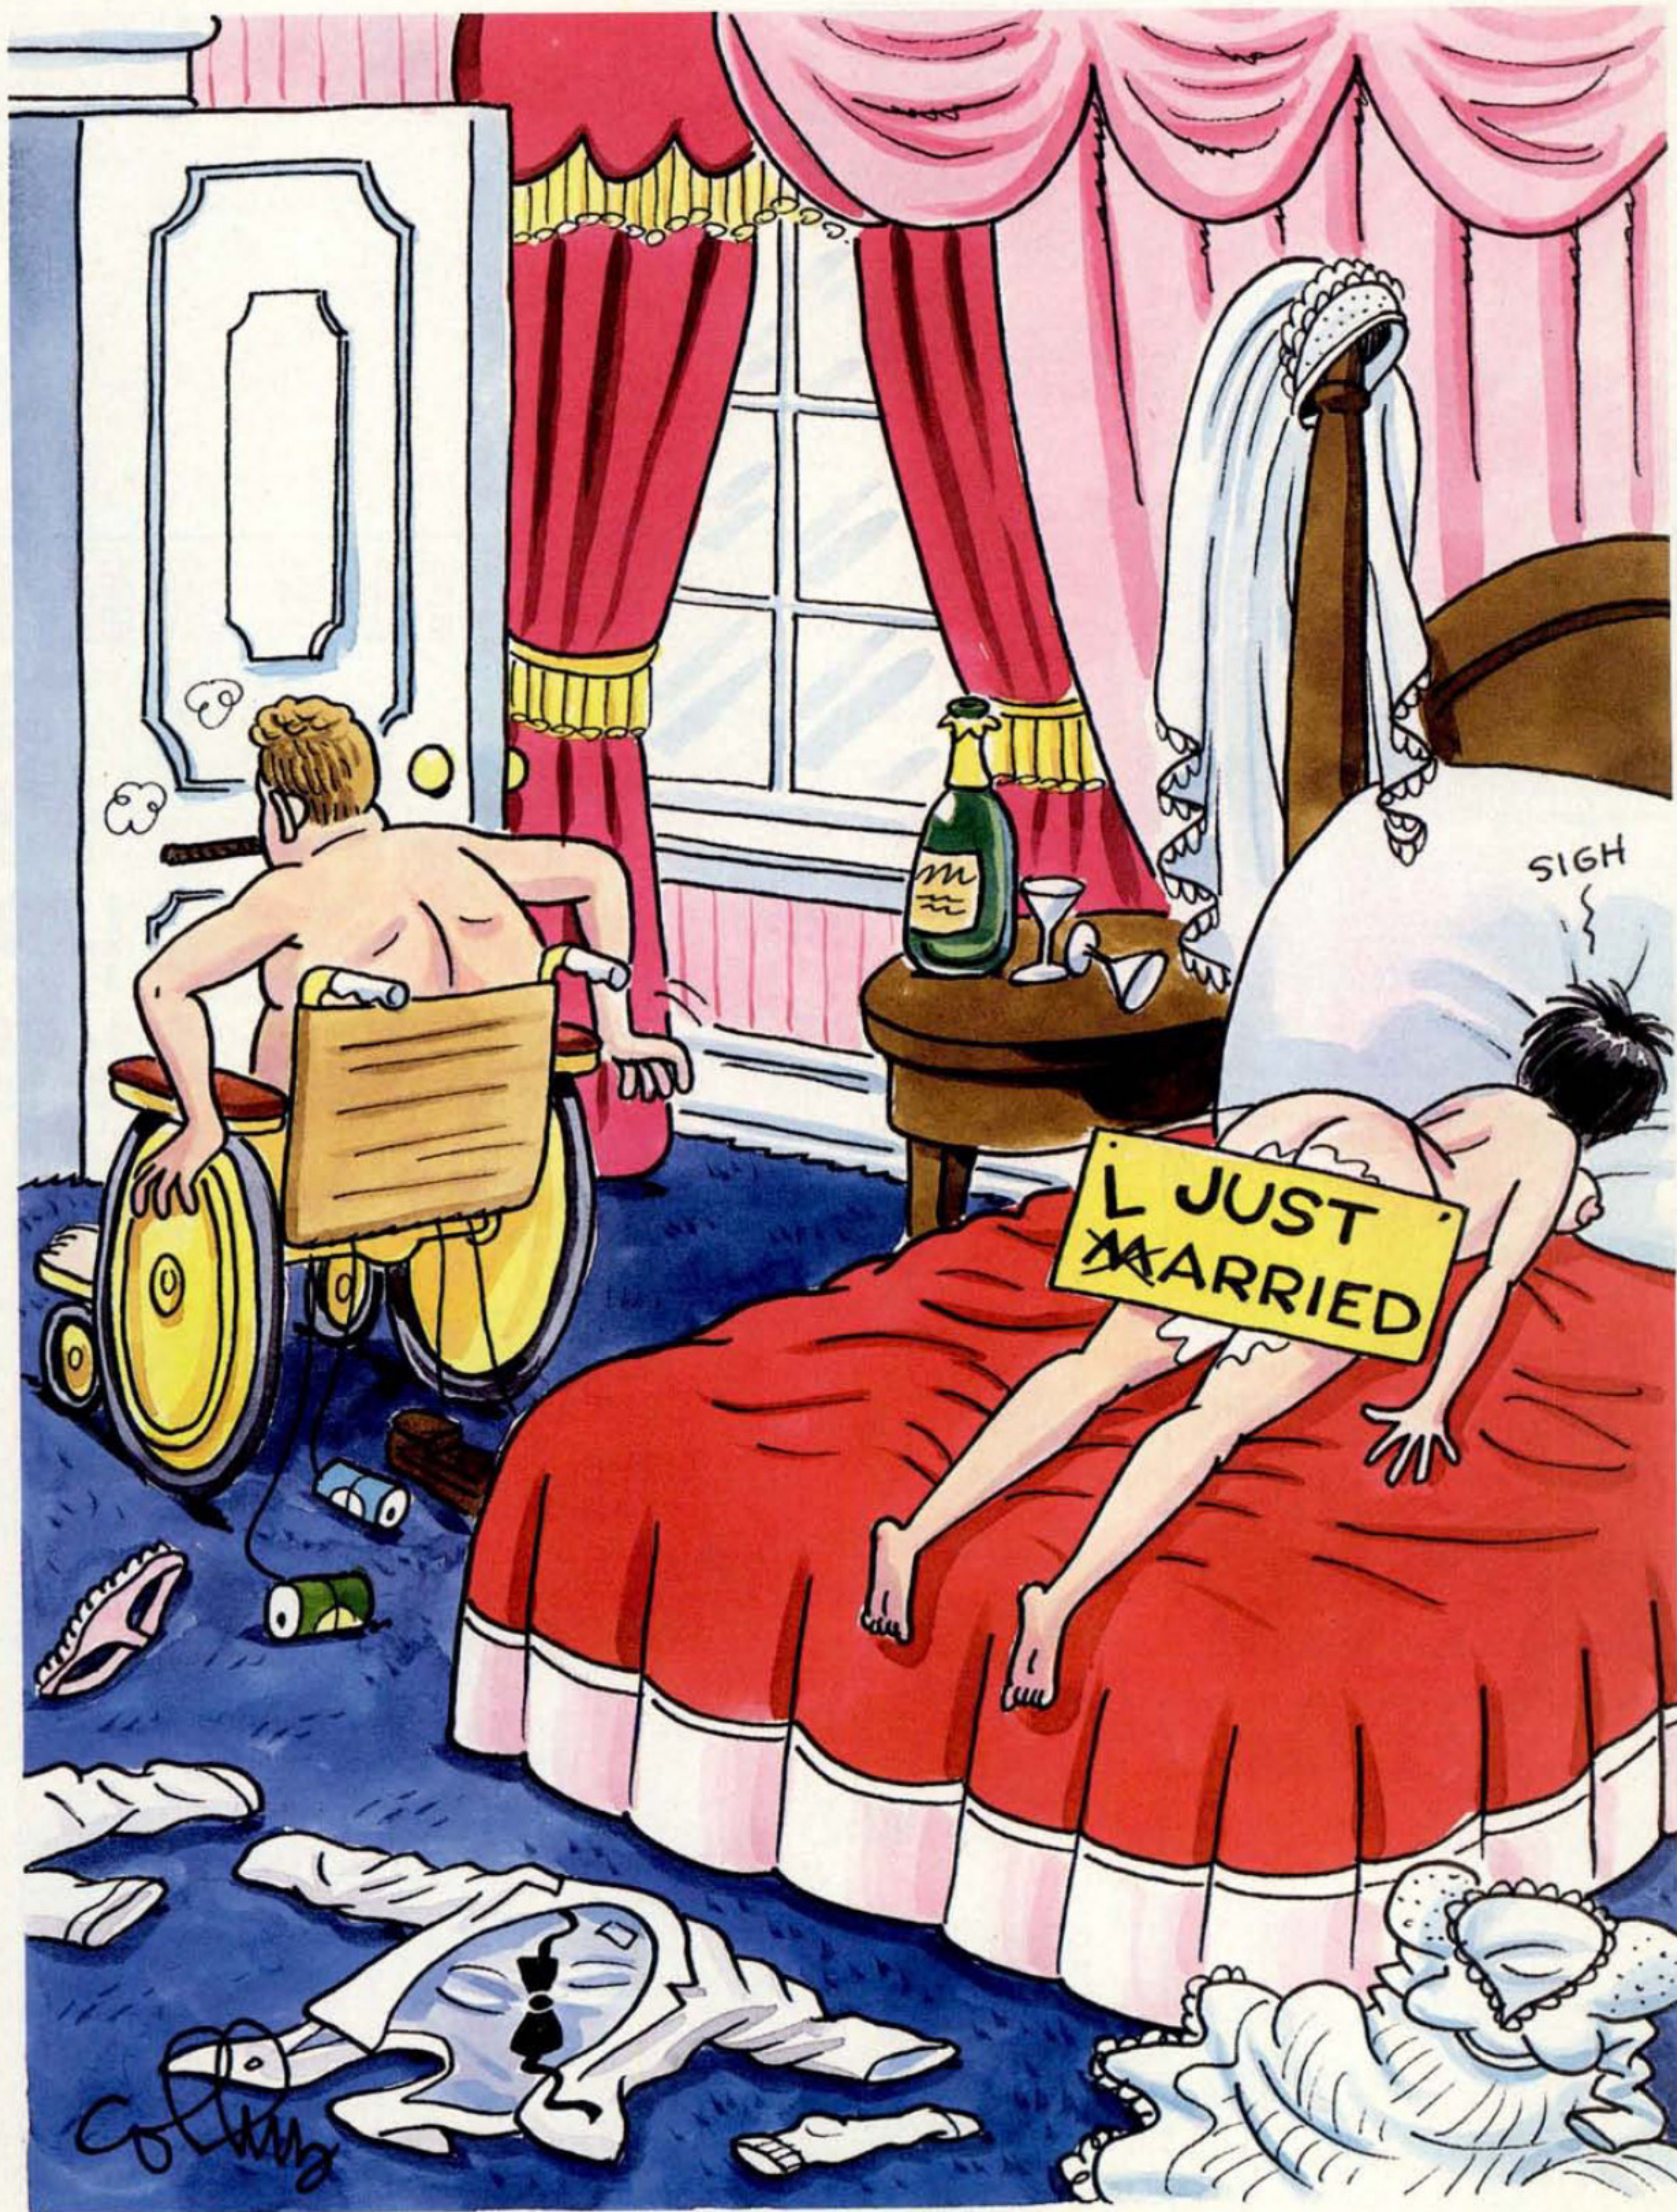

Today's statistics tell us that many men, such as Sammy, have dragged through one or two marriages and at least as many illicit affairs. The same battle stories hold true for women.

Some men respond to midlife by turning to women of their own age group to satisfy them sexually, giving up on the pursuit of younger pussy as a delusion. These fucking realists reap benefits in the form of a great time in the sack with older women.

"Looking back to when I was 20, I could not have imagined myself ever hopping into bed with a 44-year-old female," says Stanley, a 45-year-old architect from Seattle, Washington. "Now I can't imagine sleeping with anyone much younger. The 20-year-olds I used to think were so hot—forget it. These broads know nothing about sex. Nothing."

"Give me a woman who's been banging for 20 years, and I'll show you a woman who knows how to fuck."

"Many men my age will agree that the whole structure and feel of the male orgasm changes for the better as we grow older. I maintain the improvement is all thanks to loose pussy."

A woman reaches her sexual peak, as measured in her ability to achieve orgasm, in her mid- to late-30s, when she may be perpetually horny. In their 40s, women learn to go for the gusto, to make sure they receive at least as much pleasure as they give. Once a woman takes control of the trigger to her own sexual release, she becomes a spigot that won't be turned off.

"In the late '80s, I spent three years living with a woman in San Diego," says Jim, a writer and notorious lothario. "Patricia was going through what I call the Happy Change of Life. She was peaking."

"Thirty-four, perky, a great ass—and three years out of her divorce. At first, I thought her incredible lust was just the release of pent-up sexual cravings after ten years of not getting laid properly during her marriage. She wanted to fuck me every sick way she could think of. Three or four months into the relationship, when things generally cool a little, Patricia was only warming up. *Insatiable* is the term I'd use."

Women approaching their golden years are more likely to credit the sexual prowess of their partner than their hormones for increased appreciation of, and satisfaction from, sex. Christine from Bird Key, Florida, believes a woman's late sexual blooming is part of nature's plan.

"When a man is still a boy—when he's 17 or 18—he can orgasm just watching me take off my panties," the buxom and breathy, 46-year-old nanny explains. "But when that man progresses through life, his orgasms require increasingly more physical stimulation. Plain and simple, it takes him longer to come, finally giving us girls enough time to become fully aroused."

One reason Christine's lovers are able to last so long is due, in part, to a separate fact of nature: A 44-year-old woman has a 44-year-old pussy. By the time a woman reaches middle age, especially if she's birthed a few babies, she's lost some degree of elasticity from her vaginal walls. No one wants to fuck the Lincoln Tunnel, but the additional room can be key to great sex.

Johnny, a lawyer in his late-40s, suggests the even more far-reaching benefits of slacking vaginas and dulling dicks. "Many men my age will agree," Johnny says, "that the whole structure and feel of the male orgasm changes for the better as we grow older. I maintain the improvement is all thanks to loose pussy."

"Young women are so tight, there is almost too much stimulation, which is one reason why in our teens most of us were finished before we could stop ourselves."

"Later in life, the physical setup changes. The cock tip becomes slightly

less sensitive. Once-tight vaginal walls have pulled away a little, giving your dick a little room to move around and dance, and giving that nookie a nice sort of broken-in, comfortable-glove kind of feel."

* * *

There will come a day when a man won't get it up or when the physical stimulation that always made him come no longer cuts it.

In the past, the onslaught of sporadic impotence would have been a moment of shocking realization: *Christ! I'm too old to fuck!* Today, thanks to the hard-working chemists at Pfizer Laboratories, developers of Viagra, a man can theoretically be dead and still achieve erection. Viagra's market introduction in April 1998 represents the opening volley of the next century's sexual revolution. But chemical solutions are not the only measures to add years onto the willing stud's sex life.

Physicians suggest quitting smoking and joining a gym to combat the experience of running out of steam halfway through a fuck. A middle-aged man cannot maintain a healthy sex life if he's huffing and puffing before he's even mounted the lady. Reducing stress can also help.

As men age, risk of developing prostate cancer or diabetes increases—both can

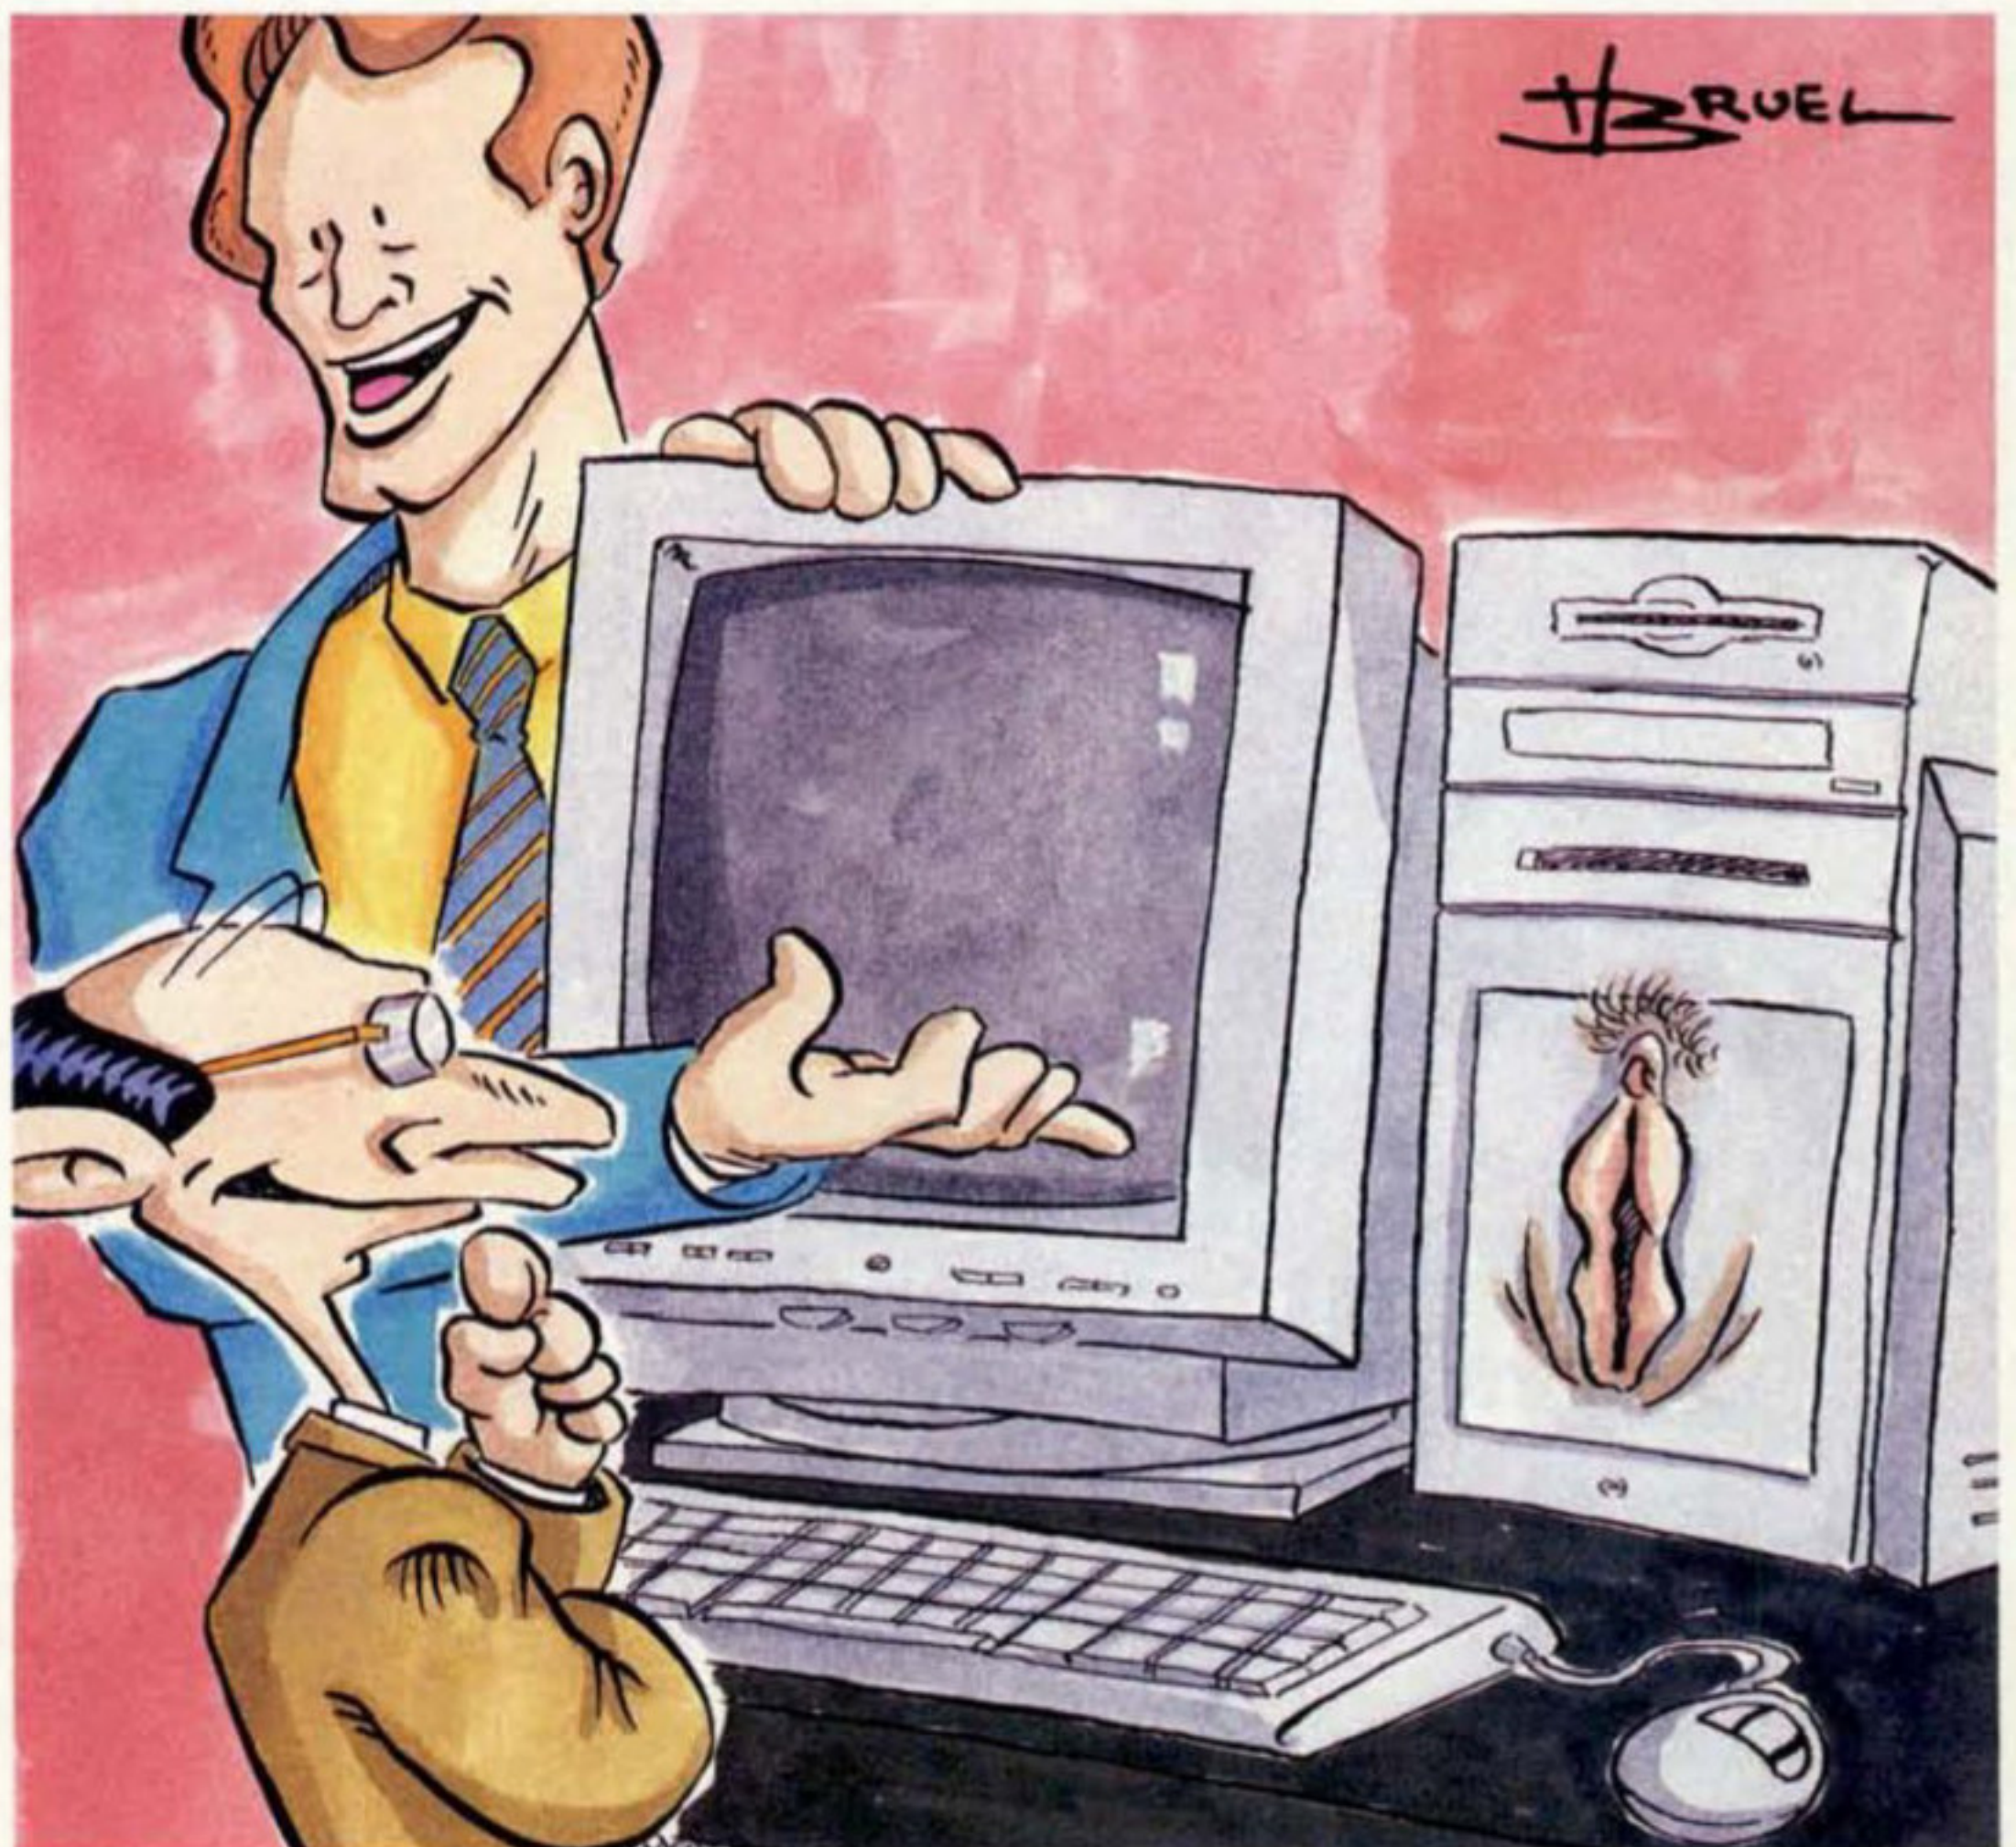

have a debilitating effect on a man's ability to rise to the occasion. Combining age with high-fat diets and physical inactivity is a recipe for penile failure.

"I will tell you the primary factor that impedes blood from flowing into the penis," says a prominent Shaker Heights, Ohio, urologist, "is atherosclerosis. The arteries harden and plug, and the patient suffers heart attacks, strokes and other infirmities of the circulatory system. Impotence can, in fact, be a sign of graver problems to come. In many cases, since the structure of veins and arteries in the penis is more delicate, its function fails before the heart does."

Another common problem is men who try to maintain a 19-year-old's habits at 50, attempting to ejaculate five times a day, when they should only ask their bodies to come five times a week.

As a man enters the second half of life, a satisfying sex life may be more about love and intimacy than record-setting performances.

"Men have to realize," notes Dr. Cappy Miles Rothman, a specialist in male infertility, "that at 60, they can't be the way they were at 25. But that doesn't mean he's sexually inadequate. If you don't want to lose it, use it."

"And this computer was designed specifically for sex on the Internet."

PHOTOGRAPHY BY HUNTER PHOTO

"I don't know if I'll ever be able to hold down a job," says compulsive exhibitionist Mary. "I was fired from my last secretarial position for corrupting a data-entry clerk named Henry. After weeks of wearing crotch-baring outfits at the copy machine, I asked Henry to meet me for lunch behind some hedges in the corporate plaza.

"'Mary, don't you think we should go somewhere more private?' Henry whispered, pressing his boner against my hip. I slid my white-cotton underwear down my thighs. My pussy drooled cooch nectar.

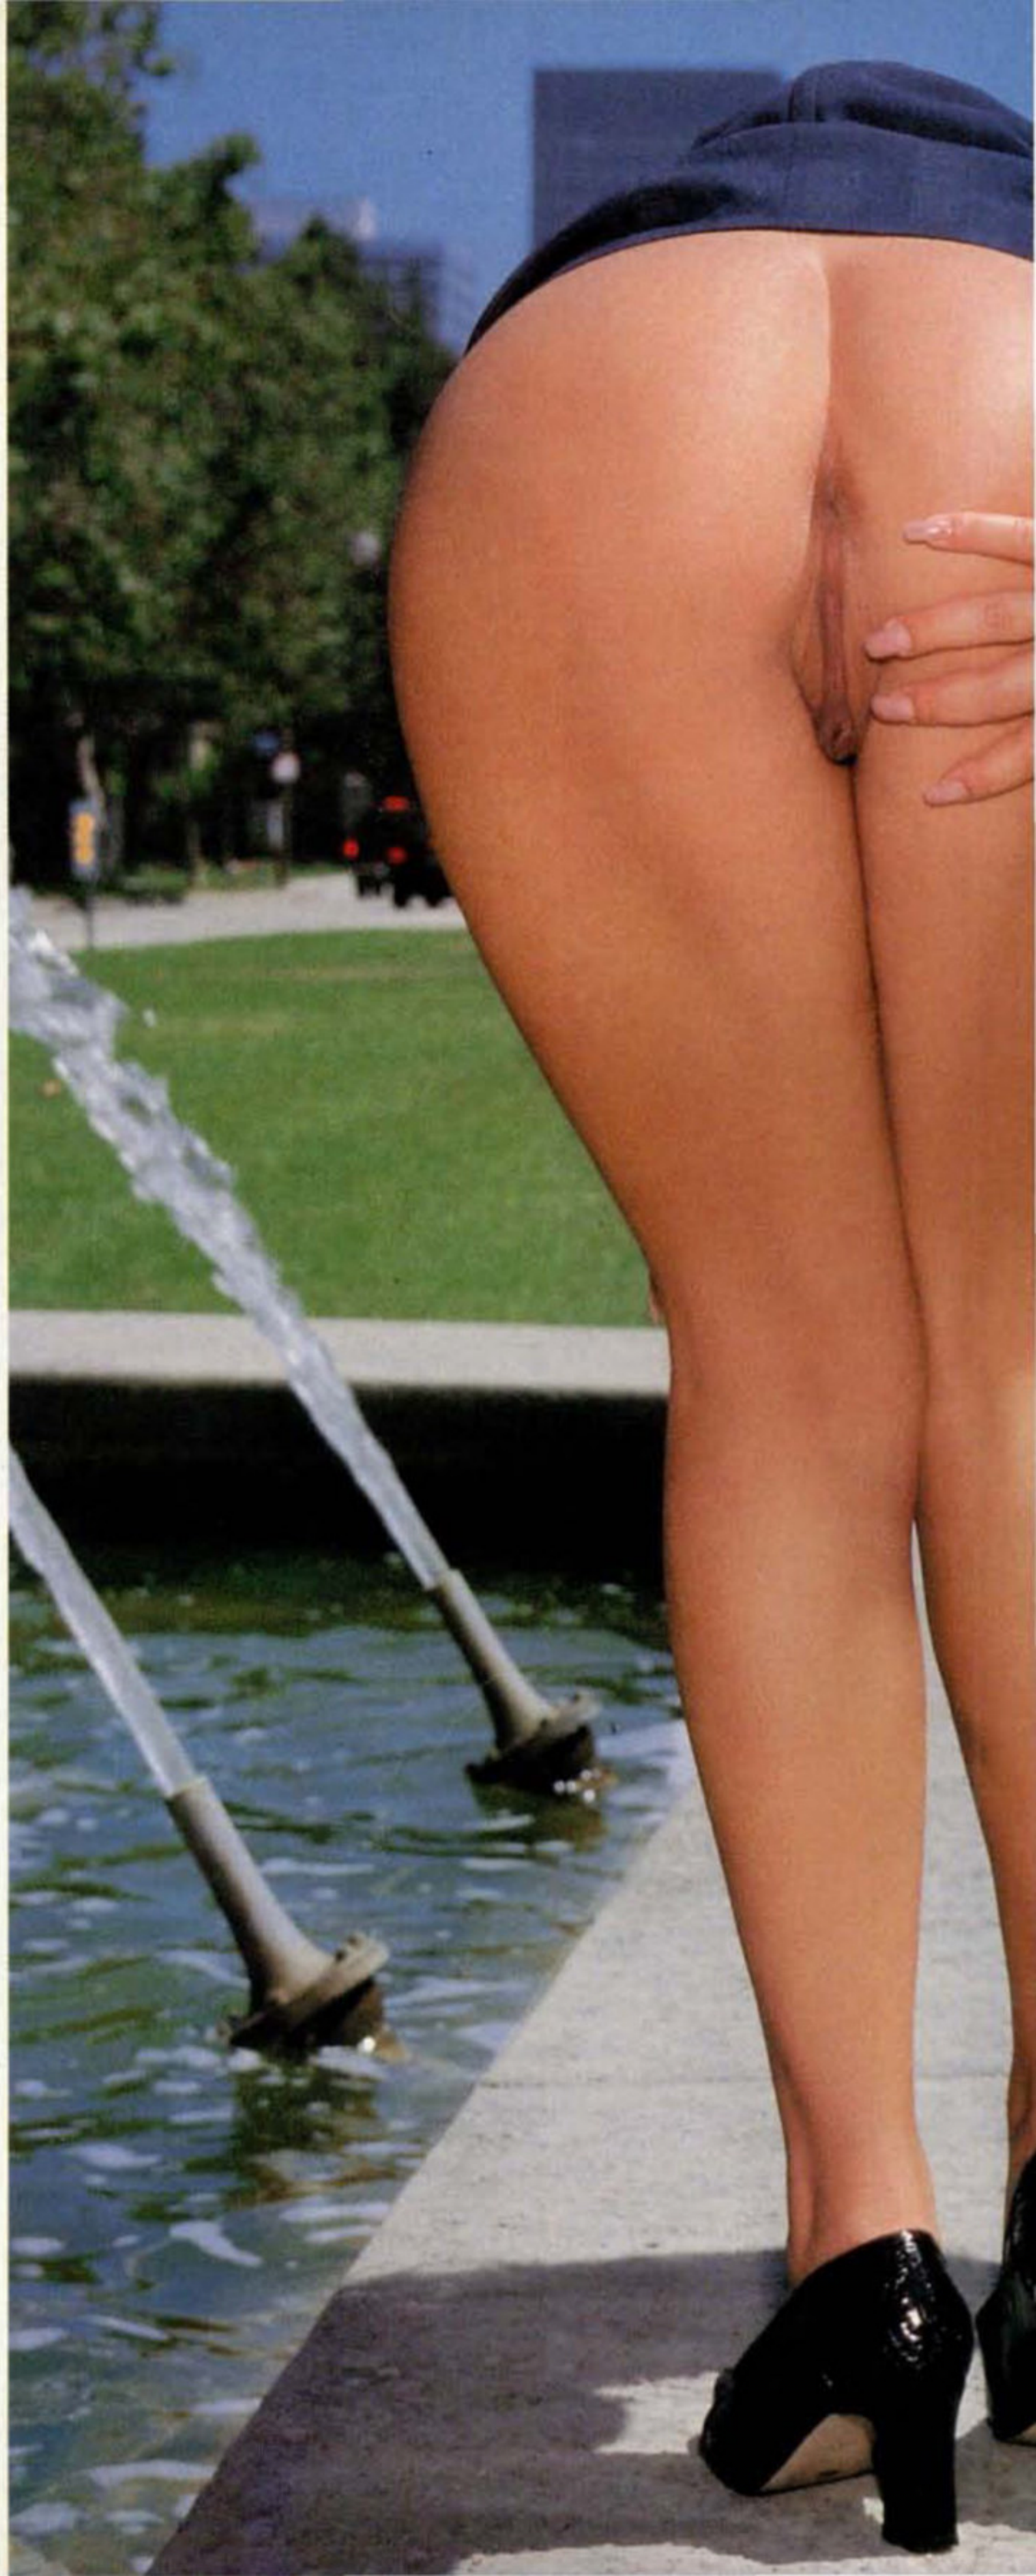

"'Be a sport, Henry.' I unzipped his fly. Henry jacked his hard little prick while I unfastened my blouse.

"'Do you want to see me suck my tits?' I asked, slurping at my lust-swollen nipples.

"'Hell, yes!' Henry whacked his dick. The hedges rustled. A group of office drones peered through the leaves. Beyond the bushes, a homeless man fondled himself behind a piece of modern sculpture. The power of my illicit nudity coursed through my cunt. I parted the velvet folds of my snatch. Before I could fuck myself, a tortured expression distorted Henry's face, and he shot a hot, stringy wad into the bushes, hitting our boss, Mr. Adams, in the eye.

"Mr. Adams agreed to let me keep my job if I checked into Dr. Glen Glans Recovery Program at the Institute for the Erotically Disturbed. After six months of experimental therapy, Dr. Glans told me I was cured. But halfway to the office my first day back at work, I felt the overwhelming desire to expose myself to total strangers.

"First, I hiked up my skirt and displayed my athletically toned ass to a wino. I paused at a construction site and let two bricklayers manhandle my nipples while a pork-rind vendor gazed longingly at my clean-shaven mound. I almost received killer cunnilingus from this cute skateboarder, but an uptight yuppie called the cops because I spread my legs on the back of his car. Indecent exposure may be illegal, but isn't it a worse crime to keep a beautiful body hidden from the world?"

THE SLUT CRUSADERS' FIGHT
TO MAKE PROSTITUTION LEGAL

ARTICLE BY DAVID BUCHBINDER

Cops have been busting hookers since pussy's been for sale. Why are there no winners in the war against the ladies of the curb?

Prostitution

Fundamentalist Christians, right-wing politicians, radical feminists and the police believe the soul of America is at stake, and they are geared up for the fight.

Carmen wanted to be a teacher. She was a 29-year-old mother of two children working her way through school at an escort service on the west side of Los Angeles. The sex trade helped make ends meet and gave her the flexibility to attend classes. One night she got a call that would change her life. At the end of a massage at a man's house in Culver City, he tipped her and asked if she would finish off the massage with a handjob. He was an undercover vice cop. As soon as she touched the man's penis, she was arrested. Carmen's carefully balanced world tumbled into chaos.

She spent all of her savings on her defense, but prosecutors persuaded Carmen to plead guilty to prostitution, a misdemeanor.

The worst was yet to come. The Department of Social Services came to her door. Carmen couldn't imagine what they wanted. They wanted her children. She was considered an unfit mother. She managed to finish school, but the stigma of the prostitution arrest followed her. Background checks made finding a job impossible; so she went back to hooking. She was arrested twice more, then moved to Seattle, then to Las Vegas. Finally she took a position in a brothel in Nevada, a state where prostitution has been legal-

ized. "I just got tired of getting arrested," she says.

* * *

It surprises many Americans to hear that prostitution is perfectly legal in places like France and the Netherlands, or that a porn star was elected to Italy's parliament.

Hookers in America are viewed as offensive vermin that society would do well to remove or toss in jail. Prostitution is associated with drug abuse, sexually transmitted diseases and moral decay.

In recent decades, however, prostitutes, activists, feminists, civil libertarians and even johns have forged an alliance to support prostitutes' rights to work and live as free human beings. The efforts to legalize the sex trade have sparked an explosive, highly divisive debate that transcends sex work and points to the love/hate relationship that America has with sex itself.

Civil libertarians are pitted against family values crusaders, and feminists are split. Some women's groups believe that prostitution in and of itself constitutes violence against women; other female advocates claim that laws proscribing prostitution are a form of violence against women.

"We're not selling our bodies because

the client doesn't keep them; we do," says Mimi, a prostitute working in Los Angeles. "That means we're responsible for what we do with them."

Conflicting prostitutes'-rights organizations have formed, with COYOTE (Call Off Your Old Tired Ethics) advocating decriminalization. WHISPER (Women Hurt in Systems of Prostitution Engaged in Revolt) advocates prohibition.

As in the fight over abortion, moralists on one side, who passionately fight to legislate other people's personal lives, are pitted against libertarians, who defend the right to decide for themselves what they do in private. Christians and some feminists have become strange bedfellows in their condemnation of prostitution. Phyllis Schlafly, a rabid family-values right-winger, is known to quote from the work of fringe feminazi Andrea Dworkin.

"Archconservatives like William F. Buckley Jr. and Jewish radio personality Dennis Prager support decriminalization," notes Eddie Tabash, a prostitution defense attorney in Beverly Hills.

Legalization, which would create a government-regulated sex trade, and decriminalization, which would lift all existing prostitution laws, would be a decisive blow to America's Puritanical heritage. Fundamentalist Christians, right-wing politicians, radical feminists and the police believe the soul of America is at stake, and they are geared up for the fight.

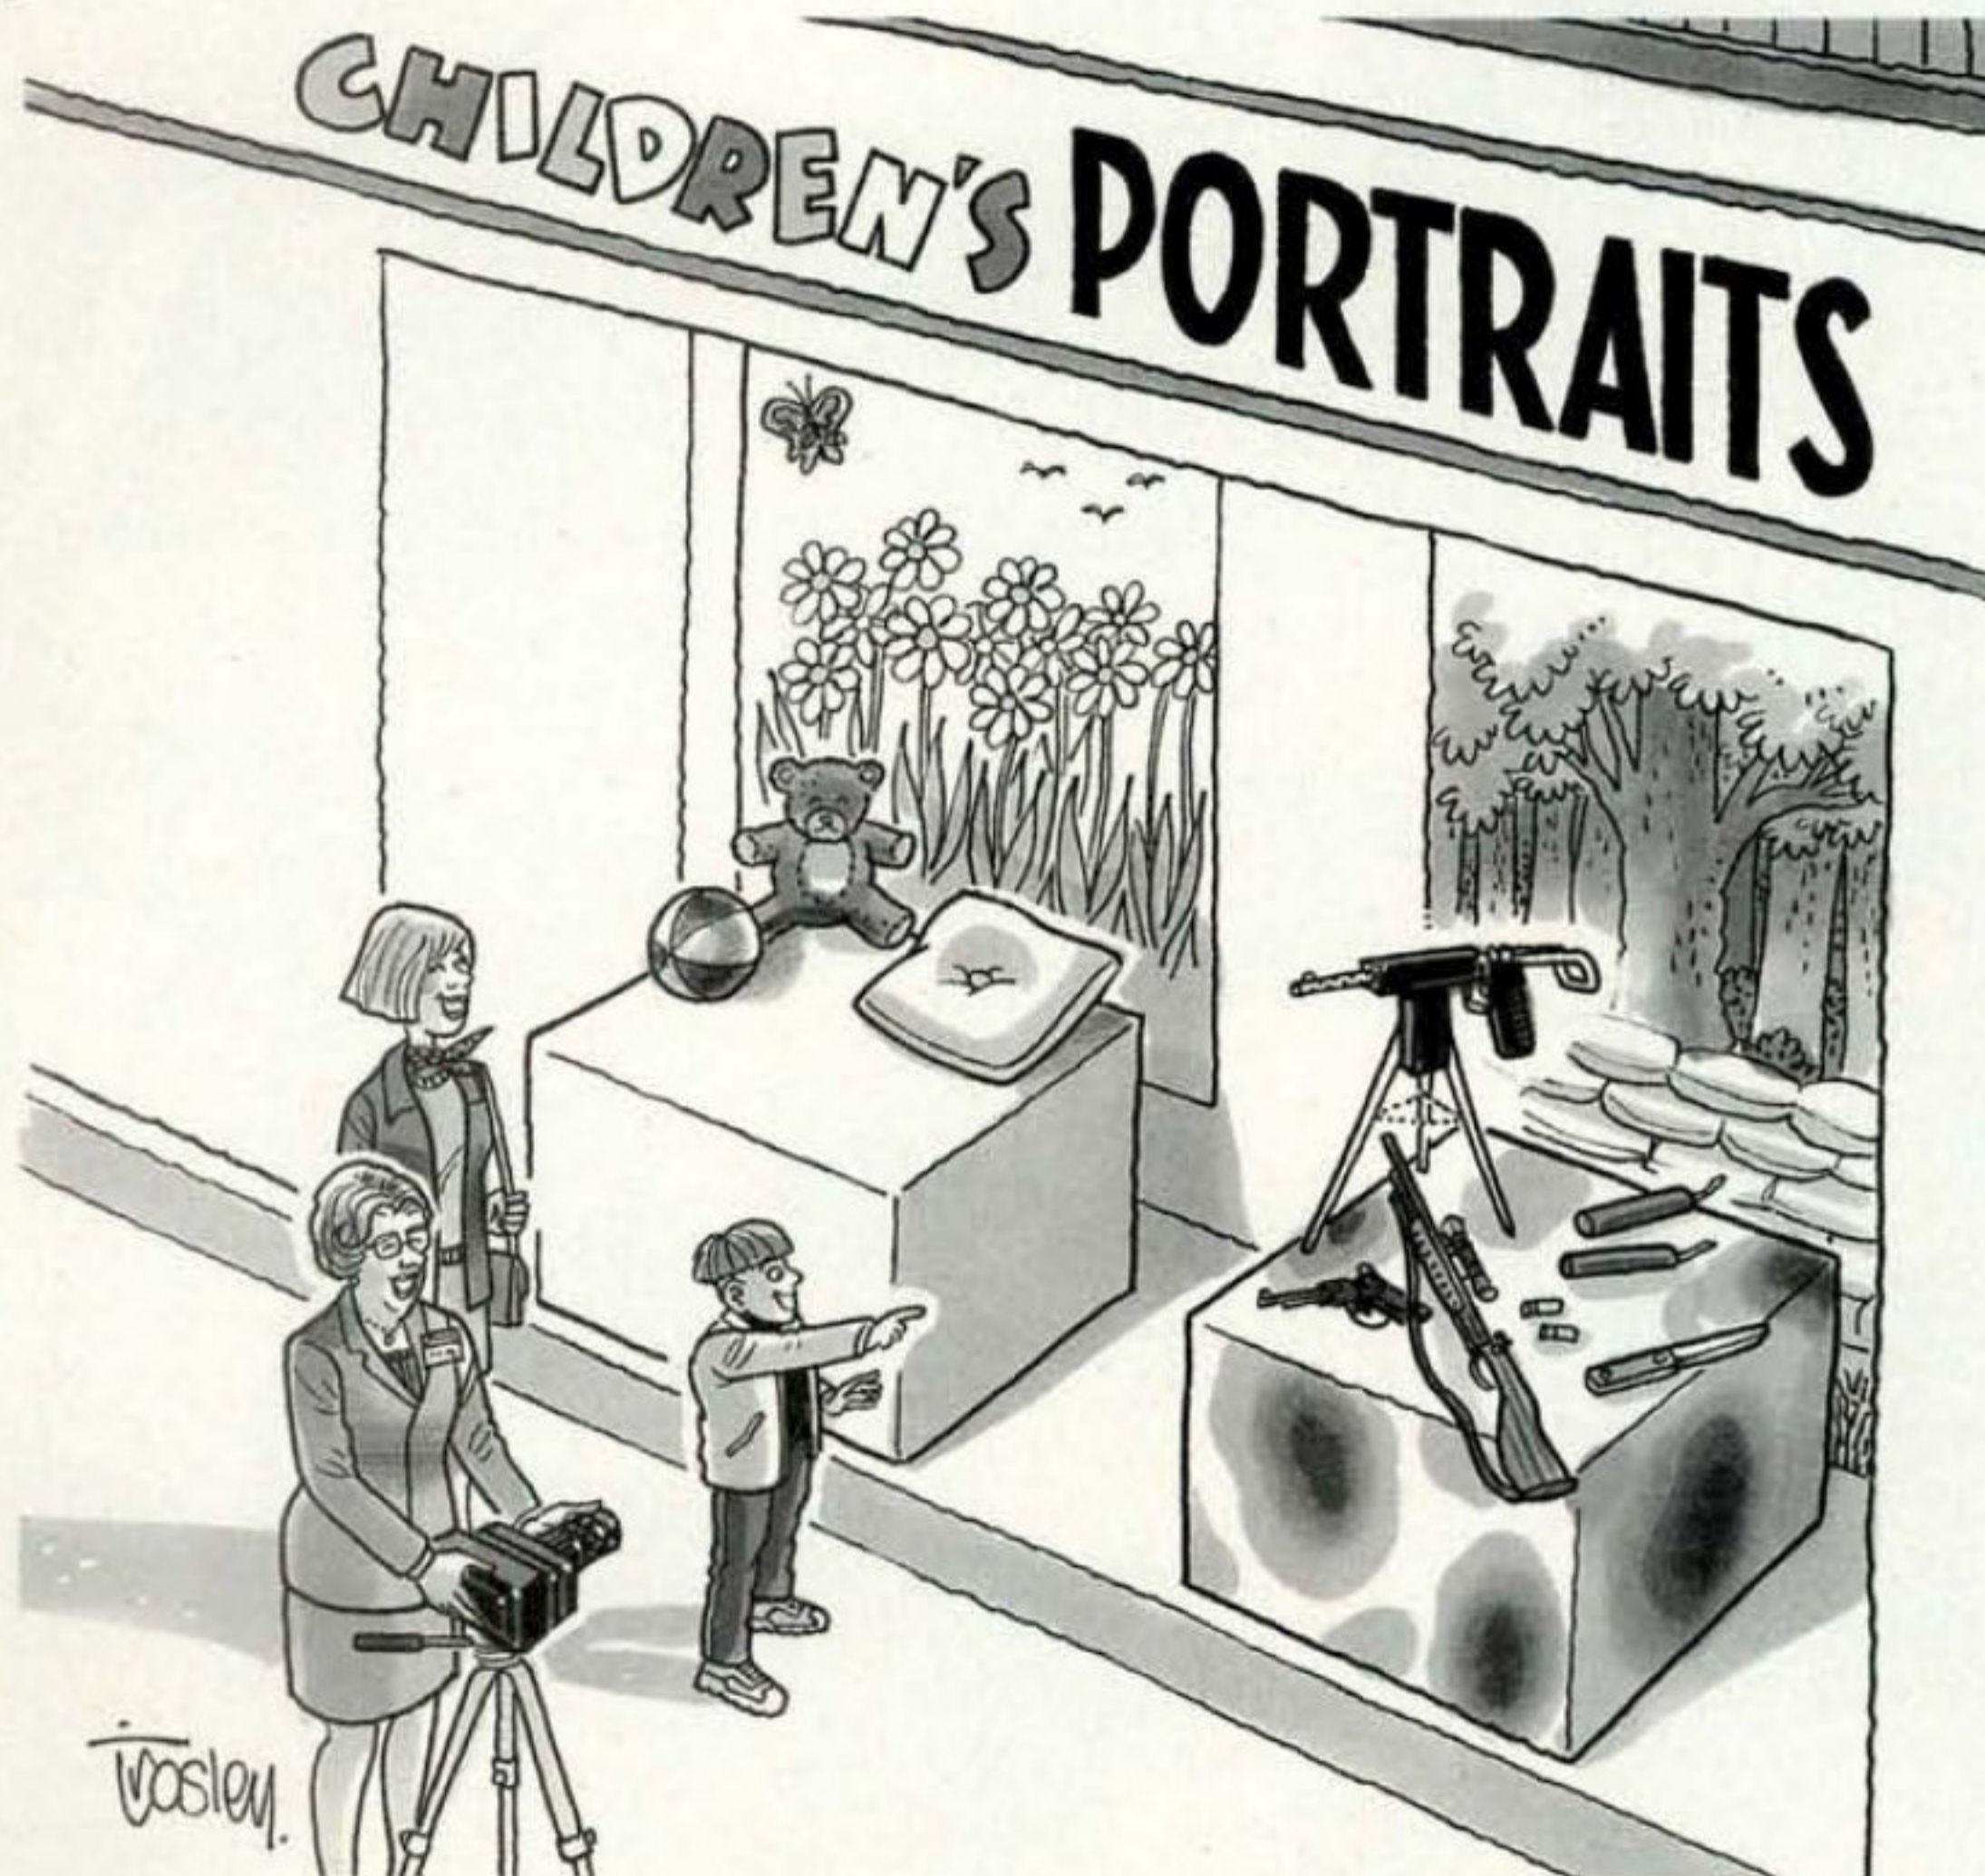

Currently, laws prohibiting prostitution are on the books in every state. Selected Nevada counties are the exception, having legalized the sex trade in 1970. In 1995, 53,494 women were arrested in the United States for prostitution and commercialized vice. According to the National Task Force on Prostitution, more than 1 million people have worked as prostitutes, representing about 1% of American women.

Feminists have had a hand in deciding the legal status of prostitution since the turn of the century. Moralistic feminists of the early 1900s called for criminalization, arguing that the virtue of all good women would be tainted by the sex trade.

Feminist support for prostitutes peaked in the 1960s and '70s, as "Second Wave" feminists argued that all women are forced to sell themselves in one form or another, and that while prostitutes may be more overt, that doesn't make them criminals.

"Feminism has been usurped by anti-sex women and men who believe that they have the right to control the bodies

Jackie spends the summer at a South Dakota dude ranch, where she pays extra to receive private instruction in Western pleasure from horse wrangler Tex.

"Nothing like a hot bath after a day in the saddle, Miss Jackie."

The high-plains harlot offers the sudsy cowpoke her snatch.

"I'm pretty soaked, Tex," Jackie murmurs.

Tex plunges his tongue into her narrow canyon. Tex licks Jackie's hard clit.

"Do you still feel sore after that nasty spill?" the rugged horndog asks.

"Sure 'nuff," Jackie replies, straddling Tex's trusty mount. "But the best way to overcome my fear is to climb right back on."

A photograph of a man, presumably Tex, lying in a white bathtub. He is wearing a light-colored cowboy hat and has a cigarette in his mouth. He is shirtless and appears to be relaxing. In the background, there is a wooden structure, possibly a shower curtain or part of the tub's frame, and steam is rising from the water. A woman's legs are visible on the right side of the frame, suggesting she is sitting on the man's lap. The overall scene is set in a rustic, Western-style environment.

Prostitution

(continued from page 64)

"I don't want to be protected from my work, from myself; I want to be protected from the people who would violate my right to choose."

of everyone else and impose their morals on others," says Norma Jean Almodovar, a former L.A. police officer turned prostitute who now heads the L.A. chapter of COYOTE. "I don't want to be protected from my work, from myself; I want to be protected from the people who would violate my right to choose."

Since the mid-1980s, radical feminists, such as Catherine MacKinnon and Andrea Dworkin (who has argued that heterosexual intercourse itself is an expression of hatred toward women), oppose sex work in any form, arguing that it exploits women, reinforces their status as sex objects and contributes to a general climate that endangers women.

In her essay "Prostitution and Male Supremacy," Dworkin writes, "Prostitution is in and of itself an abuse of a woman's body. When men use women in prostitution, they are expressing a pure hatred for the female body. It is as pure as anything on this earth ever is or ever has been. It is a hatred so deep, so deep, that a whole human life is reduced to a few sexual orifices."

Antiprostitution activists, such as Dworkin, believe that prostitution is so repellent that no woman in her right mind would consciously choose to do it; she must be forced into sex slavery, either eco-

nomically or literally, by a pimp.

Many whores feel ignored by a feminist mainstream that supports their right to choose as long as they choose as the mainstream does. Feminist prostitutes consider Dworkin and other prohibitionists to be ivory-tower elitists who wouldn't know what it's like to walk the streets.

"I hate the divide between feminists," says Jo Weldon of Feminists for Free Expression, in New York, which supports legalization. "We all want the same things—to cut down on rape and domestic violence—but what they're really objecting to is that prostitutes are of a lower class. They don't want to talk to a bunch of whores."

Radical Women is an organization dedicated to the revolutionary overthrow of capitalism and the patriarchy, which would be replaced by a female leadership. While it might prefer that prostitution not exist, since it does, Radical Women calls for legalization.

"Basically, it's about sexuality," says Nancy Reiko Kato of the San Francisco branch of Radical Women. "If you're sex-positive, you'd support legalization, and if you're more mainstream, you'd take a moral stand and say we've got to clean these women up."

While women have seesawed on the

issue, prostitution has become a \$14.5-billion-a-year industry in the United States.

When questions of morality are stripped from prostitution, many feel that the sex trade is legitimate and should be legal.

The American Civil Liberties Union (ACLU) is unflappable in its insistence that prostitutes are within their rights as adult citizens to sell their bodies if they choose to.

"We have always opposed victimless crimes," says Nadine Strossen, ACLU general counsel. "It is a core civil-liberties principle that what you do with your own body is your own business, not the government's."

The firm stance taken by antiprostitution feminists puts them in the awkward position of using the same argument against the sex trade that right-to-life activists use against abortion.

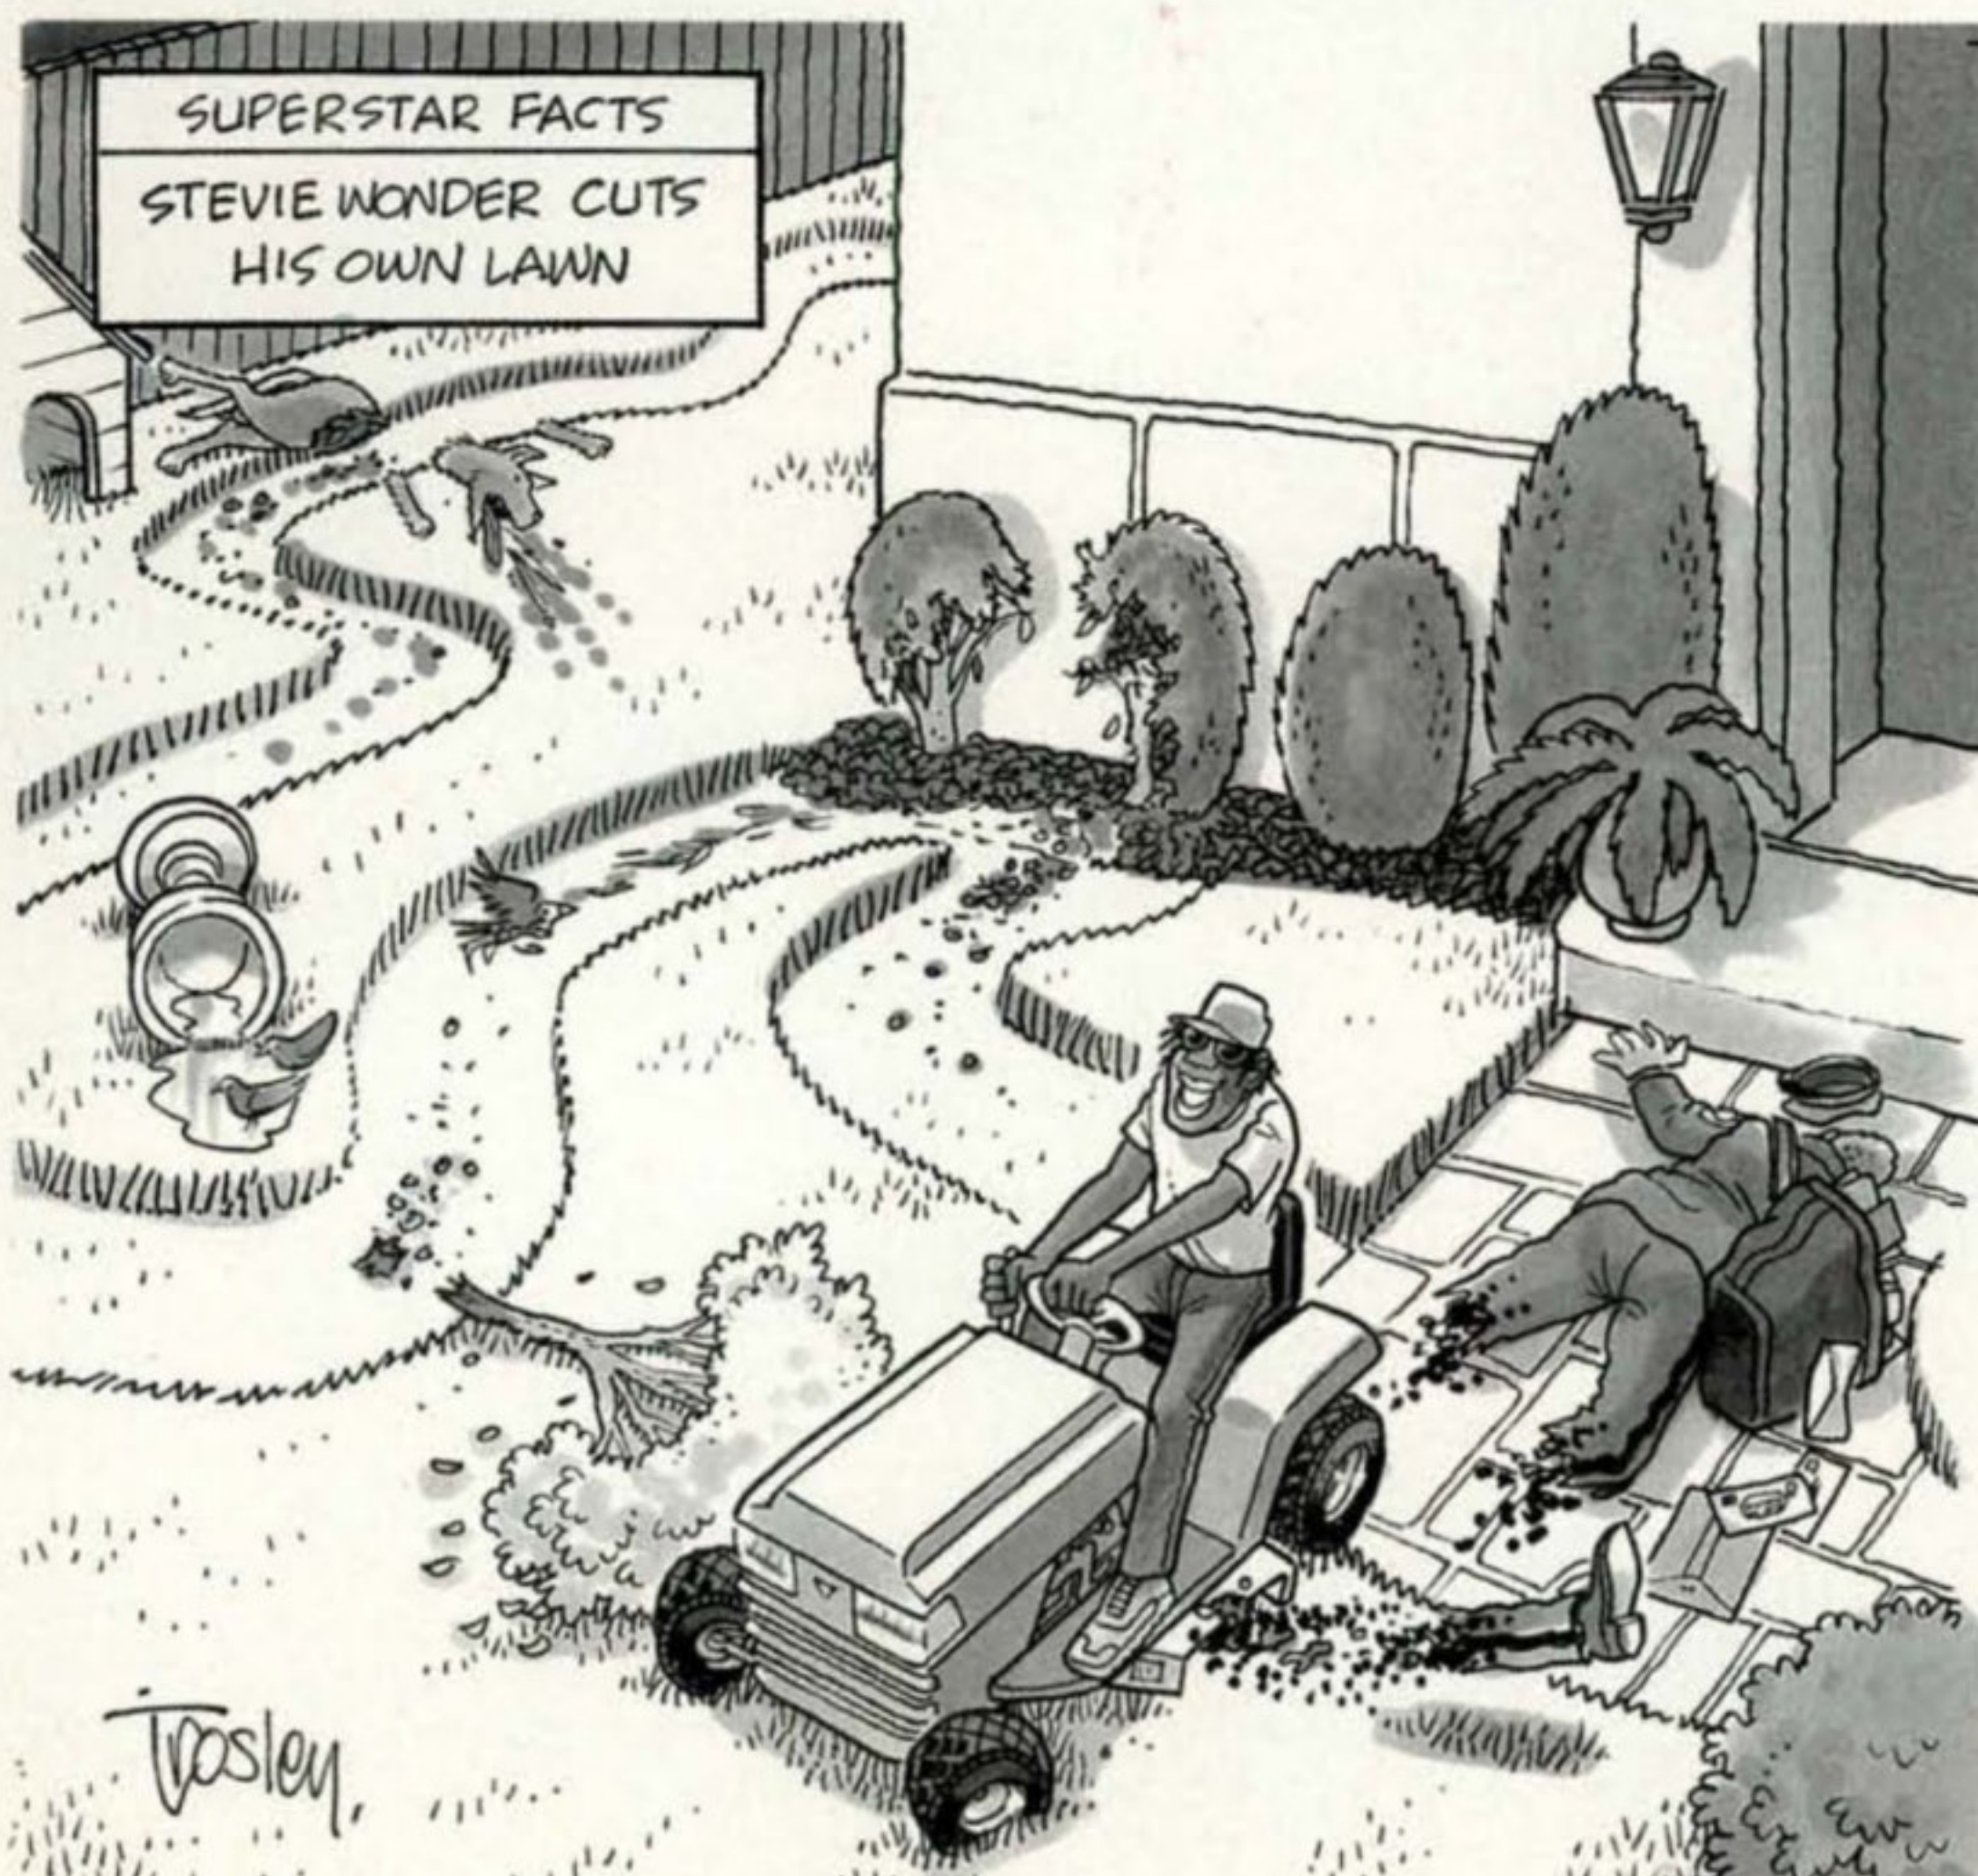

At issue is the zone of privacy, a cluster of rights guaranteed by the First, Third, Fourth and Fifth Amendments to the Constitution, that is used by civil libertarians to defend abortion, as well as prostitution.

"No less a personage than Ruth Bader Ginsburg, the recently appointed Supreme Court Justice, wrote in 1977 that prostitution most likely fell within this 'zone of privacy,'" writes prohibition activist Sam Bartlett, in his derisive essay, "Prostitution...A Right to Privacy?"

Strossen strongly doubts that the current Supreme Court would make decisions in favor of privacy rights. Reform happens legislatively state by state, which can be good or bad depending on where you live. Nevada is obviously onboard, but in Georgia, consensual sodomy between a husband and wife is illegal, and it is even illegal to sell a vibrator.

Strossen thinks Americans are hypocrites, suspecting that the same people who seek to outlaw prostitution and pornography indulge in it themselves. "Pornography is a \$10-billion-a-year industry," she says. "It's not like there are ten perverts out there spending a billion dollars each. Clearly all the people who engage in adultery or premarital sex or oral and anal sex, all of which is illegal in some parts of the country, don't think that they're doing anything immoral or criminal or dangerous or evil or perverse, but they think it's wrong for other people to do it."

While the prohibitionists and the legalization crowds take shots at each other in an ideological debate, and as

"Toot! Toot! Chug, chug, chug! Roll over, baby—here comes the butthole express!"

Prostitution

"The paternalistic aspects of the prostitution laws are a completely bogus excuse for arresting women. It's like giving someone the death penalty for attempting suicide."

court cases work through the judicial system, prostitutes continue to work in appalling conditions.

If you are a woman, and you are wearing a short skirt, and you are standing in a certain part of town, you are liable to be arrested. If, on top of this, you are carrying condoms in your purse, and on top of that, you are black, you stand an even greater chance of being arrested, even if you have never accepted a nickel for sexual favors in your life.

Nuisance or antiloitering laws that are used against prostitutes in street sweeps are usually written so that they must be applied to individual acts of loitering or nuisance; some police are empowered to make illegal arrests without any evidence on individuals.

Some 85% to 90% of the prostitution arrests involve street hookers, although curb service accounts for only 20% of the business. The wrath of law enforcement falls primarily on the shoulders of poor women. A disproportionately large number of those arrested and those sentenced to jail are women of color.

Most prostitutes won't report a crime that is committed against them in the course of their work. What they do is illegal. Many prostitutes don't even tell close friends what they do, leaving them isolated

and vulnerable to abuse and exploitation at the hands of pimps; 90% of them rely on pimps to drum up business.

Eddie Tabash finds it strange that in order to prevent hookers from degrading themselves, we demean them even further by throwing them in jail.

"The paternalistic aspects of the prostitution laws are a completely bogus excuse for arresting women," he says. "It's like giving someone the death penalty for attempting suicide. People are going to jail for something that is not a crime."

The tab for prosecuting acts that are not criminal is astronomical. Vice squads are known to make busts using a half dozen agents. On average, to arrest, process and incarcerate a hooker, who may be back on the streets before the arresting officer finishes her paperwork, costs upward of \$2,000. New York City alone spends \$23 million on prostitution control. In a recent study of prostitution policies, legal scholar Julie Pearl found that many municipalities spend more on enforcing prostitution laws than they do on education, public welfare, health care and hospitals.

Police may have an ulterior motive in their enforcement policies: Hookers are easy to arrest in large numbers, which pad

police crime statistics and make crime-to-arrest ratios look good on paper.

While hookers endure busts and police harassment, perpetrators of crimes against working women enjoy impunity. L.A.'s Southside Slayer butchered 14 prostitutes before police formed a task force to stop him. A total of 17 women were murdered in a three-year kill spree. Police admitted that they were reluctant to divert resources to the case since the victims were all prostitutes.

"When a man kills a prostitute, he feels righteous," writes Dworkin. "He has just gotten rid of a piece of dirt, and society tells him he is right."

Judges have been known to dismiss charges against a man who has raped a prostitute, because they feel that the law does not afford prostitutes protection. "A whore is a whore is a whore," explained one judge.

The best existing example of how a change in prostitution, pimping and pandering laws can improve conditions for women is Nevada.

"The United States has the problem," says Dennis Hof, owner of the Moonlight Bunnyranch, a brothel in Carson City, "and Nevada and the Bunnyranch have the solution."

If society cannot control the demand for whores, he reasons, the traffic should be legalized. "That's the best way to keep it safe for everyone involved," says Hof.

Women who work at the Bunnyranch, which has been operating legally since 1970, illegally since 1955, are now licensed to work by the state of Nevada. They pay taxes, have bank accounts and buy homes, just like normal working women, with one exception: They pay more taxes, have bigger bank accounts and buy bigger homes. They make a lot more money.

Suzette, the Bunnyranch madam, estimates that her girls earn between \$7,000 and \$30,000 a month. "They're the best-paid women in America," she says.

The girls at the Bunnyranch must agree to weekly health checks, including testing for sexually transmitted diseases, as a condition of their employment. "Look at a girl working a straight job," says Hof. "When's the last time she got her pussy checked? She's lucky if her HMO lets her see the doctor twice a year."

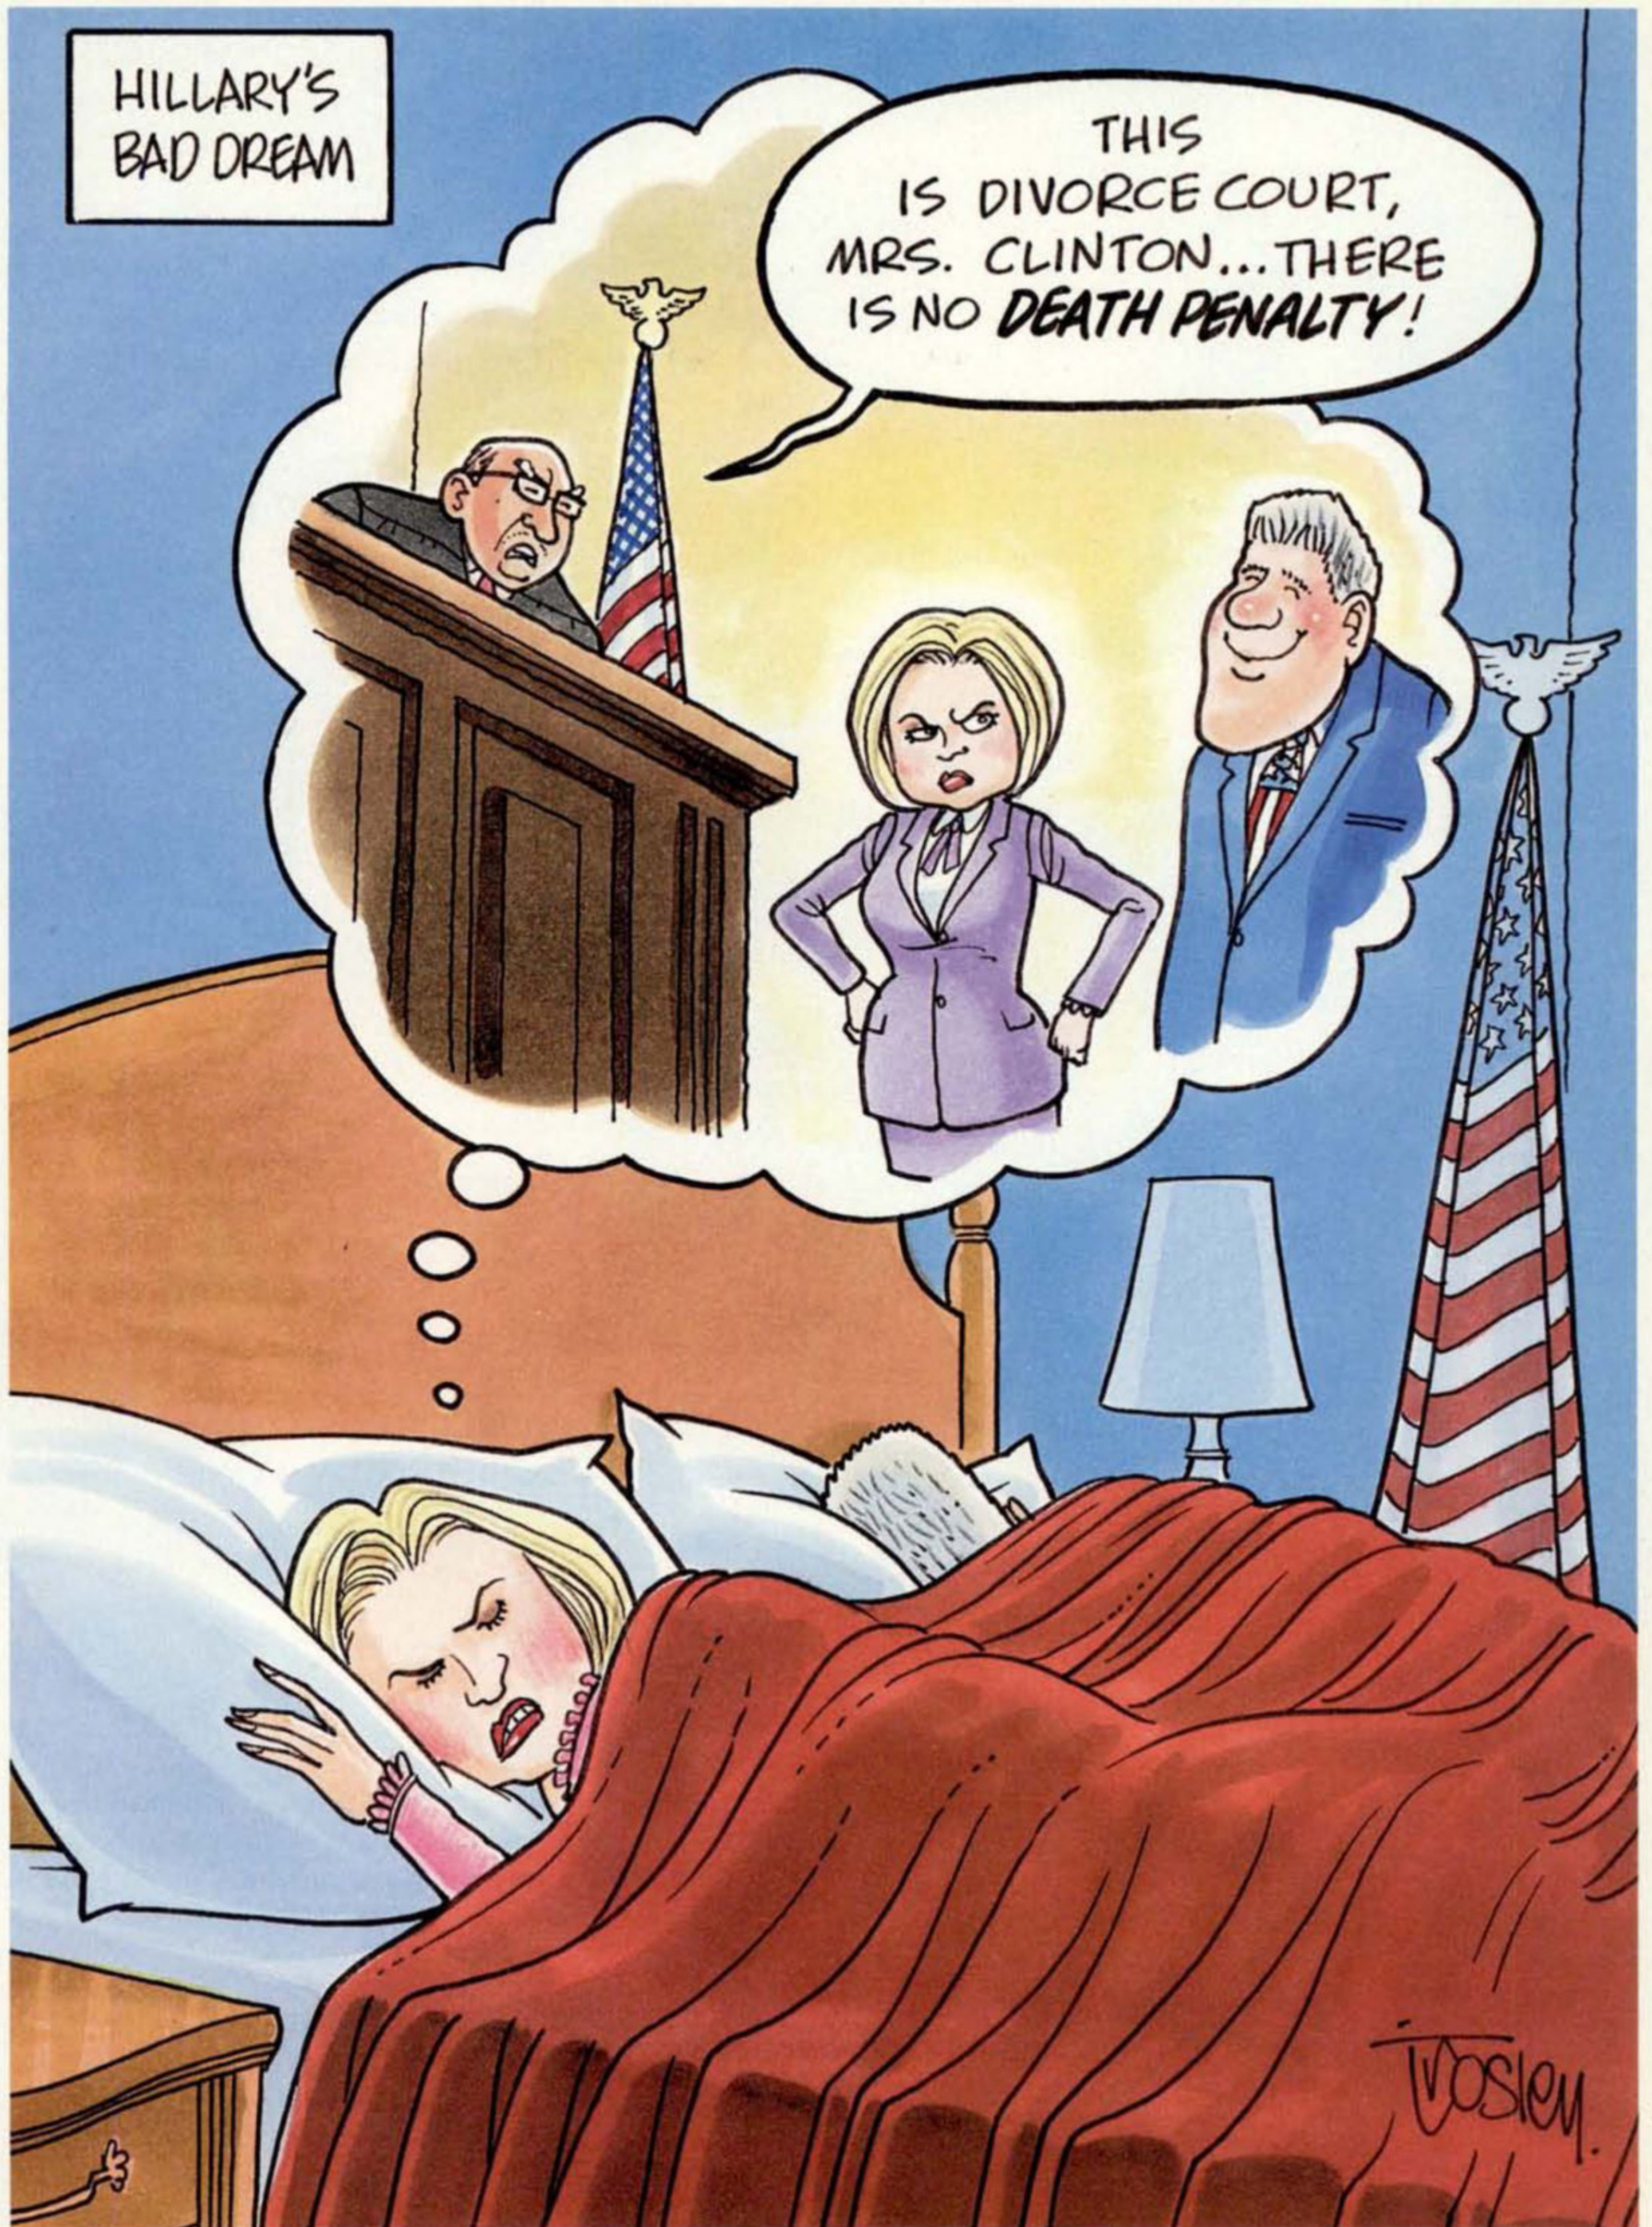

At the Bunnyranch, hookers put safety first, using condoms, checking customers' genitals for suspicious warts or lesions and washing all penises prior to insertion.

"There's a reason why I'm the hottest strip-mall stripper in Los Angeles," brags Sheena, slipping into her black heels. "Most exotic dancers think they're too good to mingle with the patrons, but audience participation is a big part of my act. Each night, one lucky dude is allowed to lick the pole after I slide down it. I ask volunteers to dance onstage with me. Some poor bastards blow their load in their pants when I slither next to them. For my big finish, I do a split at the edge of the stage. My fans run their hands along my thighs and even bite my nipples, but the only wad they leave in my snatch is a wad of bills."

Marty walked into a rustic pub and noticed a sign hanging over the bar that read: CHEESE SANDWICH: \$1.50; CHICKEN SANDWICH: \$2.50; HANDJOB: \$10.00.

Checking his wallet to make sure he had enough money, Marty beckoned to an attractive, blond waitress serving cocktails to a group of attentive men.

"Excuse me, ma'am," Marty whispered. "Are you the one who gives handjobs?"

"Yes," the curvaceous blonde purred, "I am."

"Well, wash your hands," Marty said, "and make me a cheese sandwich."

Question: Why did the American lesbian cut short her visit to China?

Answer: She missed her native tongue.

Best friends Bill and Tom relaxed in the sauna after their workout at the gym.

"Hey, Tom, do you wanna see a magic trick?" Bill inquired.

"Sure," his friend replied.

"Okay," Bill said, "turn around, and kneel down."

Tom assumed the position.

"There!" Bill enthused. "Does it feel like you have a thumb up your ass?"

"Yes!"

Bill waved both hands in the air. "Magic!"

Question: How do you know your girlfriend is ugly?

Answer: The waiter puts her plate on the floor.

Agnes, an elderly nymphomaniac, burst into the crowded recreation room of the nursing home during arts-and-crafts hour. Holding her clenched fist in the air, the plucky old woman proclaimed, "Whoever can guess what I'm holding in my hand can have wild sex with me tonight."

The room was silent for a moment.

"An elephant?" ventured a senile old coot.

"Close enough!" Agnes replied.

Miss Smith explained the difference between poetry and prose to her third-grade class.

"Poetry often rhymes. For example: *Mary had a little lamb/its fleece was white as snow/Everywhere that Mary went/the lamb was sure to go.*

"If I change the last line to *the lamb went with Mary*, the poem becomes prose."

Miss Smith asked her class if anyone could give an example of poetry or prose. Little Johnny raised his hand and recited: "*Mary had a little pig/an ornery little runt/He stuck his nose/in Mary's clothes/and smelled her little—*" Little Johnny paused. "Do you want poetry or prose?"

"Prose! Prose!" exclaimed Miss Smith.

"Asshole," little Johnny said.

Three horny, drunken Canadians were driving through rural Manitoba when they spotted a sheep with its head stuck in a wooden fence.

"Man, I wish that sheep was Cindy Crawford," the first guy said.

"I wish it was Pamela Anderson," drooled the second.

"Boy, I wish it was dark," added the third.

The HUSTLER Dictionary defines *innuendo* as: an Italian suppository.

A shapely blonde was shopping in a hardware store.

The helpful clerk asked, "Do you wanna screw for that hinge, ma'am?"

The blonde replied, "No, thanks, but I'll blow you for this toaster."

On a cross-country jaunt, Kevin spent one very drunken night in a small, Southern town. The next morning he noticed a thick, pink ring circling the head of his penis and a brown ring around the base of his shaft. Fearing the worst, Kevin went to the local doctor.

After a brief examination, the physician said, "Well, I have good news and bad news."

"Give me the good news first," Kevin said.

"The first ring is lipstick," the medic explained.

"What's the bad news?"

"The second ring is chewing tobacco."

RAPISTS, KILLERS AND CANNIBALS

TEN SICK FIENDS FROM THE SEX-MURDERER HALL OF INFAMY

ATROCITY OVERVIEW BY MARK TAYLOR
ILLUSTRATION BY PAUL BROWN

Sex-crazed killers are more common than scum, but these twisted psychopaths set new lows for human depravity.

Sex Crimes

Shawcross liked butchering fresh corpses and seasoning the meat for consumption. He cut out and ate the tastiest and most tender body parts and always saved the vaginas for last.

Pedro Alonso Lopez—Recognized for sheer quantity of substantiated sex killings at 300.

Pedro Alonso Lopez was born poor in Colombia and was rejected by his prostitute mother, who despised men and took her hatred out on Pedro. By the time he was eight, little Pedro was already an avid sexual molester.

When Pedro's man-hating mother caught him with his hand in his little sister's panties, she beat him until he was unconscious and kicked him out of the house.

At age 18, Pedro landed in jail for stealing cars and repeatedly attempting to fondle girls. In jail he was gang-raped by older inmates. Upon release, he hunted down three of his attackers and brutally tortured and killed them. They may well have been the only men he ever murdered.

From the mid-1970s to the mid-'80s, Lopez killed 100 young girls in Peru. Most of his victims were between the ages of six and 16. Pedro lured them into the forest, then raped them. He liked girls to beg for their lives. Sometimes he'd promise to spare a captive, but ultimately he'd bash her head in with a rock or strangle her.

Most of Alonso Lopez's victims were

poor and came from small farming communities. Girls ran away to the city to escape poverty or were lured off by pimps. No one was surprised when they came up missing.

After his arrest and conviction for the killing of several girls in Peru, Pedro Alonso Lopez managed to convince authorities to take him to Ecuador instead of punishing him for his crimes. In Ecuador he renewed his killing spree.

There was a time when Pedro would rape, torture and kill a girl in the space of an hour. He changed though, and he subjected his victims to prolonged torment, allowing some of them to die of injuries or starvation. He opened gaping wounds on a girl's body, then fucked the bloody hole. Some victims he kept tied to trees next to open graves. He collected corpses to fuck in the tropical climate, but the bodies putrefied quickly, and Pedro dumped the gory remains into pre-dug graves.

Lopez's crime spree ended in 1980. A flash flood uncovered a mass grave containing the bodies of more than 50 girls. After Pedro's arrest, police doubted his confessions, until he took them to several mass-burial sites and scores of locations where his victims were buried.

Arthur Shawcross—A world-class

sex cannibal with a gourmet flair.

Arthur Shawcross was a quiet kid and showed none of the murderous and sexually bizarre cannibalistic behaviors that marked his stint in the Army during the Vietnam War. During his tour of duty, Shawcross ate two Vietnamese girls. In the jungle, Shawcross had a reputation for killing everything in sight: dogs, cats, cows, captured Viet Cong suspects and innocent villagers.

Upon returning home in 1973, Arthur was at it again. He served 15 years in prison for raping and murdering two girls before being paroled in 1987. He moved into a quiet neighborhood in Rochester, New York, and within days, girls and women started to disappear. Over the next two years, Arthur kidnapped, fucked, tortured, killed and cannibalized 11 girls and young women.

Shawcross liked butchering fresh corpses and seasoning the meat for consumption. He cut out and ate the tastiest and most tender body parts and always saved the vaginas for last. He would season the vaginas with salt, sauté them in butter and onion and then lightly bread and bake them.

Like many sex murderers, Arthur blamed his mother, saying she often enjoyed ramming a broomstick up his ass when he was a kid.

Danny Rolling—Parleyed a one-day killing spree into a cult following.

Danny Rolling was a punk from the beginning, a loser who thought he was a winner. He is still a punk, but now he presides over a throng of followers, mostly idiots and losers, from his cell on Death Row in Florida.

Until Rolling started raping and chopping girls to death, nothing was very remarkable about him, except his failures. He failed at everything he tried; he probably couldn't even get fucked.

All of that changed in 1990, in Gainesville, Florida, when Rolling murdered four coeds and one of the women's football-playing boyfriends. Rolling surprised his victims inside their apartments and quickly killed the females, had sex with the bodies, and decapitated one of the corpses. When one victim's boyfriend came to her defense, Rolling chopped him to death too. He went ballistic on the corpses, chopping, carving, slashing, slicing, stabbing and finally dismembering them entirely.

When police came to the gruesome

"When I came up north to enroll in the Fancy Lady Exotic Dancing Academy, I had no idea New York City would be so expensive," laments starving sex student Tammy. "In Georgia, I could rent a palace for what I pay for

this dingy rattrap." The randy hillbilly reclines on her lumpy mattress. "I worked out a deal with the landlord, Mr. Wadsworth. He doesn't mind if I'm a little behind on the rent as long as I give him a monthly dose of Southern comfort." Tammy parts her peach-smooth ass cheeks. "Mr. Wadsworth is a cornhole connoisseur. He can tell by the way I move my butt that I'm destined to be a famous dancer." Tammy giggles. "He can say he knew me when I was just a struggling whore."

Sex Crimes

As time passed, he became more perverse, supergluing his victim's eyes closed or stunning them with a powerful, electroshock machine he devised.

scene, blood and guts and body parts were everywhere. There was not much left to identify.

Rolling's next great accomplishments were being convicted of murder, getting engaged behind bars, coauthoring a best-selling book, *The Making of a Serial Killer*, and hocking his original artwork over the Internet. Today he is an antihero, a cult figure who sees in himself a full-blown celebrity. He has sold his amateurish paintings for thousands of dollars. During one courtroom appearance, Rolling begged the court for permission to ask his book coauthor, Sondra London, to marry him. The court demurred, and the bride-to-be blushed and accepted his marriage offer. The court gallery, filled with his dimwit followers, applauded.

Rolling has finally found the success that for so long eluded him. From his popular Web site, he dispenses advice, excoriates his enemies and belittles his would-be friends.

Gary Heidnik—A brainy butcher who preyed on retards.

In 1986, Gary Heidnik, reported to have an IQ of 130, decided that he needed a harem of ten women. He started his own church, but couldn't convince women to

join his congregation. He built a portfolio of investments worth \$500,000 and apparently still couldn't entice women into his harem; so he lowered his standards. Heidnik started preying on overweight black women who were mentally retarded; some were little more than vegetables with vaginas. After tricking them into his basement, he chained them to pipes. Some he kept alive for months to have sex. Others he hung by the wrists until they died of starvation or from his vicious sexual attacks. To the utter horror of the survivors in the harem, he would then use a chainsaw to butcher the corpses.

Some of the human flesh, the assholes, vaginas and breasts, he saved for himself, but the bulk of the meat he'd cut up and force through a food processor, then mix with dog food for his harem to eat. When police finally raided Heidnik's house, they found a roasted human rib in the oven, as well as a human forearm in the freezer.

Heidnik blamed his demented behavior on Army LSD experiments that he claims to have been subjected to in the early 1960s.

Chris Wilder—Used the oldest scheme in the book to dupe his victims, and it worked.

It should have been a snap for Australian Chris Wilder to seduce women; so why did he end up going kill crazy for sex? He was a race-car driver and jet-setter who somehow got off track and lured eight wanna-be models to their grisly deaths with the age-old line: I'm a professional photographer looking for new talent, and I think you have an interesting look.

After charming his quarry to a remote location, where he'd shoot several rolls of film, Wilder would try to seduce them. Some found him attractive and welcomed his come-ons, others did not, but either way, he would beat his models brutally, rape them and probe up their asses with screwdrivers. He would rest for a while and repeat the heinous procedure until he was totally spent.

When the police finally sniffed out Wilder's trail, he went mobile, cruising in his expensive sports car and picking up women in shopping malls all across America. As time passed, he became more perverse, supergluing his victim's eyes closed or stunning them with a powerful, electroshock machine he devised. When Wilder tired of a girl, he killed her, had sex with the corpse and then dumped it along the roadway, a move that helped police plot his route from California to the East Coast.

One of his victims convinced him not to kill her. She became his accomplice, helping him kidnap, torture and kill two girls. After Wilder dropped the girl off unharmed in Massachusetts, a police cruiser spotted him and pulled him over. The officer and Wilder struggled in the killer's car. During the fight, a gun went off, and Wilder was killed.

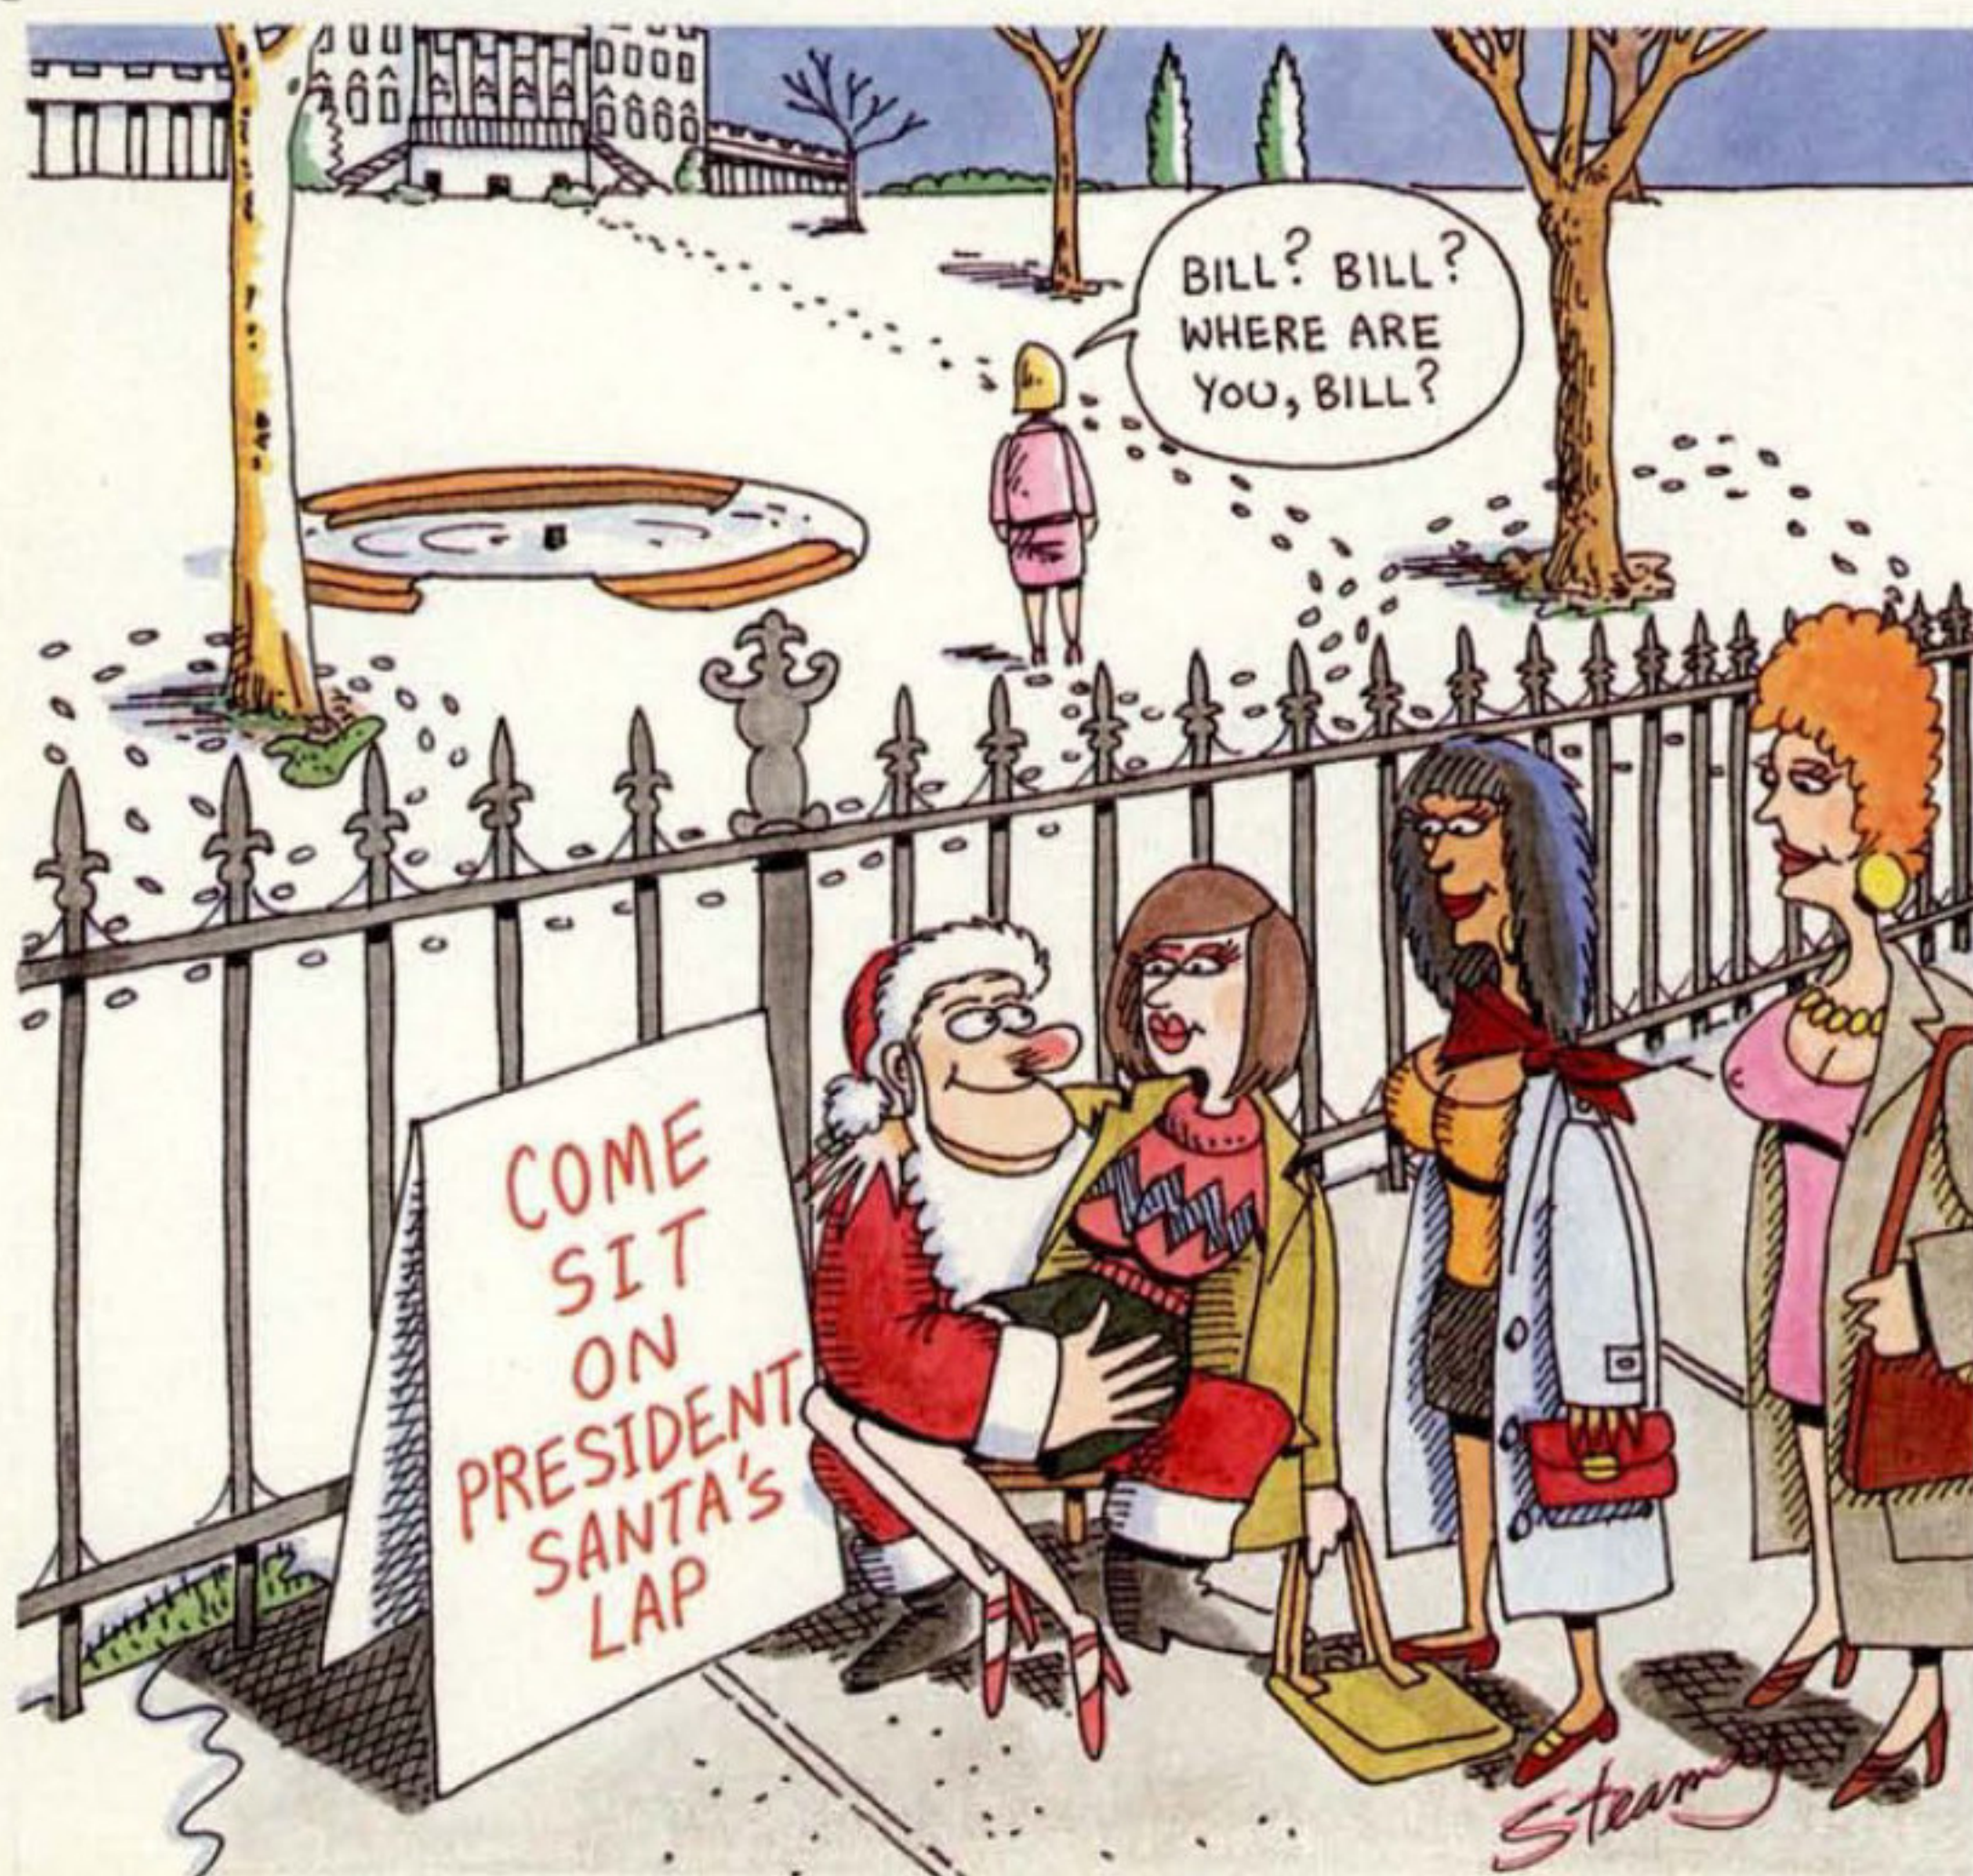

The Gonzales Sisters—Bitches from hell.

Delfina and Maria Jesus Gonzales ran the Whore House on Elm Street. The sister madams were once beautiful and dedicated to running the most popular whorehouse in Guanajuato, Mexico, but they ended up fat and ugly and murdering nearly 100 girls and johns before they were stopped.

If one of the brothel girls wanted to leave the Gonzales house or was stupid enough to ask for a bigger slice of the pie, the whore was stripped, bound and gagged, then killed. If a girl was too pretty or had too many customers, sooner or later, the sisters went berserk with jealousy, and the girl disappeared.

After gaining experience killing employees, the madams started murdering

Sex Crimes

Doug started blowing girls' heads off with a handgun just as he ejaculated in their mouths. Carol liked to chop dead girls' heads off and do their hair and apply makeup.

belligerent johns. If a man was rough with the merchandise or refused to pay, or if he arrived with a big wad of money, he was dead meat. The Gonzales Sisters took turns doing the actual killing; usually one would divert the man with a blowjob while the other came up from behind and bashed him in the head with a metal poker.

Authorities investigated a rash of businessman disappearances and ascertained that many victims were last seen patronizing Delfina and Maria's whorehouse. When police arrived, Delfina and Maria were rushing around trying to hide dead bodies. Outside in a Dumpster, police found human arms, legs, heads, hands and torsos. Inside, police discovered 11 male corpses in closets and 80 female corpses in the basement. Upstairs, they discovered fetuses, placed on shelves, that had been strangled with their own umbilical cords and carefully wrapped in blankets.

Dennis Nilsen—Had tea and crumpets with cadavers.

Considered the British Jeffrey Dahmer, Dennis Nilsen felt alone, really alone. He longed to have someone around all the time, but he was such a weird fucker, no one was interested.

Over a ten-year period, starting in 1973, Nilsen lured mostly young men, but several young women, to his apartment, promising alcohol and drugs. Once his guests passed out or fell asleep, the host strangled them.

Nilsen would have sex with the corpses and bathe them, taking time to clean under fingernails, style their hair and dress them smartly. Neighbors told authorities they thought he had guests over because they could hear his conversations. After cleaning and dressing his marionette friends, Dennis would have sex with them or masturbate and come on their faces. Then he'd clean them up and put them under his bed.

When Nilsen felt lonely, which was often, he would pull his friends out to watch TV or have sex or just lie around and pass the time. In spite of his attempts to keep his friends clean and tidy, they would rot. He'd cut off the rotting part and throw it away or flush it down the toilet. What remained was put back under the bed. Ultimately, nothing was left but a putrid, mutilated, maggot-infested corpse.

Police discovered Dennis Nilsen's secret after neighbors complained about the horrendous smell, and because he had clogged the plumbing—flooding

several apartments below—in an attempt to flush body parts.

Doug Clark and Carol Bundy—The couple that rapes and kills together stays together.

Doug Clark aspired to be quite a stud, calling himself the King of the One-Night Stand. In the early 1980s, he and his girlfriend, Carol, liked to go to clubs, do drugs and stay up all night fucking. One thing Doug really liked was to pick up young prostitutes on L.A.'s Hollywood Strip. Carol got her jollies from photographing the girls as Doug fucked them.

As these party animals became more strung out on drugs, Doug started blowing girls' heads off with a handgun just as he ejaculated in their mouths. Carol liked to chop dead girls' heads off and do their hair and apply makeup.

Doug would then use the heads for blowjobs. When he went out, he would carry a head with him in a paper sack, just in case the urge for a blowjob snuck up on him. At home, he kept skulls in the refrigerator for freshness. Eventually, Doug would be forced to dispose of the heads, which was difficult because he became fond of them.

The house of heads came crashing down when Carol fucked an old boyfriend and told him what was going down, and he threatened to go to the police. Carol stabbed him in the chest with a 12-inch knife and then cut his head off. She was carrying the head around in her car when police made a routine traffic check and discovered it. The head count was 12 dead, but authorities are convinced this couple was responsible for many more.

Adolfe de Jesus Constanzo—Killed them the old-fashioned way, then ate them.

If you were unlucky enough to meet Adolfe de Jesus Constanzo on his home turf in northern Mexico in the 1980s, you'd probably be dead right now, but before you died, you would have your lights fucked out. Constanzo was a voodoo priest and was constantly surrounded by his army of zombie devotees. He wore black robes and a human spine draped around his neck. Constanzo grew up in the ghetto, but steadily climbed his way up, working as a drug dealer. He had a charismatic personality and started his own church, the Palo Mayombe, a Pan-African offshoot based on sex, human sacrifice and blood lust.

Constanzo was said to be able to con-

Shandra of Los Angeles, California, enforces the natural law of desire. When she's not playing correctional officer, the 23-year-old housewife likes to ride her bike. Photo by Husband

Welcome to the USA, Berta. The leggy, 25-year-old, German strumpet reveals nothing to *Beaver Hunt* aside from her delectable body. This mystery lady should inspire many American males to brush up on foreign affairs.

Photo by Boyfriend

Cat debunks the myth that San Francisco, California, is a haven for insatiable sex freaks. When she's not displaying her orifice at the office, the 22-year-old student enjoys kayaking. Does Cat's empty in-box mean she's ready for a new position?

Photo by Friend

Scarlet is a housewife, mother and true romantic. The 29-year-old West Columbia, South Carolina, lady dreams of going to a mountain hideaway with her husband. After making passionate love and drinking a bottle of "bubbly," Scarlet and her man would cool down with a "nude snowball fight." What's next?

Sodomy in a one-horse, open sleigh?

Lynette is a 27-year-old dancer from Ponchatoula, Louisiana. Modeling and swimming are among her peak experiences. Engaging in "hot, steamy sex" is Lynette's other love. When it comes to Southern fried lovin', it's not just the meat, it's the humidity.

Photo by Friend

Adrienne, a model from Stoneham, Massachusetts, exhibits the results of her demanding bodybuilding schedule. The smoldering, 24-year-old cock-a-holic wants to have rough sex with "two guys or two girls at the same time." Smells like team spirit, Adrienne.

Photo by Friend

Meet S&M superwoman Nikita from Killeen, Texas. The 30-year-old exotic dancer is searching for a male slave that she can "tie up, hang from the ceiling and whip into submission." And they say feminism is dead.

Photo by Boyfriend

This ripe and tender export from Detroit, Michigan, is a 19-year-old waitress named Peaches. A student in the classroom of life, Peaches believes in the old-fashioned disciplines of "reading, writing and oral sex." Who needs book learning when you're fluent in fellatio?

Photo by Friend

Desiree of Ottawa, Canada, yearns to whip some deserving dude into shape. The 23-year-old horse lover has a single fantasy: to have a man make her come. Any of you studs ready for a quick trot around the tuna corral?

Photo by Friend

Kathy, an avid sun worshiper from Norwich, New York, takes a break from the battle of the sexes. The 29-year-old, bronzed warrior wants to fulfill her sexual fantasies by "going nuts in Jamaica." Hope you know the difference between a rifle and a loaded gun, Kathy.

Photo by Husband

Katie of Kansas City, Kansas, bares her shaved mound and naked ambition. The 20-year-old student is also a lust-crazed equestrienne who wants to ride into the sunset with her fiancé and "make love wearing only my cowboy boots." We admire perverts with a pioneering spirit.

Photo by Friend

Destiny Raine has a name that evokes an exotic fragrance or an exotic dancer. Taking candlelit baths and writing poetry are some of the sacred rituals of this 26-year-old, Vidor, Texas, college sophomore. "Having sex on the hood of a Corvette in the rain" expresses her earthy side. Destiny Raine is a delightful downpour.

Photo by Husband

Jackie of Dallas, Texas, embodies the freewheeling joy of summer. Oral sex and older men take up this 21-year-old student's leisure time. That's one way to work your way through college, Jackie.

Photo by Friend

Angie is a self-employed hussy from Wilmington, North Carolina. The 25-year-old gal likes to "fly kites and spend romantic evenings" with her man. Angie's ideal erotic adventure involves "two beautiful women, whips, honey and black leather." A touch of sweetness and a dollop of perversion add up to one classy broad.

Naughty Nici Sterling lets
loose a gusher as woods-
man Wilde Oscar strokes
her tender folds and
fanny! Older, bolder
Zeena Dean unleashes
her femme-juice for Dave
Hardman's hard-on! With
Nicole London and
Melissa Monet between
her thighs, Kerri Downs
dribbles her way to one
climax after another! And
Peter North satisfies Jill
Kelly and Alicia Rio with
his thick bone as the
original "Rainwoman,"
Fallon, fingers herself to a
womanly flood!

Rainwoman 10: Sexy
starlets Christi Lake,
Stephanie Swift and
Caresa Savage welcome
XXX-lovin' aliens Ron
Jeremy and Mitchell
Grant (and their "squirt-
inator" ray-gun) with open
legs! Christi's pretty puss
purrs — and unleashes a
torrent of cream — for
Mitch's mighty meat!
Stephanie swallows Tony
Tedeschi to the root
before gushing for his
pumping gland! And after
Nici Sterling splashes
Wilde Oscar's wood with
wetness, Titiana opens
box and burn in a ball-
slappin' d.p.l!

Rainwoman 11: The
drought is over... and
newcomer Vicca is a
squirt to be reckoned
with! See her spread her
pink for Rebecca Lord's
tongue and toys - then
suck, buck and let loose a
gusher for Vince Voyeur's
big gland! Red-hot
Roxanne Halle drains
John Decker dry atop a
vintage auto! And Nici
Sterling squats atop
Wylde Oscar's hard
throbber 'til she squirts -
and as Bunny Bleu takes
it up the tail! With Brooke
Ashley, Guy DiSilva and
more.

Rainwoman 12: More
gush for your gander!
XXX producer Kyle Stone
discovers the next Fallon
(Taren Steele) in a film
but doesn't know her
name! In his pursuit of
the sensational squitter,
he hires a private dick to
find the flash-flooder!
See Nici Sterling answer
Jacklyn's pierced tongue-
tango with a slit-soaking
gusher! And when Taren
is finally found, she
demonstrates her wet
specialty by drenching
Kyle in womanly juice 6
times! Newcomer
Jezibel Rair demonstrates
her flair for flooding in
first-rate spasm-splashy
style!

Luscious Kelly O'Dell opens her mind and legs for a virtual reality toy. She finds a stud burying his face in her pretty muff. Kelly and Tina "visualize" a fingering fantasy of 5 females with a beefy buff hunk. Sultry Sierra and Kelly share licks on a man's love muscle before they bend over for it—MORE with Tiffany Mynx and Deborah Wells! **90 X-rated minutes.**

THE VIRTUAL VIRGIN

This super-stretchy jelly masturbator can envelope your bulging penis like a fleshy flower. Lavish your big boy in water-soluble lube and feel the wonderful tightness as you press your erection between the fleshy folds. Add the removable vibrating egg to the opposite end and savor multi-speed vibrations to a mind-bending, orgasmic release! Egg is powered by 2 AA batteries (sold separately).

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

**THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM
USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION
SATISFIED CUSTOMERS.**

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive POWER VACUUM CONTROLLER that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

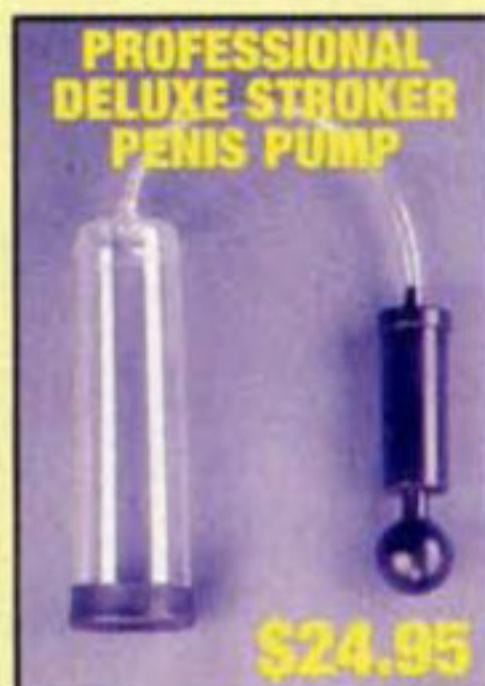

After more pumping the penis is removed from the tube and the penis is about 11 inches.

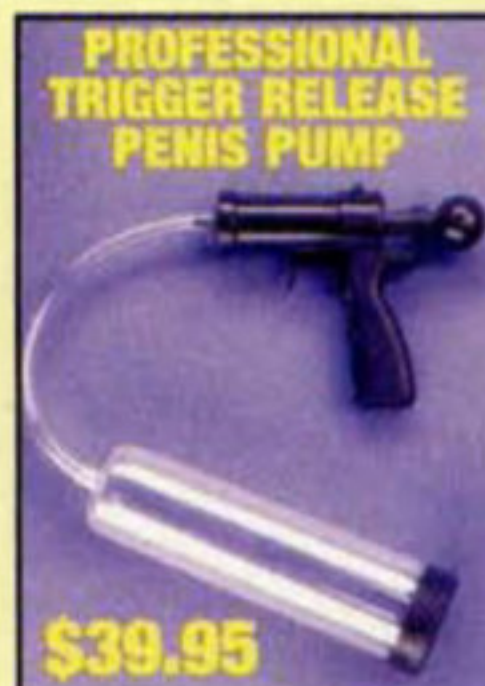

Even when the pump is not used the penis "hangs" thicker and longer.

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness ■ Stimulate a harder and more powerful erection ■ Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm

The "original" and the worlds largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

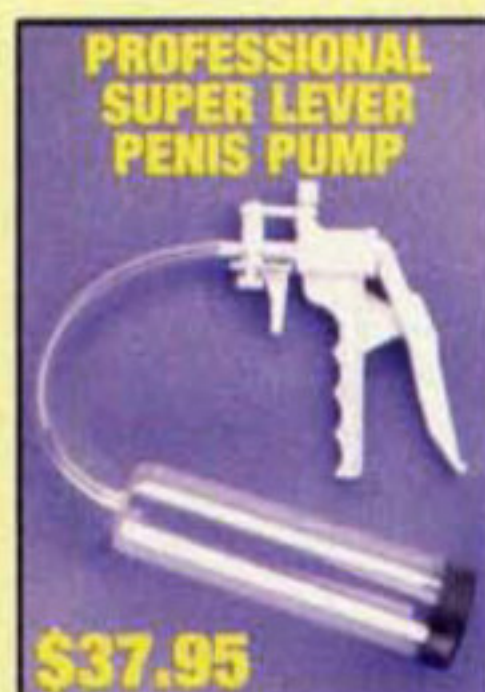

Professional Battery Powered Premium Penis Pump

The Original. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for penis enlargement.

Important Exclusive Features. The self-contained motorized unit can be removed to clean the clear tube. Other pumps have the motor, wires and batteries attached to the tube and with use and cleaning can rust and damage the motor and batteries.

Prostitution

(continued from page 76)

In almost 14 years of mandatory testing, there has not been a single case of HIV infection at the Bunnyranch, numbers that would probably be the envy of the secretarial pool at GM.

Rio, 29, has been working at the Bunnyranch since she was 27. Before that, she worked for several years as a pharmacist technician. "It irks me so bad that people say this isn't a real job," she says. "We pay taxes, conduct ourselves in a businesslike way, save our receipts for clothes and beauty expenses.

"If sex was more open, there wouldn't be so many sex crimes," she adds. "If guys weren't ashamed to go to prostitutes, they wouldn't go out and get a girl drunk and kidnap her and rape her."

"I'd pay for sex," says one prostitute. "Shit—give me Christian Slater; I'll pay him. There's nothing wrong with it."

"When it's legalized, it makes the girls real people," says Hof, "but the cops and the courts want to keep it illegal."

The existing system for dealing with prostitution is not working. A groundswell of activism and lobbying has pushed reforms. Dozens of organizations field Web pages on the Internet promoting legalization, decriminalization and prostitutes' rights.

"There was a time when you couldn't

find someone in favor of prostitution," says Dolores French, founder of Hooking Is Real Employment (HIRE), in Atlanta. "Now it's like people are saying, 'Some of my best friends are sex workers.'"

On the other hand, prohibitionist prostitutes' groups are downright hard to find. WHISPER was disbanded in 1996. Shortly after, its founder was accused of sexually harassing a female co-worker.

Austere, mainstream feminist organizations, such as the national branch of NOW and the Feminist Majority, have no position on the issue.

Radical Feminists, such as Andrea Dworkin and Catherine MacKinnon, are even harder to nail down. "We can't make them talk to us, and we can't make them shut up," says Jo Weldon. "If they have a rational argument, why won't they talk? Maybe because they're afraid we'll make a point and fuck up their book deal."

All the prostitutes whose murderers got off scot-free, and all the whores who were beaten to death by pimps, who overdosed on drugs or wasted away from AIDS, are waiting to hear if the prohibitionists have anything to say. Why shouldn't hookers have the same right to liberty and happiness as anyone else? ☹

Sex Crimes

(continued from page 110)

trol people with his eyes, and if he wanted to have sex with you, it meant you'd probably end up on his dinner table. Constanzo had a voracious appetite for men and women. He and his followers would slit a young girl or boy's throat and dance in the blood. Later, the sacrifice was cooked and eaten. Penises, breasts and vaginas were prized delicacies. These organs were believed to give sexual power.

Constanzo taught his followers that if they believed in him totally, they would be protected from any harm; so when one of his disciples was pulled over by the authorities, he believed he was safe and showed them the rotting corpses in the back of his truck. Police descended upon Constanzo's church. A bloody fire fight erupted. The police were repeatedly driven back by suicidal gunmen. When it became apparent that Constanzo would be captured, he ordered one of his men to shoot him in the head.

Marc Dutroux—Merchant of death for the rich and famous.

When convicted rapist Marc Dutroux was released early from a Belgian prison in 1992, many years before his scheduled release date, many wondered if he might have had friends in high places.

Soon after, Dutroux disappeared into the placid Belgian countryside. Once on the outside, Dutroux wasted no time kidnapping six young girls, aged eight to 19, and imprisoning them as sex slaves. Reporters speculated that he was a procurer for a large European child-prostitution and pornography ring.

As each girl disappeared, public clamor grew. Even though Belgium is a small country, and Dutroux was usually a suspect in the crimes, authorities continually overlooked him. Belgian citizens smelled a rat and wanted to know if the slipups were simply a matter of incompetence or if politicians who had visited the torture chamber as guests were covering up for the kidnapper. Officially, four girls were killed, and two were rescued. Unofficially, Dutroux was implicated in many more disappearances.

Dutroux was finally arrested in 1996, but he almost escaped to France due to even more shoddy police work. Ultimately, the Interior and Justice Ministers of Belgium were forced to resign in the wake of massive public outcry. Today, two years after Dutroux returned to prison, many are convinced that very powerful men were involved in these heinous crimes. ☹

Anita

Nympho in Waiting

PHOTOGRAPHY BY JANA KRENOVA

"It's been three months since Ray left," reveals jilted lover Anita. "He said he was going down to the corner for a newspaper. He never came back." The lonely beauty unbuttons her transparent blouse. "Ray gave me this shirt so he'd be able to see my breasts all the time. He loved to slide his dick between them." Anita nuzzles the filmy material. "It still smells like his cum. Someday I'll find a new man to worship my tits." Anita cradles her shapely mams. "Until then, I try to touch myself the way Ray touched me."

Vintage Erotica

The Hottest, Raunchiest Collection of Vintage "Stag Films" in the World!!

OLDIES & HARDCORE CLASSICS

Here is a collection of rare erotic films, many that have surfaced for the first time. In addition to some exciting and controversial classics, such as "Young Jane Mansfield" and some genuine French stag films that are decades old, we have many others dating as far back as the 1920's! You'll see these restored prints in their entirety. You'll laugh at the period sets and clothing, and hairstyles of the actors and actresses, but one thing has never changed, a cock is a cock and a pussy is a pussy, and good old hard fucking and deep, wet sucking has been around since the beginning!

THIS IS THE LIFE: A "smoker" from the 1940s. The hairstyles and clothing leave no doubt as to the time period. See him gently coax her to remove his prick from his trousers and give it "a little lick." Then see her go wild as she gobbles the thing and stuffs it in every hole she has until he gushes cum!

YOUNG JANE MANSFIELD: The platinum bombshell exudes raw sexuality as he cavorts in this early stag classic. See her gorgeous hair and trademarked bra-busting boobs quiver as she gets fucked hard deep in her hot cunt. She finishes off with a hot "69" before taking a cum shot on her jug!

THE WHIP: One of the first "kinky" sex films, from the 1930s. A couple have sex, unaware of a female voyeur in the room. They discover her and "force" her to join them. Soon she is bound and gagged, the couple punishing her with a whip in between sucking and fucking each other!

SUSIE THE MODEL: The most popular timeless theme in fuckfilms: the photographer gets it on with a sexy model. This one stands out because it's one of the first, with great close-ups of him burying his tongue in her snatch and her deep-throating his huge tool until he geyers all over her face!

THE PICNIC: Not only is this one of the earliest loops depicting group sex, but it shows it happening outdoors!! It gets a little raunchy too, 'cause interspersed with the fuck and suck action are filmed close-ups of a female with hot streams jetting out of the lovely pink of a young woman!

DICE GAME: A variation on the "strip poker" theme - played with dice. Two guys and a girl play craps until they're buck naked. Nature takes its course and soon she has her holes stuffed with hot, throbbing cock! Bonus: It's interracial! One of the guys is a hung black stud.

HORNY HIPPIES: A blast from the past, shot during the "flower power" era of the '60s, filmed in San Francisco. A big breasted young blonde hippie "makes love, not war" with her boyfriend's 11" cock. See her suck it, and put it in her wet hole until he gushes all over her juicy pink pussy!

PUSSY PICNIC: A prize-winner - not only shot outdoors, with a gorgeous girl, but also features three climaxes! The talented babe sucks him and he cums all over her lovely face, then he fucks her and cums on her mound, then he tit fucks her and shoots cream all over her huge, succulent breasts!

BACKYARD BALL: Another outdoor fuckfest, this time featuring GROUP SEX! An exotic Black/Asian woman masturbates her pussy in the backyard, and then some friends come over and screw their brains out. Features close-up urination, a lesbian 3-way and a "double-suck" sperm gushing finish!

OUTRAGEOUS & FILTHY

Here is a collection of the world's best vintage erotic animation... from the classic "Buried Treasure" to some astonishing stop-frame animation and one-of-a-kind X-rated claymation classics. There is also a video review of the world's hottest and raunchiest sex comics. Outrageously illustrated, uproarious action with your favorite comic strip and animated cartoon characters. Watch them get into one sexual situation after another.

SEXUAL FETISHES & PERVERSIONS

Scenes of Bondage, Sado-Masochism & Fetishes in the Cinema
Rare, suppressed clips and "outtakes" from studio productions actually shot in Hollywood, California and various Middle-Eastern locales.

THE ROMAN BARBARIANS: Cruel and vicious Roman centurions apprehend a native woman, kill her baby and then torture the husband while his wife and daughters watch helplessly!

WOMEN OF HELL'S ISLAND: A suppressed studio production featuring mouthwatering buxom women captured and enslaved on a remote island. Forced to undergo whipping, rape, sodomy.

ARABIAN SLAVE AUCTION: Stunningly beautiful women and unspeakably cruel slave drivers. Gorgeous big-titted Middle Eastern maidens subjected to humiliation, stripping, inspection, penetration at close camera range.

BEIRUT STRIP CLUB: Highly forbidden footage shot on location and smuggled across the Lebanese border. Breaks the greatest "taboo" of Islamic culture, which forbids women to disrobe in public and perform sexually. Gorgeous brunette Middle-Eastern female amateurs! Filmed live!

INNOCENTS FROM HELL: A rare sequence of pagan rituals taking place among sexually repressed nuns in a convent. Blood sacrifice, perversion, satanic possession. Penetration and mutilation of skin.

POOR CECILY: Depravity in Victorian England. Beautiful, buxom British girls stripped naked and forced to undergo whipping, stocks, pilory, flagellation, "the rack," flogging, loss of virginity.

NERO: Classic Italian portrayal of Roman empire decadence. Orgies, fire torture, branding with hot iron, mutilation, huge breasts being whipped until raw and bleeding, much more!

TORTURE HELL: A Japanese torture film. Young geishas (prostitutes) submit to bound breasts, gagging, collar leashing, breast torture, forced oral worship, more!

ENCHAINED SLAVE: A beautiful woman... and a prison full of sex-hungry lesbian she-wolves! Candle penetration, forced cunnilingus, whipping, beating, genital abuse.

DRACULA'S VIRGIN LOVERS: Scenes of explicit erotic horror... fetishistic cravings, blood rituals, torture, flagellation, bondage, lesbian gang rape.

HELGA, SHE-WOLF OF THE "SS": A popular theme: the sexual depravity of the Nazi's vicious and sadistic wardens of a female prison camp gets her jollies by humiliating and sexually torturing her young female captives.

BLOOD PLANTATION: Another sinister "Nazi" expose. Slaves forced to perform abominable acts of perversion and submission. Gorgeous exotic South Seas location and stunning naked Polynesian women. Sadistic military personnel with a thirst for torture and humiliation.

THE CLOISTERED NUN: Carnal cruelty and suppressed sexual lust in a convent full of voluptuous, sexually curious young nuns. Flesh whipping as other nuns watch and masturbate into a frenzy!

HOT SPURS: A French version of a classic "Western" with a voluptuous big-breasted woman who is taken hostage, stripped naked, beaten and humiliated.

BARE BEHIND BARS: A women's prison... scenes of outdoor strip-searching and punishment in the prison yard. Rough women with wicked curves and lusty suppressed sexual appetites.

NUNNERY ON FIRE: Sexually stifled "sisters" take a young man captive, strip him, and explore every inch of his body. They are caught by Mother Superior, then undressed and publicly flogged as other nuns indulge in masturbatory fantasies.

All 16 titles for only \$19.95

CAUGHT WITH HER PANTIES OFF: A fantasy/dream sequence theme. Young girl tripping her pussy while reading a sexy book "dozes off" and gets screwed in her ass and pussy by a "dream lover." He even shoves maraschino cherries up her cunt and eats her out! Was it a dream or not??

PREMARITAL OVERTURES: A familiar setting: a roaring fireplace, a rug, and a warm, willing female. She takes his crank into her mouth, ass and pussy in close-ups, then he wads all over her face. Then she applies a condom to his huge piston and straddle fucks him to another climax!

VARIATIONS ON INTERCOURSE POSITIONS: A bizarre show from one of the "marriage manuals on film" that were so popular. In this one, you'll see radical alternative methods to getting your rocks off, such as fucking a girl in the armpit, the elbow joint, the knee (!) and between her breasts. Highly unusual!

MATINEE PERFORMANCE: Every guy's fantasy: take a girl to the movies and fuck her silly right there in the theater! This young honey goes to great lengths to handle her boyfriend's giant cock, straddle fucking him, then doggy style, finishing up with a slow blowjob until he blasts her face with cream!

THE BLACK MOUSE: One of the most famous early French stag films! A silent masterpiece with French captions. A masked burglar known as "The Black Mouse" enters a sleeping couple's home. They catch and unmask the thief - it turns out to be a voluptuous young girl! Her "punishment" involves a lot of sex with both the husband and wife, and swallowing a mouthful of dick-milk!

HOT HOTEL: Here's a vintage group sex film from the Roaring Twenties - complete with cute, cock-hungry "flappers" with bobbed hair-do's and a ravenous appetite for hard cock. They get it on in a furious foursome in a hotel room with rapid-fire facial cumshots to finish!

SUPER DICK: A hilarious animated film about a guy who's dick is so big it has a mind of its own. See how it gets him into outrageous situations and gushes cum all over the place.

ASS: A humorous film involving a girl and a donkey. Beautiful voluptuous farmgirl strips naked in the barn for her pet donkey. The surprise ending will leave you in stitches!

WHAT EVERY BOY & GIRL SHOULD KNOW: A side-splitting satire on those sex education films that were shown to elementary school kids. This one uses real live people to do the "demonstration," however, and then things get out of hand!

EXPERIMENTAL: An avant-garde, "arty" film from the '60s featuring a montage of beautiful naked females. The cinematographer must have been taking "an acid trip" when he filmed this one!

All 19 titles for only \$24.95

LITTLE GENITALIA: A hilarious story about a little penis and how he grows up. Created in amazing "claymation." A collector's gem!

WESTERN SALOON: A surrealist fantasy with cowboys, naked women, big guns and big dicks.

RICK TRACY: gets it on with "Dickless Tracy" (his girlfriend)

DO YOU LIKE BOOBS A LOT?: Hilarious animated sequence for "tit lovers."

SUPER SCREW: The hilarious cartoon character with a dick like a bazooka. See him get into all kinds of "tight situations" with women, inanimate objects and even a big ape!

HEARTS & ARROWS: A cartoonist's field day with sexual symbolism featuring the heart (pussy) and the arrow (penis).

SLOW WHITE & THE 7 DWARFS: No collection would be complete without this side-splitting cartoon take-off on the nursery classic, European classic. A laugh and climax every frame!

BURIED TREASURE: Perhaps the greatest sex cartoon of all time. Starring "Ever-Ready," the guy with the perpetual hard-on. The hilarious adventures of a guy whose dick has a mind of its own!

ANIMATED SHORTS: Gut-busting animated sequences of characters with oversized genitals and oversized libidos getting into sexual hijinks.

LITTLE MS. MUFFET: Comic, carnal version of the nursery rhyme about a young girl, a spider and a lusty "tuffet."

SMELL & LICK: A line-art animated feature about sexual aromas and oral gratification.

12 DANCING PENISES: A "dirty dozen" of the funniest, most outrageous animated cocks you've ever seen!

KAMA SUTRA RIDES AGAIN: Humorous animated "marriage manual" that will produce roars of laughter.

TOAD-A-TROIS: These are the original "horny" toads, captured in an amusing and explicit 3-way sex romp. Sexual stop-frame animation at its best!

A MAMMOTH COLLECTION OF
ANTIQUE EROTICA SPANNING OVER
80 YEARS NOW ON VIDEOTAPE!

Sexual CELEBRITIES

PLEASE NOTE: Some of the world's most famous stars were rumored to have launched their careers in front of the X-rated camera. This exclusive collection of long-lost footage from the "closets of Hollywood" fuels those rumors. Are these actual legends or just look-alikes? You be the judge... This collection of "famous faces" in full hardcore action has never before been offered to the collector... and you'll understand why these films have been suppressed for years!! For obvious reasons we have chose not to show any photos on this brochure.

GOLDIE H. A perky, lovely-titled little blonde who would go on to a successful career in comedy says "sock it to me" in this film, and her lover does, over and over again. He jams every hole she's got until he dumps a steamy load all over tight young blonde pussy!

VANESSA R. A gorgeous redhead from a famous British action family isn't acting in this one... she's genuinely loving every minute as she gets it on with a lesbian and a strap-on dildo, then finishes up with a huge-dicked stud. She makes his penis "blow up" and then creams all over her face!

BARBRA S. This famous warbler sings "a different tune" in this production... and plays the skin flute to boot! The actress is a very "funny girl" as she takes on FIVE guys at once in this gang-bang classic. See them fill her ass, pussy and mouth with more than a song!

BETTY C., FIEDIE W., EDDIE R. See how three of the most famous black stars paid the bills before they made it in this 3-way production. It's a solid chocolate fuckfest as two leading ladies make whoopee with one of the "funniest" guys ever to get his benny jacked.

JANE F. Bad-girl actress with a famous father in a different kind of "exercise video." The cock-hungry young redhead show she's anything but a "plain jane" as she not only takes on two guys at once but lets them cum all over her! Where's hubby? Watching the news.

CHUCK C. Rugged professional baseball player-turned-actor gets it on with a horny brunette and another guy in this three way. He buries his bone in her box and fires load after load on her snatch and face until his co-stars tell him, "You've got a dick like a Rifle, Man..."

SALLY F. & DINA M. Before she became the flying nun, a certain petite little star was a flying fuck machine. She and her fellow brunette starlet demonstrates that blondes aren't the only ones that have more fun! In this sequence they pay a male prostitute to fuck and suck them until she soaks their bushes with sperm!

JUNE W. The pinup queen with a supposedly pornographic past... statueque blonde bombshell bailed her way up the ranks during her early days. See this classic outing where she gets it on with a creamy-curted black lesbian lover! Dildo play, wet cunt-munching, creamy climaxes!

GOLDIE H. & LILY T. Two of the industry's funniest ladies get serious about sex as they share and swap their fat-cocked boyfriends. Lots of close-ups of deep-pussy jamming, oral sex, exotic positions, double penetration and a rousing double facial cumshot!

SHIRLEY T. Instead of having "animal crackers in her soup," this talented young star has an animalistic cock in her cunt and asshole! She takes his monstrous rod in her hot holes and then takes on a second guy until they both cream her face and mound!

JODIE F. Ironically, this lady's first breakthrough role would be playing a 12-year-old prostitute. In this early film, she demonstrates her sexual talent and gives an "award-winning" performance as he gets fucked silly by two guys. They drench her succulent boobs with rivers of dick-milk!

HUSTLER

HAPPY GOO YEAR

The girls of January HUSTLER usher in a brand-new year with a resolution to stiffen your dicks and drain your balls clean. A steamy, blond siren steps out of the sauna and into her father's study, fingering her inner sanctum and staining Daddy's expensive, leather furniture with her girl nectar. A pair of roving, brunet beauties take a road trip in their pick-up truck and search for kicks on Route 69. Gang-bang queen Jasmin St. Claire allows one hard-up stud to tickle her tonsils and part her sugar walls with his rigid tool. Sliding his bone between her bodacious udders, the cocksman spills thick wads of ball batter on St. Claire's grinning mug. January HUSTLER will shake you up and pop your cork.

DELIVERIES IN THE REAR

Ass-fucking. Butt banging. Getting mud on the turtle. Despite the relatively sexually enlightened times we live in, anal sex remains a taboo topic for many, causing entire segments of our society to miss out on one of the most rewarding aspects of sexuality. As anyone who's taken the road less traveled by knows, stuffing your stiff prick in a beautiful betty's drum-tight ass and slamming sphincters is an experience that no man should deprive himself of. In January's *Sex Play*, "Getting Into Glutes: The Female Ass as a Whole," correspondent Donna Powell delves deep into shit-chute schtupping. Exploring issues of aesthetics, history, precautions and protocol, Powell delivers a how-to manual that cornholing novices and veterans alike will learn from.

CREAM OF THE CUM-SHOT CROP

In the adult-film industry, turnover is as common as cheesy music and surgically overinflated milk bags. Fucked-out starlets find less pussy-punishing lines of work or make futile mainstream-crossover attempts. Age transforms once-proud woodsmen into limp-loined has-beens. Would-be fuck-flick auteurs move on to lens industrial-safety films. Still, there are those who, through outlandishness or excellence, make their indelible mark on the business of onscreen boinking. *The XXX Files: A Who's Who List of the Good, the Bad and the Just Plain Stupid* serves credit and criticism to 50 of the contemporary porn scene's most notable and notorious figures.

BALL DROPPINGS

In January's *Erotic Entertainment*, HIV-positive porn vet Marc Wallace responds to charges that he knowingly put his costars at risk by faking his AIDS test. *Bits & Pieces* reveals Gary Coleman's pre-assault epithet and crushes the MGD campaign on its forehead. *Beaver Hunt* bares a bevy of babes from America's cities and suburbs. Prepare for a countdown to ecstasy; January HUSTLER will intoxicate you like a case of pink champagne.

January HUSTLER on sale November 17, 1998.
